

## Wigfar E-88

# Wigfar E-88 Open Ear Bluetooth Headphones

## USER MANUAL

### Introduction

---

Thank you for choosing the Wigfar E-88 Open Ear Bluetooth Headphones. These true wireless ear clip earbuds are designed to provide a comfortable listening experience while keeping you aware of your surroundings. This manual provides essential information for setting up, operating, and maintaining your headphones.

### What's in the Box

---

- 2 x Wigfar E-88 Ear Clip Headphones (Left and Right)
- 1 x Charging Box
- 1 x Type-C Quick Charging Cable
- 1 x Bluetooth Headset Silicone Case
- 1 x User Manual

### Product Overview

---

# High Quality Moving Coil Drivers

Uses advanced wireless technology and supports Bluetooth 5.3 to ensure stable, low-latency audio transmission. Built-in high performance processor delivers excellent mid and high frequency audio performance and deep, powerful bass.

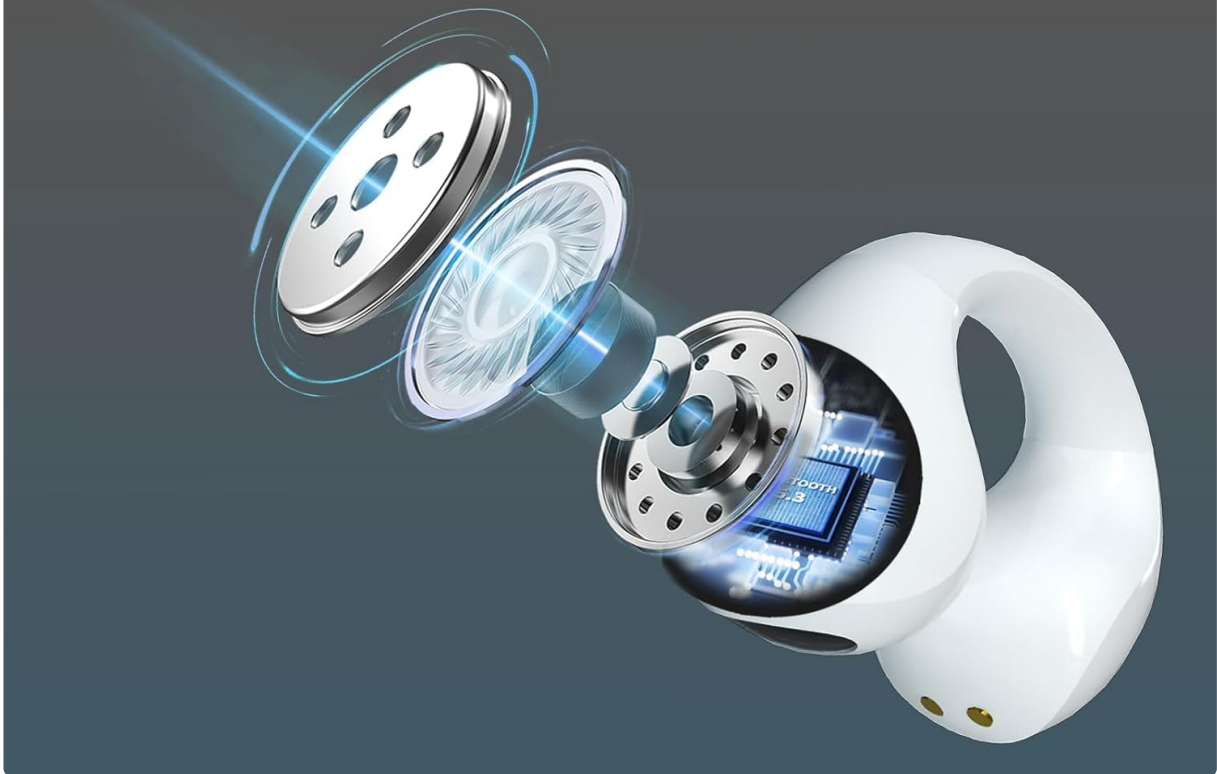

Figure 1: Internal Structure of the Earbud with Moving Coil Drivers

The Wigfar E-88 headphones feature high-quality moving coil drivers and a dual-unit composite diaphragm, designed to deliver balanced sound across high and low frequencies with an open sound field. Advanced wireless technology and Bluetooth 5.3 ensure stable, low-latency audio transmission.

## Key Features

- **Open Ear Design:** Allows for situational awareness, suitable for exercise, driving, and meetings.
- **Bluetooth 5.3 Technology:** Provides stable connection, fast transfer speed, and low power consumption with a wireless range of up to 10 meters.
- **IPX4 Water Resistant:** Protected against splashes and sweat, making them suitable for workouts.
- **Ear Clip Design:** Unique U-shaped curved arm for a secure and comfortable fit that does not interfere with hairstyles, glasses, or hats. Helps prevent falling off and keeps the ear canal clean.
- **Automatic Sound Beam Angle Adjustment:** Optimizes sound delivery, making it focused and clear while minimizing sound leakage.
- **Touch Controls:** Simple touch interface for managing audio playback and calls.
- **Long Battery Life:** Up to 5-7 hours of listening time on a single charge, and a total of 10-14 hours with the charging case. Up to 72 hours of standby time.
- **Fast Charging:** Quick charging capability to minimize downtime.

## Setup

### 1. Charging the Headphones and Case

Figure 2: Charging the Earbuds and Case

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the Type-C charging cable to the charging port on the case and plug the other end into a USB power adapter (not included).
3. The indicator lights on the charging case will show the charging status. A full charge for the case typically takes about 2 hours, and for the earbuds, approximately 1.98 hours.

### 2. Bluetooth Pairing

Figure 3: Bluetooth Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "Wigfar E-88" (or similar name) from the list.
4. Once connected, you will hear a confirmation tone, and the indicator light on the earbuds will change.

### 3. Wearing the Headphones

# Adopt ear clip design & Painless Wear

No need to enter the ear, protect eardrum from damage  
no ear size selection

Figure 4: Proper Earbud Placement

1. Identify the Left (L) and Right (R) earbuds.
2. Gently clip the earbud onto your outer ear, ensuring the U-shaped arm rests comfortably and securely.
3. Adjust the position for optimal sound and comfort. The open-ear design allows sound to be directed towards your ear canal without fully blocking it.

## Operating Instructions

### Basic Functions (Touch Control)

| Function         | Action   |
|------------------|--|
| Power On         | Open the charging case, or long press the touch area for 3 seconds.                                      |
| Power Off        | Place earbuds back into the charging case and close the lid, or long press the touch area for 5 seconds. |
| Play/Pause Music | Single tap on either earbud.   |
| Next Track       | Double tap on the Right earbud.  |

| Function                        | Action   |
|---------------------------------|--|
| Previous Track                  | Double tap on the Left earbud.                                     |
| Answer/End Call                 | Single tap on either earbud during an incoming call.               |
| Reject Call                     | Long press on either earbud for 2 seconds during an incoming call. |
| Activate Voice Assistant (Siri) | Triple tap on either earbud.                                       |

## Maintenance

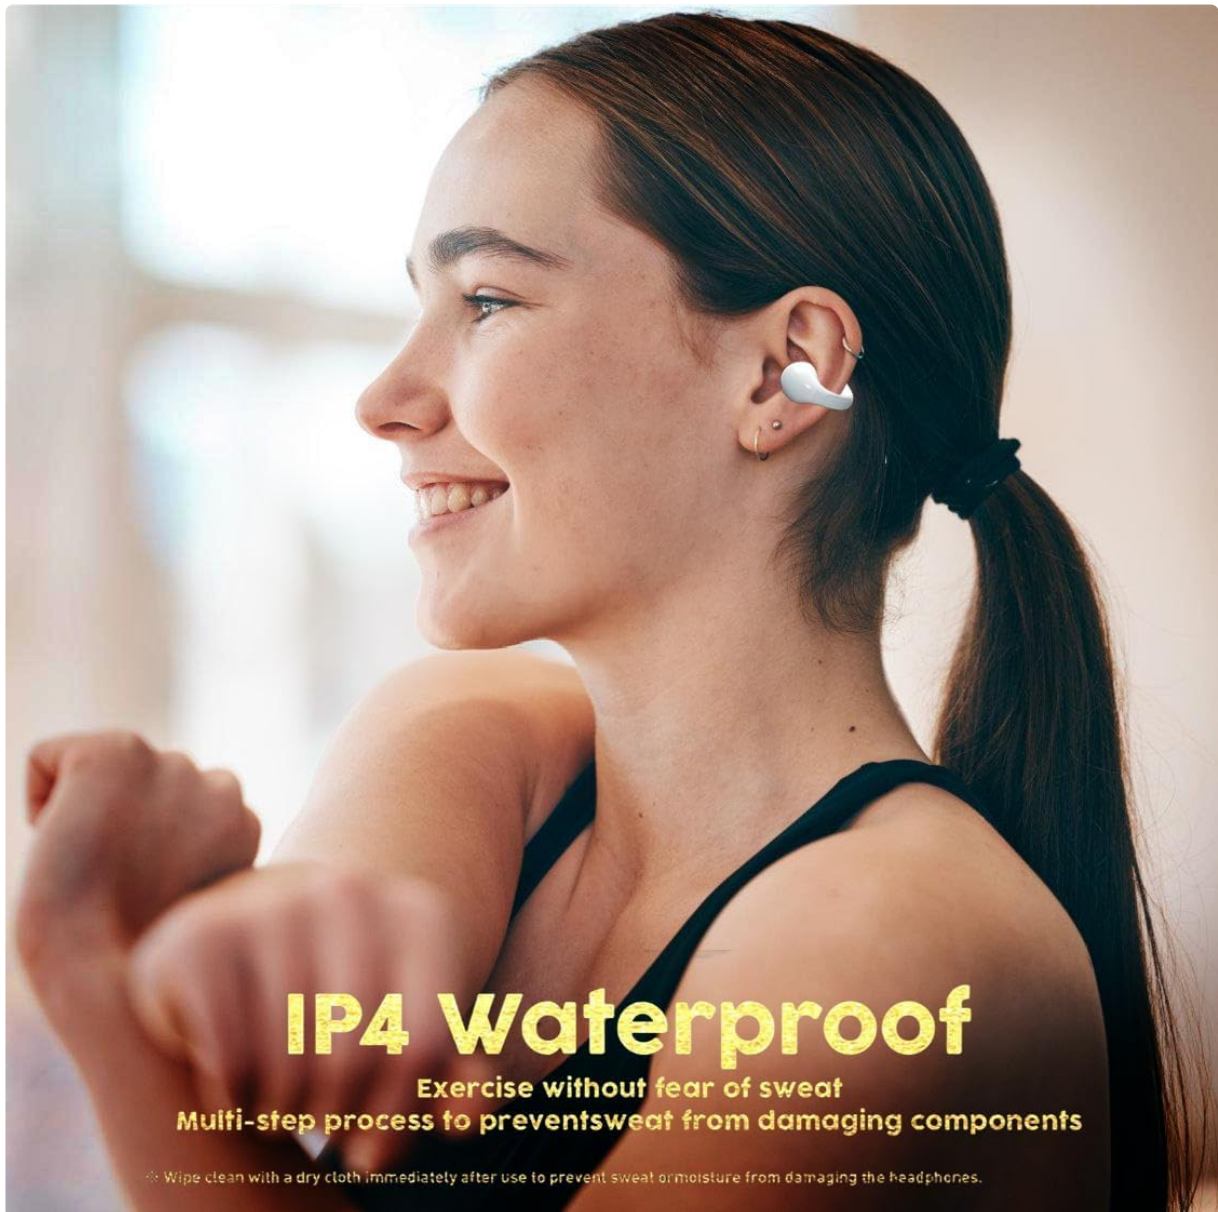

Figure 5: Sweat Resistant Design

- **Cleaning:** Although the headphones are IPX4 water resistant and sweat resistant, it is recommended to wipe them clean with a dry cloth immediately after use to prevent sweat or moisture from damaging components. Do not submerge in water.
- **Storage:** Store the headphones in their charging case when not in use to protect them from dust and damage. Keep them in a cool, dry place away from extreme temperatures.
- **Charging:** Use only the provided Type-C cable for charging. Avoid using damaged cables or chargers.

## Troubleshooting

| Problem                    | Solution  |
|----------------------------|---|
| Headphones not pairing     | Ensure Bluetooth is enabled on your device. Make sure the earbuds are charged and in pairing mode (open case). Try forgetting the device in your Bluetooth settings and re-pairing. |
| No sound from one earbud   | Check if both earbuds are charged. Try placing both earbuds back in the case, closing the lid, and then reopening to reset the connection.  |
| Charging case not charging | Ensure the Type-C cable is securely connected to both the case and the power source. Try a different USB power adapter or cable.  |
| Sound quality is poor      | Ensure the earbuds are properly positioned on your ears. Check for any obstructions. Move closer to your connected device to avoid interference.                                    |

## Specifications

| Feature                       | Detail                     |
|-------------------------------|----------------------------|
