# Vicco Fame-Line Corner Kitchen Instruction Manual

Model: 17540

Brand: Vicco

## INTRODUCTION

The Vicco Fame-Line kitchen unit combines functionality with style, offering ample space for cooking, preparation, and dining. Designed in an L-shape, this kitchen line is crafted from high-quality materials, featuring MDF fronts and soft-close hinges, ensuring both aesthetic appeal and durability. The Fame-Line series is available in various colors and configurations, with additional modules that can be added and rearranged as desired, providing flexible design options to make your kitchen the heart of your home.

## SAFETY INFORMATION

### **Important! Retain for future reference. Read carefully!**

Serious or life-threatening injuries from pinching can occur if furniture pieces fall. To prevent furniture from falling, they must be securely fastened to the wall using appropriate devices. Always check the wall material to ensure its load-bearing capacity is sufficient for the expected weight. Use screws and dowels suitable for your home's walls. If in doubt, consult your local hardware store. Read the instructions carefully and follow them step by step.

## PRODUCT FEATURES

The Fame-Line kitchen series offers premium quality at competitive prices, incorporating several design and functional advantages:

- **Spacious Comfort Cabinets:** Designed for optimal storage capacity.
- **Soft-Close Hinges:** Ensures quiet and gentle closing of cabinet doors.
- **Metal Full Extension Slides:** Provides smooth and easy operation for drawers.
- **Stylish Metal Handles:** Serves as an elegant design element.
- **High-Quality MDF Fronts:** Contributes to the durability and longevity of the kitchen unit.

## SETUP AND ASSEMBLY

Your Vicco Fame-Line kitchen unit is delivered with all necessary components for assembly. Please ensure you have adequate space and the required tools before beginning. Follow the included assembly instructions carefully for each module.

## Components and Dimensions

The kitchen consists of various modules designed for flexible arrangement. Refer to the detailed dimension

## OPERATING INSTRUCTIONS

The Vicco Fame-Line kitchen is designed for intuitive use. The soft-close hinges on doors and full-extension metal slides on drawers ensure smooth and quiet operation. When opening and closing, apply gentle pressure to engage the soft-close mechanism. Ensure that drawers are not overloaded to maintain optimal functionality of the slides.

## MAINTENANCE AND CARE

To ensure the longevity and appearance of your Vicco Fame-Line kitchen, regular cleaning and proper care are recommended. The surfaces, made from easy-care chipboard with melamine resin coating and high-quality MDF fronts, are simple to maintain.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn dirt, use a mild, non-abrasive cleaning agent. Avoid harsh chemicals, abrasive cleaners, or scouring pads, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or moisture damage, especially on the countertop and edges.
- **Heat Protection:** Always use heat-resistant mats or trivets under hot pots and pans to protect the countertop surface.
- **Moisture:** Avoid prolonged exposure to moisture, particularly around sinks and edges. Ensure proper ventilation.

## TROUBLESHOOTING

While the Vicco Fame-Line kitchen is designed for durability, minor issues may arise. Here are some general troubleshooting tips:

- **Wobbly Cabinets:** Ensure all adjustable feet are properly leveled and making firm contact with the floor. Recheck wall mounting for secure attachment.
- **Doors Not Closing Properly:** Check the soft-close hinges for any obstructions. Adjust the hinges if necessary (refer to the assembly manual for specific hinge adjustment instructions).
- **Drawers Sticking:** Ensure drawers are not overloaded. Check the metal full extension slides for any debris or misalignment. Clean the slides if needed.
- **Worktop Issues:** If the worktop needs trimming for appliances or specific layouts, ensure precise measurements and use appropriate tools to avoid damage.

For issues not covered here, please contact customer support.

## SPECIFICATIONS

Attribute	Detail
Brand	Vicco
Model Number	17540
