## Docooler Transparent Wireless Dual-Mode Mouse

# Docooler Transparent Wireless Dual-Mode Mouse User Manual

Model: Transparent Wireless Dual-Mode Mouse

## INTRODUCTION

This user manual provides comprehensive instructions for the Docooler Transparent Wireless Dual-Mode Mouse. It covers product features, setup, operation, maintenance, and troubleshooting to ensure optimal performance and user experience. Please read this manual carefully before using the product.

## PACKAGE CONTENTS

Upon opening the package, please verify that all the following items are included:

- 1 x Docooler Transparent Wireless Dual-Mode Mouse
- 1 x Type-C Charging Cable
- 1 x USB Dongle (2.4G Receiver)
- 1 x User Manual (this document)

## PRODUCT FEATURES

The Docooler Transparent Wireless Dual-Mode Mouse offers advanced features for enhanced productivity and gaming:

- Dual-Mode Connectivity:** Supports both 2.4G wireless and Bluetooth 5.0 for versatile connection options.
- Transparent Design:** Unique transparent casing with visible internal components and RGB lighting.
- Adjustable DPI:** Three-level DPI settings (800/1200/1600) for precise cursor control.
- RGB Water-Cooled Lights:** Dynamic RGB lighting effects for aesthetic appeal.
- Magnetic PC Cover:** Easy access to the USB dongle and secure closure.
- Rechargeable Battery:** Built-in 400mAh battery with Type-C charging.
- Battery Level Display:** Integrated indicator for real-time power monitoring.
- One-Button Switching:** Seamless transition between connected devices.

# RGB Water-Cooled Lighting

RGB water-cooled light strips illuminate punk mechanical aesthetics

**Image:** The Docooler Transparent Wireless Mouse showcasing its vibrant RGB water-cooled lighting. The transparent design allows visibility of the internal components, enhancing its unique aesthetic.

# Battery Level Display

With power display, check the remaining power at any time

100%	4 lights on
75%	3 lights on
50%	2 lights on
25%	1 lights on

**Image:** A close-up view of the Docooler Transparent Wireless Mouse highlighting its battery level display. The display shows the remaining power with four indicator lights representing 100%, 75%, 50%, and 25% charge levels.

# Strong Magnetic Adsorption Design

Strong magnetic adsorption, not easy to slip off, the top cover and the body automatically and accurately aligned, click a second fit

**Image:** The Docooler Transparent Wireless Mouse demonstrating its strong magnetic adsorption design. The top cover can be easily removed and reattached, ensuring the USB dongle is securely stored and accessible.

## SETUP

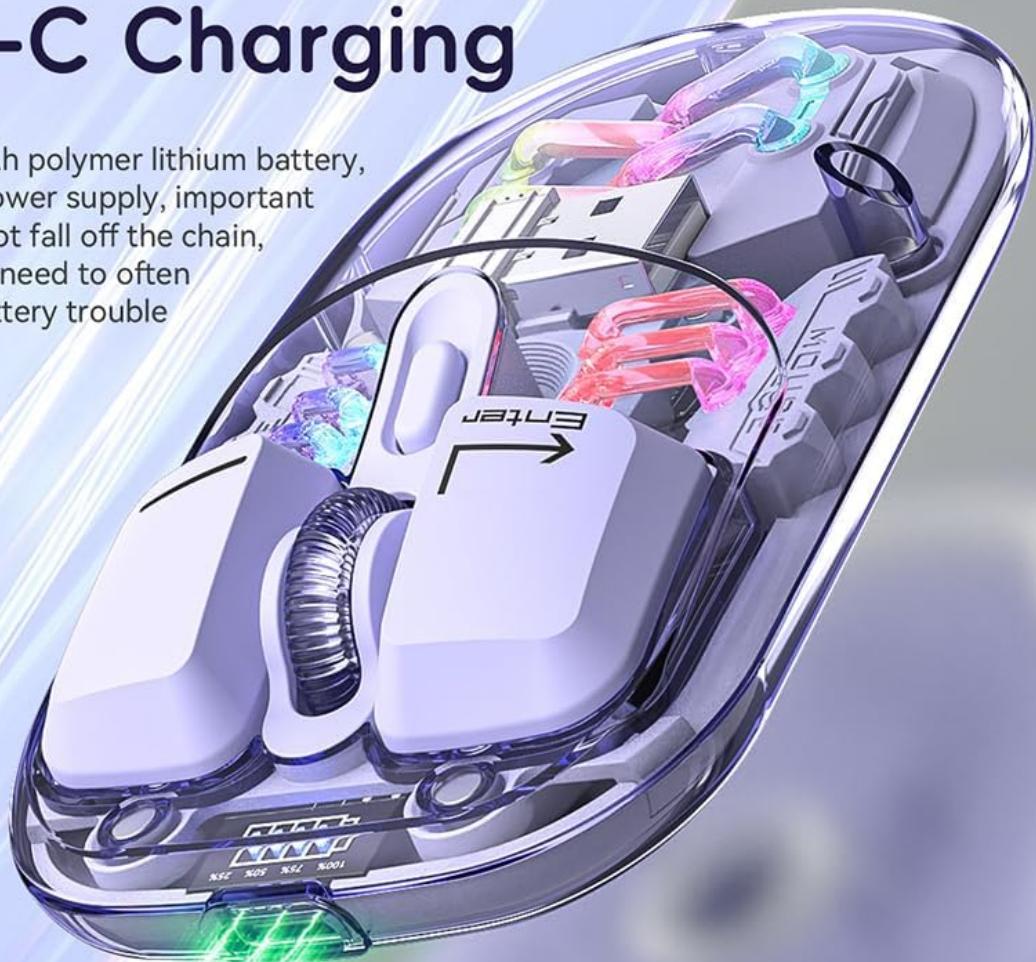

### Charging the Mouse

Before first use, it is recommended to fully charge the mouse. Use the provided Type-C charging cable.

1. Connect the Type-C end of the charging cable to the mouse's charging port.
2. Connect the USB-A end of the charging cable to a USB power source (e.g., computer USB port, USB wall adapter).
3. The battery indicator lights will show charging progress. A full charge typically takes 2-3 hours.

# Type-C Charging

Built-in 400mAh polymer lithium battery, long-lasting power supply, important moments do not fall off the chain, eliminating the need to often replace the battery trouble

**Image:** The Docooler Transparent Wireless Mouse connected via its Type-C charging port, illustrating the charging process. The image highlights the convenience of Type-C charging and indicates a typical charging time of 2-3 hours.

## Connecting the Mouse

The mouse supports two connection modes: 2.4G Wireless and Bluetooth (BT).

### 2.4G Wireless Mode

1. Locate the USB dongle inside the mouse, under the magnetic cover.
2. Remove the USB dongle and plug it into an available USB port on your computer.
3. Slide the mode switch on the bottom of the mouse to the "2.4G" position.
4. The mouse should automatically connect to your computer.

**System Requirements for 2.4G:** Windows XP, Windows 7, Windows 8, Windows 10 and above, Android 4.4 and above, iOS 13 or later, MacOS X 10.5 or later, Linux Kernel 2.6+2, Chrome OS.

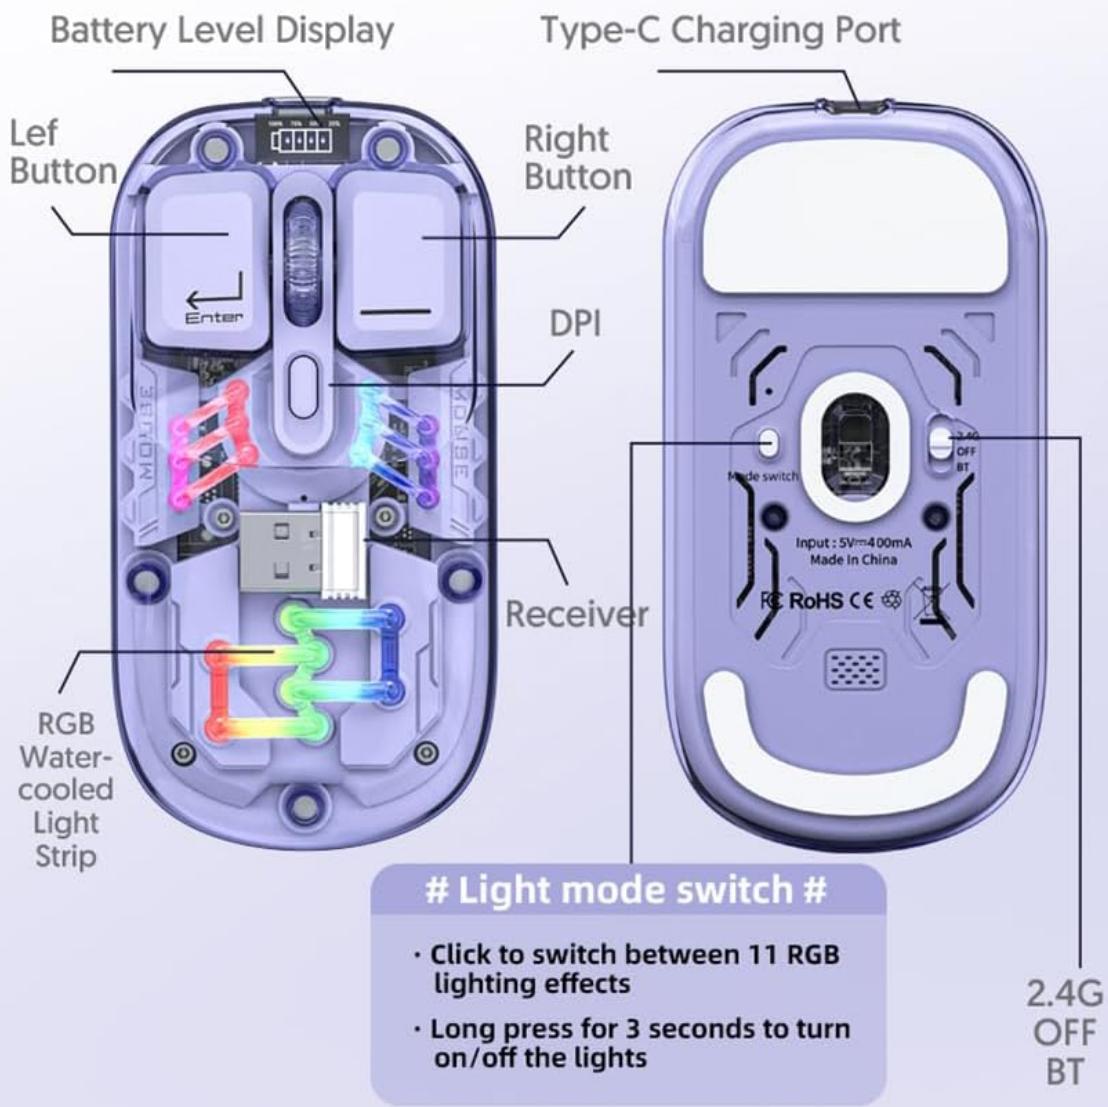

### Bluetooth (BT) Mode

1. Slide the mode switch on the bottom of the mouse to the "BT" position.
2. Press and hold the left, middle (scroll wheel), and right buttons simultaneously for 3 seconds to enter Bluetooth pairing mode. The mouse's lights may flash to indicate pairing mode.
3. On your device (computer, tablet, smartphone), open Bluetooth settings and search for new devices.
4. Select "BT5.0" from the list of available devices to pair.
5. Once paired, the mouse's lights will stabilize, and it will be ready for use.

**System Requirements for Bluetooth:** Windows 8, Windows 10, Android 5.0 and above, iOS 13 and above, macOS X 10.10 and above. Requires BT 4.0 or later BT adapter.

# Product Key Function

## Dual-mode Wireless Transparent Mouse

Press and hold the left, middle, and right buttons for 3 seconds to enter Bluetooth/2.4G pairing mode. After pairing can be used.

**Image:** A detailed diagram illustrating the key functions and connection points of the Docooler Transparent Wireless Mouse. It shows the left and right buttons, DPI button, Type-C charging port, receiver storage, RGB light strip, and the mode switch (2.4G/OFF/BT) on the bottom. Instructions for light mode switching and pairing are also visible.

## OPERATING INSTRUCTIONS

### DPI Adjustment

The mouse features three adjustable DPI levels: 800, 1200 (default), and 1600. To cycle through DPI settings, press the DPI button located on the top of the mouse, near the scroll wheel. Each press will switch to the next DPI level.

## RGB Lighting Control

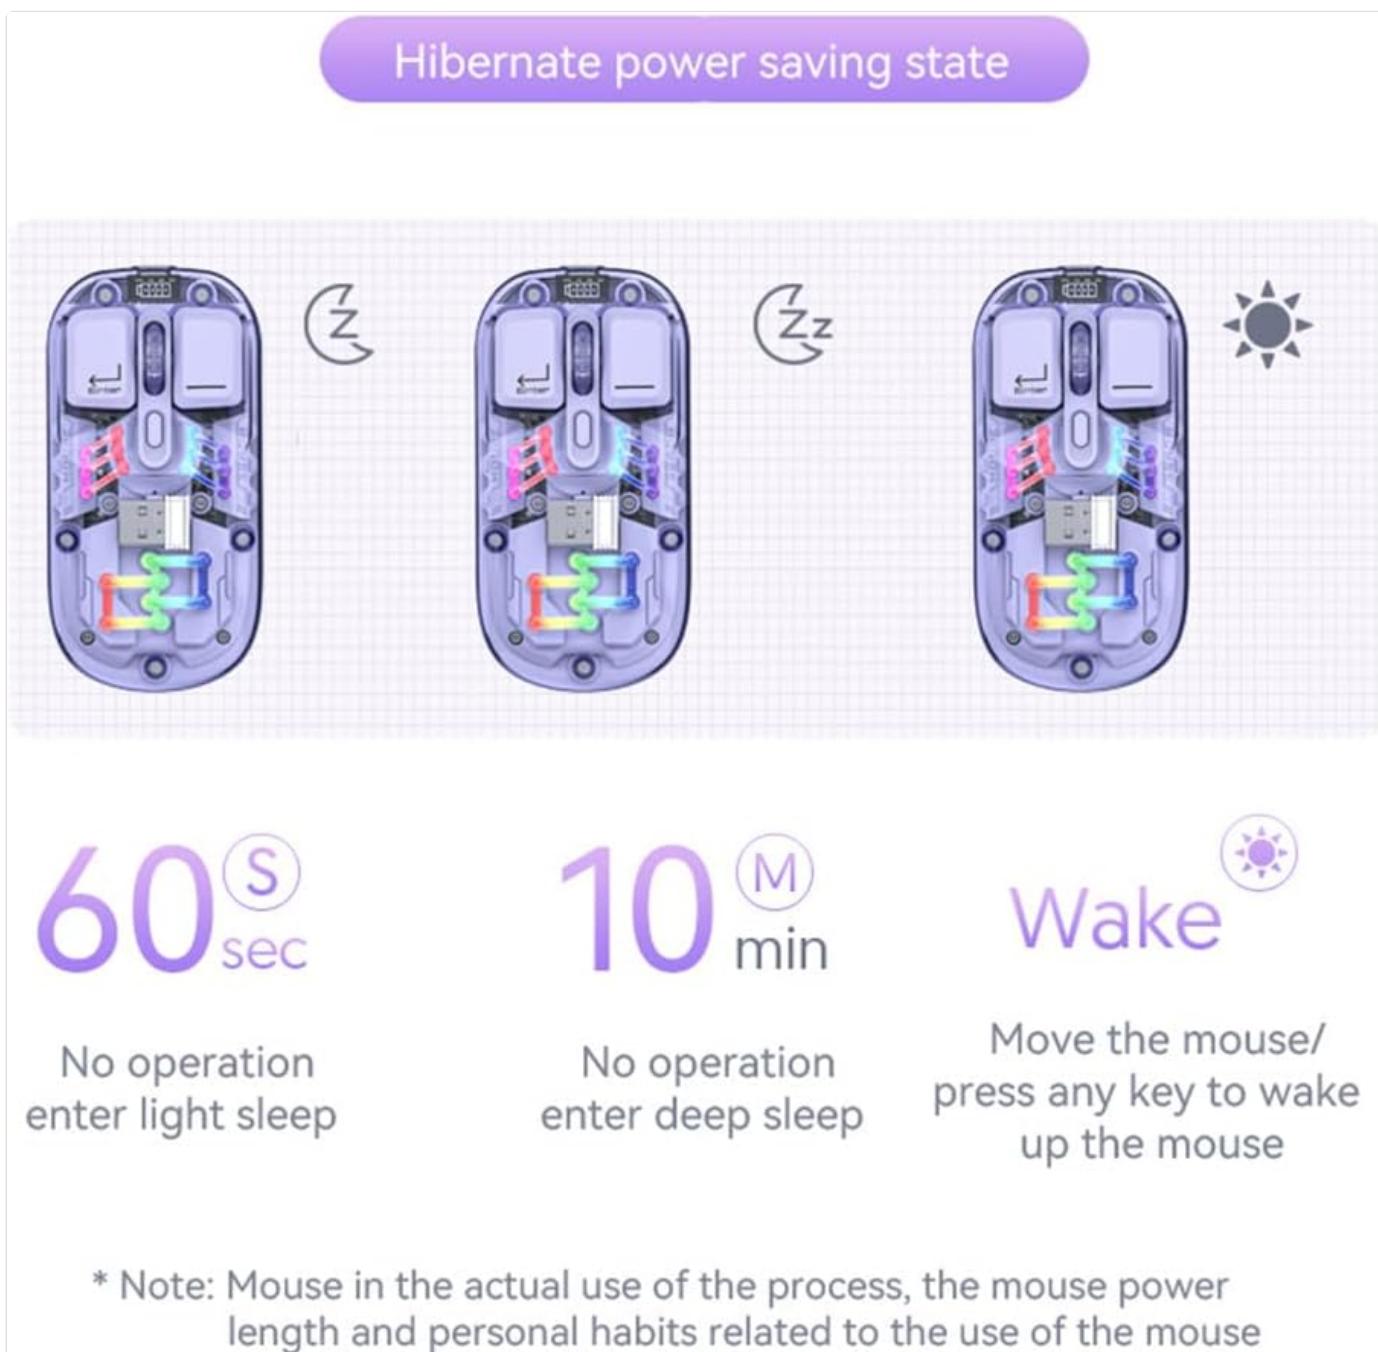

The mouse is equipped with RGB water-cooled lights. To control the lighting effects:

- **Switch Lighting Effects:** Click the dedicated light mode switch button (as indicated in the "Product Key Function" diagram) to cycle through 11 different RGB lighting effects.
- **Turn Lights On/Off:** Long press the light mode switch button for 3 seconds to turn the RGB lights on or off.

## Power Saving Mode

To conserve battery life, the mouse enters different sleep states when inactive:

- **Light Sleep:** After 60 seconds of no operation, the mouse enters a light sleep state.
- **Deep Sleep:** After 10 minutes of no operation, the mouse enters a deep sleep state.
- **Wake Up:** To wake the mouse from any sleep state, simply move the mouse or press any button.

**Image:** A visual representation of the Docooler Transparent Wireless Mouse's hibernate power saving states. It illustrates that the mouse enters light sleep after 60 seconds of inactivity, deep sleep after 10 minutes, and can be woken by moving the mouse or pressing any key.

## SPECIFICATIONS

Detailed technical specifications for the Docooler Transparent Wireless Dual-Mode Mouse:

Feature	Specification
Optional Colors	Purple, Yellow, White, Black, Pink
DPI Levels	800 / 1200 (default) / 1600
Charging Voltage/Current	DC 5V / ≤400mA
Battery Capacity	400mAh
Charging Mode	Type-C
Transmission Mode	Wireless 2.4G / Bluetooth (BT)
Bluetooth Version	5.0
Bluetooth Name	BT5.0
Working Voltage	3.3V - 4.2V
Working Current (Light On)	≤25mA
Working Current (Light Off)	≤8mA
Product Dimensions	113.5 x 58 x 25 ±2mm (4.47 x 2.28 x 0.1 inches)
Product Weight	Approx. 70g (including 2g receiver) / 2.47 ounces
Compatible OS (2.4G)	Windows XP/7/8/10+, Android 4.4+, iOS 13+, MacOS X 10.5+, Linux Kernel 2.6+, Chrome OS
Compatible OS (BT)	Windows 8/10, Android 5.0+, iOS 13+, macOS X 10.10+ (BT 4.0+ adapter required)

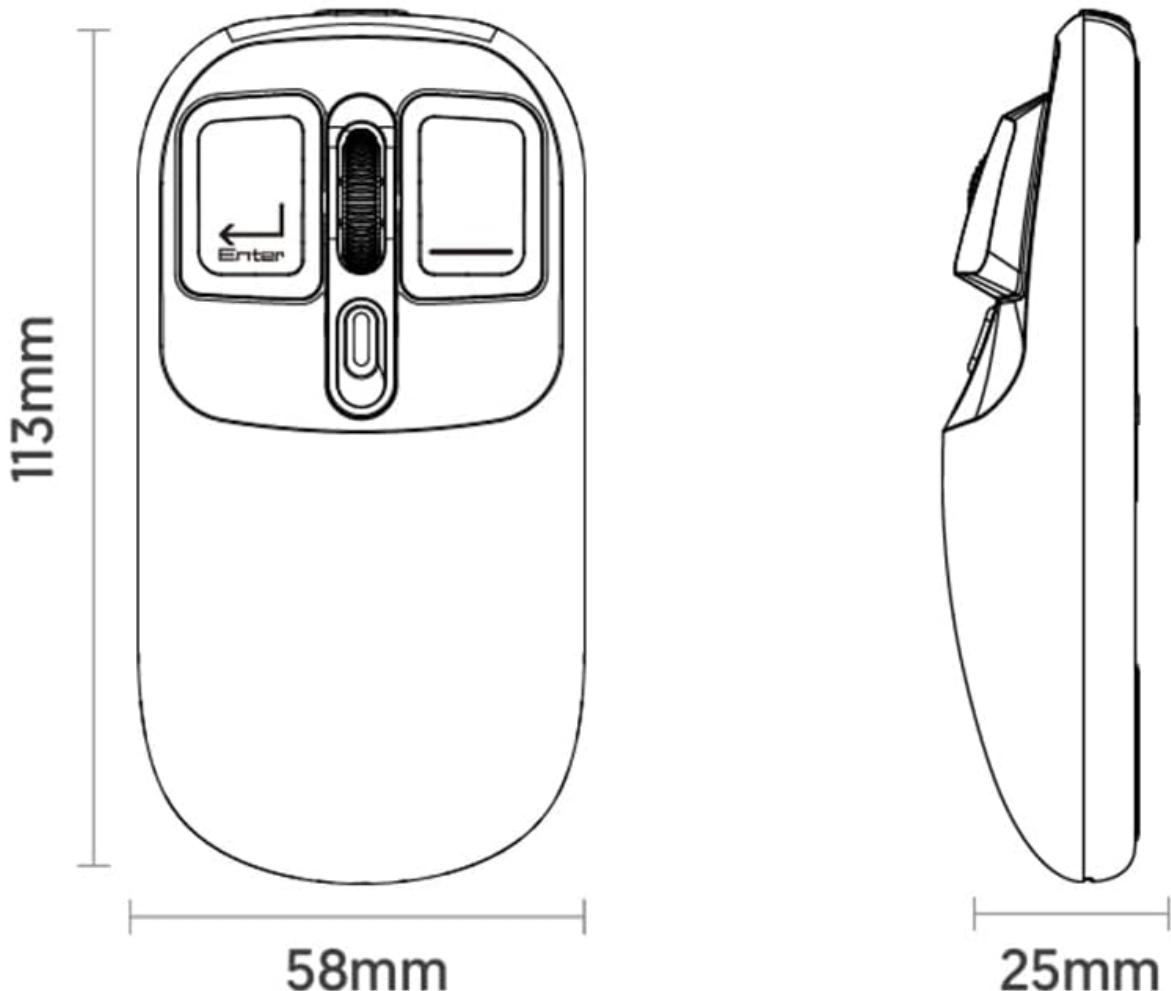

BT version	Connection Method
<b>5.0</b>	<b>2.4G+BT</b>
DPI	Mouse Size
<b>800-1200-1600</b>	<b>113x58x25mm</b>
Product Weight	Battery Capacity
<b>70±5g</b>	<b>400mAh</b>
Voltage And Current	System Support
<b>3.7V</b>	<b>Win/iOS/Android</b>
Colours	Versions
<b>Black/White/Purple/ Yellow/Pink</b>	<b>Dual-Mode Version</b>

\* The above data for a wide range of information, because the manufacturer will not be regularly upgraded and revised products, so the product parameters Shape details, packaging and accessories may be slightly changed, please prevail in kind, we ensure that the products sold for the original genuine!

## Product Size

**Image:** A technical drawing illustrating the precise dimensions of the Docooler Transparent Wireless Mouse, showing its length (113mm), width (58mm), and height (25mm).

## TROUBLESHOOTING

If you encounter issues with your Docooler Transparent Wireless Dual-Mode Mouse, please refer to the following common solutions:

- **Mouse not responding:**
  - Ensure the mouse is charged. Connect it to a power source using the Type-C cable.
  - Check the mode switch on the bottom of the mouse. Make sure it's set to the correct mode (2.4G or BT) for your connection.
  - For 2.4G mode, ensure the USB dongle is securely plugged into your computer's USB port. Try a different USB port.
  - For Bluetooth mode, ensure Bluetooth is enabled on your device and the mouse is paired. Try re-pairing the mouse (hold left, middle, right buttons for 3 seconds).

- Restart your computer/device.
- **Cursor movement is erratic or slow:**
  - Adjust the DPI setting by pressing the DPI button on the mouse.
  - Ensure the mouse is used on a clean, non-reflective surface.
  - Check for low battery. Charge the mouse if necessary.

- **RGB lights are off or not changing:**

- Long press the light mode switch button for 3 seconds to toggle the lights on/off.
- Click the light mode switch button to cycle through different lighting effects.
- Ensure the mouse has sufficient battery charge.

- **Bluetooth pairing fails:**

- Ensure your device's Bluetooth is enabled and discoverable.
- Make sure the mouse is in Bluetooth pairing mode (lights flashing after holding left, middle, right buttons).
- Check if your device meets the Bluetooth system requirements (BT 4.0 or later adapter).
- Remove any previous pairings of "BT5.0" from your device's Bluetooth list and try pairing again.

## MAINTENANCE

To ensure the longevity and optimal performance of your Docooler Transparent Wireless Dual-Mode Mouse, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the mouse surface. For stubborn dirt, slightly dampen the cloth with water. Avoid using harsh chemicals, abrasive cleaners, or solvents.
- **Storage:** When not in use for extended periods, store the mouse in a cool, dry place. Ensure the USB dongle is securely stored within the mouse's magnetic compartment.
- **Battery Care:** Avoid fully discharging the battery frequently. Charge the mouse regularly to maintain battery health. Do not expose the mouse to extreme temperatures.
- **Handling:** Avoid dropping the mouse or subjecting it to strong impacts, as this can damage internal components.

## WARRANTY AND SUPPORT

Docooler products are designed for reliability and performance. This product comes with a standard manufacturer's warranty against defects in materials and workmanship. For specific warranty terms and conditions, please refer to the warranty card included in your product packaging or visit the official Docooler website.

If you require technical support or have questions not covered in this manual, please contact Docooler customer service through the retailer where you purchased the product or via the contact information provided on the official Docooler website.
