WLIVE ASNG131BL

WLIVE Wood Dresser Instruction Manual

Model: ASNG131BL | Brand: WLIVE

1. INTRODUCTION

Thank you for choosing the WLIVE Wood Dresser. This manual provides essential information for the proper assembly, operation, and maintenance of your new dresser. Please read these instructions carefully before beginning assembly and retain them for future reference. This dresser is designed for organizing clothes, books, toys, decorations, and other essentials, suitable for various rooms including bedrooms, living rooms, and hallways.

2. SAFETY INFORMATION

- Always follow assembly instructions carefully.
- Ensure all hardware is securely tightened before use.
- Do not overload drawers.
- For safety, always use the provided anti-tip kit to secure the dresser to a wall. This prevents accidental tipping, especially important in households with children.
- Keep small parts and packaging materials away from children.

Figure 2.1: Anti-tip kit installation for enhanced stability and safety. Secure the dresser to a wall using the provided hardware to prevent accidental tipping.

3. PARTS LIST

Please verify that all parts listed in your physical instruction manual are present before beginning assembly. Refer to the detailed diagrams and component labels provided in the packaging.

4. HARDWARE LIST

Ensure all necessary hardware, including screws, dowels, and other fasteners, are accounted for. A complete list with quantities is typically found on the first few pages of your physical assembly guide.

5. SETUP AND ASSEMBLY

Assembly of the WLIVE Wood Dresser is designed to be straightforward with clear instructions. All parts and accessories are coded for precise and fast installation. An installation video may also be available for visual guidance.

Figure 5.1: Product dimensions and drawer capacity. The dresser measures 15.75"D x 53.15"W x 31.57"H. Each drawer can hold up to 22 lbs, and the top surface can support up to 110 lbs.

Assembly Steps (General Overview):

1. Unpack all components and verify against the parts list.
2. Assemble the main frame of the dresser according to the diagrams.
3. Install the drawer slides onto the dresser frame.
4. Assemble each of the six drawers, ensuring the extra support plate is installed at the bottom for enhanced load capacity.
5. Attach the metal handles to the assembled drawers.
6. Insert the assembled drawers into the dresser frame.
7. Secure the dresser to the wall using the anti-tip kit.

Figure 5.2: Detail of the extra support plate in each drawer, designed to provide stronger load capacity and durability.

6. OPERATING INSTRUCTIONS

The WLIVE Wood Dresser features smooth-sliding drawers for easy access to your belongings. Each drawer is equipped with a limit latch to prevent accidental full removal, enhancing safety and ease of use.

Figure 6.1: The dresser offers ample storage space, capable of holding numerous items to help keep your home clean and tidy.

The spacious top surface of the dresser can accommodate various items, including a TV up to 60 inches, lamps, glasses, photos, and plants, with a load-bearing capacity of up to 110 pounds.

Figure 6.2: The dresser's robust top surface is suitable for use as a TV stand, supporting televisions up to 60 inches.

7. MAINTENANCE

The dresser is made of environmentally friendly wood panels that are durable, easy to clean, and water-resistant. To maintain its appearance and longevity:

- Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- Promptly clean up any spills to prevent water damage, although the surface is water-resistant.
- Avoid placing extremely hot or cold items directly on the surface without protection.
- Periodically check all screws and fasteners to ensure they remain tight.

Figure 7.1: The dresser's surface is designed to be scratch-resistant, easy to clean, and water-resistant, simplifying maintenance.

8. TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers do not slide smoothly.	Misaligned slides or debris in tracks.	Check alignment of drawer slides. Clear any obstructions from the tracks. Ensure all screws are tightened.
Dresser feels wobbly.	Loose hardware or uneven floor.	Tighten all assembly screws. Ensure the dresser is on a level surface. Install the anti-tip kit if not already done.
Missing parts or damaged components.	Manufacturing or shipping error.	Contact WLIVE customer service with your purchase details for assistance.
