Superay Full 14 Inch

Superay 14 Inch Full Metal Platform Bed Frame Instruction Manual

Model: Full 14 Inch | Brand: Superay

IMPORTANT SAFETY INFORMATION

- Do not exceed the maximum weight recommendation of 3500 pounds. Exceeding this limit may result in injury or product damage.
- Improper assembly can lead to instability or collapse. Follow all instructions carefully.
- Be cautious of potential pinch points during assembly, especially near moving parts and joints.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten fasteners.
- Keep small parts away from children during assembly to prevent choking hazards.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Metal Bed Frame Components (labeled A, B, C, D, E, F, G, H, K, M, N, P, Q, R)
- Mattress Gaskets (4 pieces)
- Assembly Tools (Hex key, Wrench)
- Screws and Bolts (labeled S for short, L for long, W for washers)
- Installation Manual

Figure 1: All components included in the package, laid out for identification.

SETUP INSTRUCTIONS

Follow these steps for easy and secure assembly of your Superay Metal Platform Bed Frame.

Step 1: Assemble the Side Frames

1. Unfold the main side frame sections (A, B, C, D, E, F, G, H, J).
2. Attach leg B to section A using short screws (S). Ensure the holes align.
3. Attach leg H to section C using short screws (S).
4. Repeat for the other side, attaching legs D to sections E and G.

Figure 2: Partially assembled bed frame showing the side sections connected.

Step 2: Connect Center Support Beams

5. Connect the center support beams (M) to the side frames using short screws (S).
6. Attach the central crossbar (N) to the center support beams (M) using long screws (L) and washers (W). Ensure the 'UP' labels on the crossbar are facing upwards and the connection points are aligned.

Make sure the P bars are aligned

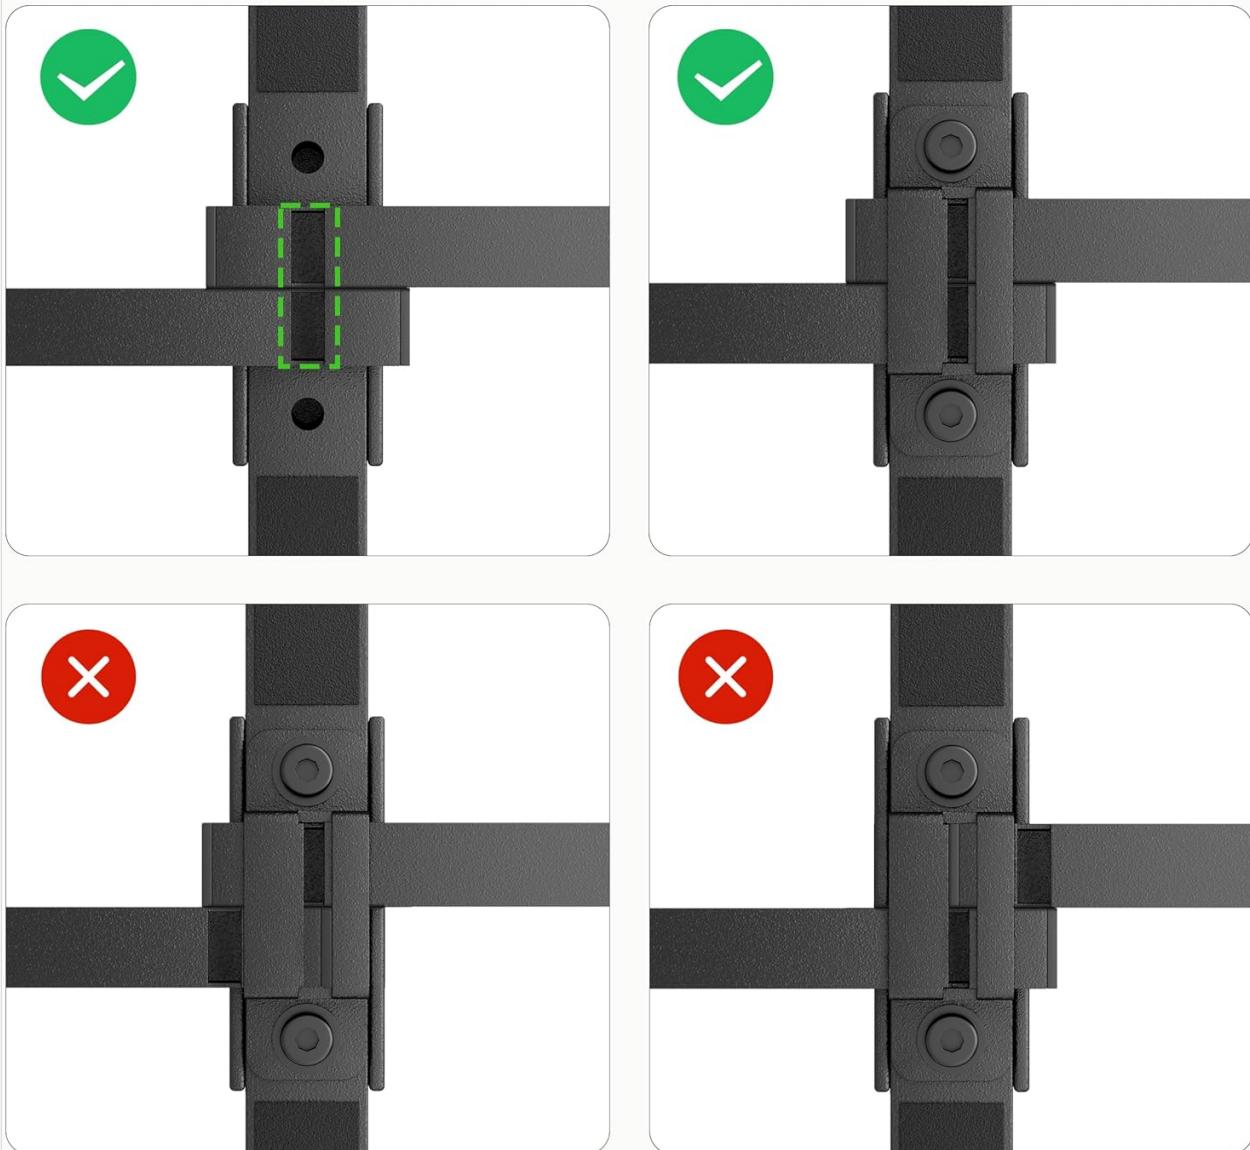

Figure 3: Proper alignment of the central crossbar (P bars) for secure assembly.

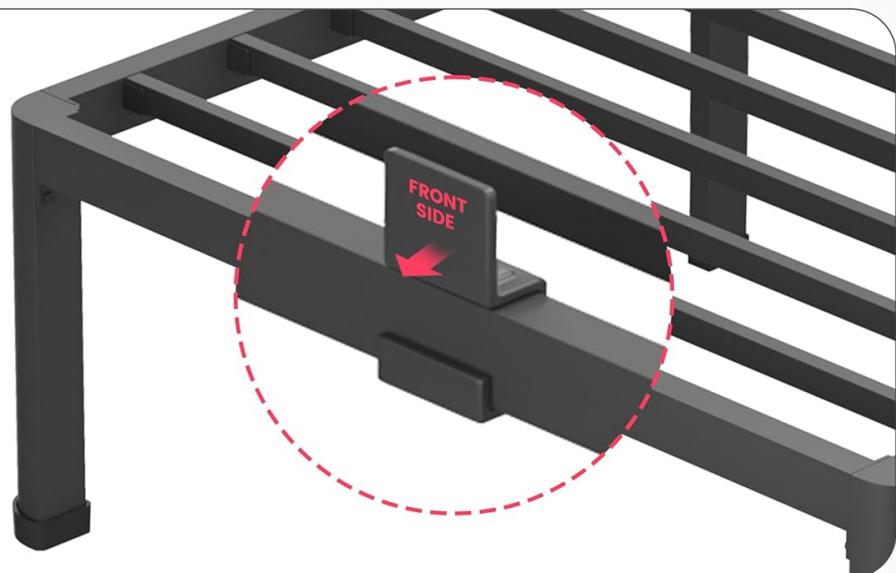

Step 3: Install Slats and Mattress Stoppers

7. Unfold and place the steel slats (R) across the frame. The slats are designed for easy, quick installation.
8. Install the four mattress gaskets (stoppers) into the designated slots on the frame. Ensure they are mounted outwards to effectively secure the mattress.

Video 2: How to Use the Mattress Stopper. A short guide demonstrating the correct placement and function of the mattress stoppers.

OPERATING INSTRUCTIONS

Once assembled, your Superay Metal Platform Bed Frame is ready for use. No box spring is needed as the steel slats provide ample support for your mattress.

Mattress Placement

- Carefully place your full-size mattress directly onto the assembled steel slats.
- Ensure the mattress is centered and rests securely against the installed mattress stoppers at the head of the bed.

Headboard Attachment

The frame includes three pre-drilled holes for attaching a compatible headboard (not included).

- Align your headboard with the pre-drilled holes on the bed frame.
- Secure the headboard using appropriate bolts and nuts (not included with the bed frame, typically supplied with the headboard).

Suitable for various headboards

**⚠ Pictures are for reference only,
this product does not include a headboard**

Figure 5: Headboard mounting holes for compatibility with various headboard styles.

MAINTENANCE

- **Cleaning:** Wipe the metal frame with a damp cloth and mild detergent. Avoid abrasive cleaners.

- **Fastener Check:** Periodically inspect all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability and prevent noise.
- **Floor Protection:** The silicone anti-slip foot caps protect your floor. Ensure they are in place and undamaged.

TROUBLESHOOTING

- **Squeaking Noises:** If the bed frame squeaks, check all connections and tighten any loose bolts. The integrated silent sponges between slats are designed to prevent noise.
- **Mattress Sliding:** Ensure the mattress stoppers are correctly installed and positioned outwards.
- **Instability:** Verify that all legs are firmly on the ground and all connections are securely fastened. Check for any bent or damaged components.

SPECIFICATIONS

Feature	Detail
Size	Full
Product Dimensions	74.5"L x 53.4"W x 14"H
Under-bed Storage Height	12.4 inches
Weight Capacity	Up to 3500 lbs
Material	Heavy-duty Steel, Powder Coated Finish
