› TJYGO Mirror Jewelry Cabinet Standing with Full-Length LED Mirror and Adjustable Lights (Model BJ002-CF) - Instruction Manual

TJYGO BJ002-CF

TJYGO Mirror Jewelry Cabinet Instruction Manual

Model: BJ002-CF

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your TJYGO Mirror Jewelry Cabinet. Please read carefully before use to ensure proper functionality and longevity of your product. This versatile cabinet combines a full-length mirror with adjustable LED lights, a 360° swivel base, and extensive internal storage for your jewelry and cosmetic items.

KEY FEATURES

- **4-in-1 Design, Large Capacity:** Combines a jewelry organizer, full-length mirror, makeup LED mirror, and storage rack into one spacious unit for easy selection and matching of jewelry.
- **Full-Length Mirror with Adjustable LED Lights:** Features a rotatable full-length mirror with dimmable LED lights offering 3 shades of light and a smart memory function, activated by a touch button for optimal lighting.
- **Extensive Storage Capacity:** Includes 108 earring slots, 78 ring slots, 20 necklace hooks, 3 bracelet rods, 1 storage bag, 5 storage racks, and 3 back shelves. A foldable makeup shelf is also integrated for cosmetics.
- **360° Rotating Stable Base:** The cabinet rotates 360° on an enlarged, stable base, with a fixed strap for added security against falling.
- **Lockable Design:** Equipped with a lockable design and 2 keys to safeguard valuables. The velvet-lined interior protects jewelry from scratches.

4-IN-1 SWIVEL JEWELRY CABINET

SETUP INSTRUCTIONS

Follow these steps to assemble your TJYGO Mirror Jewelry Cabinet. Ensure all parts are present before beginning assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all hardware and components are accounted for using the included parts list.
2. **Assemble the Rotatable Base:** Attach the two semi-circular base pieces together using the provided screws. Ensure the anti-slip pads are correctly positioned on the bottom.
3. **Install the Cabinet Body:** Secure the main mirror cabinet to the assembled rotatable base. Use the appropriate screws to firmly attach the cabinet to the base.
4. **Attach Back Storage Shelves:** Install the back storage shelves onto the cabinet frame. For easier assembly, align all screw holes on the back storage panel before tightening.
5. **Insert Acrylic Storage Shelves:** Place the clear acrylic storage shelves into their designated slots inside the cabinet door.

6. **Connect Power:** Insert the power plug for the LED lights into the designated port on the cabinet and then into a wall outlet.
7. **Remove Protective Film:** After completing the installation, carefully tear off the plastic protective film from the mirror surface to avoid scratching.

OPERATING INSTRUCTIONS

Using the LED Mirror and Lights

The full-length mirror features integrated LED lights with adjustable settings. The internal makeup mirror also has LED lighting.

- **External LED Lights:** To turn on/off or change the light color (cool, natural, warm), gently touch the circular sensor button

located on the mirror surface. Hold the button to adjust brightness.

- **Internal LED Lights:** The internal LED lights automatically illuminate when the cabinet door is opened, providing clear visibility for your jewelry and cosmetics. These lights are powered by 3 AAA batteries (not included).

Accessing Internal Storage

Unlock the cabinet using one of the provided keys. The door will swing open to reveal the organized interior.

- **Jewelry Organization:** Utilize the earring slots, ring slots, necklace hooks, and bracelet rods to neatly store your accessories.
- **Cosmetic Storage:** Place makeup and skincare products on the various shelves and in the foldable makeup shelf area.
- **Storage Bags:** Use the internal storage bag for smaller items or those requiring extra protection.

Utilizing the 360° Swivel

The cabinet is designed to rotate 360 degrees, allowing easy access to the back storage shelves and different viewing angles of the mirror.

- **Rotation:** Gently push the cabinet to rotate it to your desired position. Ensure no cables or objects obstruct the base during rotation.
- **Back Storage:** The shelves on the back of the cabinet provide additional space for items like handbags, books, or other personal belongings.

MAINTENANCE

- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner to wipe the mirror surfaces. Avoid abrasive cleaners that may scratch the glass.
- **Cleaning the Cabinet:** Wipe the wooden surfaces with a soft, damp cloth. Avoid harsh chemicals. For the velvet lining, use a soft brush or lint roller to remove dust and debris.
- **Battery Replacement:** If the internal LED lights dim or stop working, replace the 3 AAA batteries located in the battery compartment.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Tighten if necessary to maintain stability.

TROUBLESHOOTING

- **LED Lights Not Working:**
 - Ensure the power adapter is securely plugged into both the cabinet and a working wall outlet.
 - For internal lights, check and replace the 3 AAA batteries if needed.
 - Verify that the touch switch on the mirror is functioning correctly.
- **Cabinet Door Not Closing Properly:**
 - Check for any obstructions inside the cabinet that might prevent the door from closing fully.
 - Inspect the hinges for damage or misalignment.
- **Swivel Mechanism Issues:**
 - Ensure the base is on a flat, even surface.
 - Check for any debris or objects caught beneath the rotating base.
 - If the cabinet feels unstable, ensure all screws connecting the cabinet to the base are tightened.
- **Missing or Damaged Parts:** If you encounter missing or damaged parts during assembly, please contact customer support for assistance.
