COSYLAND Toddler Standing Tower - Instruction Manual

Model: CS00120-1-US

INTRODUCTION

The COSYLAND Toddler Standing Tower is designed to safely elevate your child to counter height, allowing them to participate in various household activities. This adjustable kitchen stool helper features a removable safety railing and is constructed from natural bamboo, ensuring both safety and durability. It is suitable for toddlers aged 18 months to 3 years old, or children with a height of 25 to 40 inches.

SAFETY GUIDELINES

Your child's safety is our top priority. The COSYLAND Toddler Kitchen Step Stool has been awarded the CPC certification (Children's Product Certificate) by the federal government, ensuring it meets stringent safety standards.

- **Removable Anti-Drop Railing:** Features a unique patented design (patent No: 008546345-0001) to prevent accidental falls. Always ensure the railing is securely in place when your child is using the tower, especially for younger children.
- **Anti-Tip Feet:** The support feet are designed to enhance stability and prevent the tower from tipping over.
- **Rounded Corners:** All corners are meticulously finished to prevent scratches and scuff marks, ensuring a child-safe environment.
- **Weight Limit:** The tower has a maximum weight limit of 150 pounds.
- **Supervision:** Always supervise your child while they are using the standing tower. Do not allow children to climb on the outside of the tower or use it unsupervised.

OPERATING INSTRUCTIONS

The COSYLAND Toddler Standing Tower is designed to integrate your child into daily household activities safely and comfortably.

- **Adjustable Height:** The platform offers three adjustable levels to accommodate children from 18 months to 3 years old (heights 25 to 40 inches). Adjust the platform height so your child can comfortably reach the counter while maintaining a secure standing position within the tower.
- **Access:** For younger children, use the removable anti-drop bar to secure them inside. As children grow and become more independent, the bar can be removed to allow them to climb in and out on their own.
- **Versatile Use:** Position the tower at kitchen counters for cooking, baking, or washing dishes. It can also be used in the bathroom for teeth brushing or hand washing, promoting independence.

MAINTENANCE

To ensure the longevity and safety of your COSYLAND Toddler Standing Tower, regular maintenance is recommended.

- **Cleaning:** Wipe down the bamboo surfaces with a damp cloth and mild soap as needed. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Storage:** Store the tower in a dry environment to prevent warping or damage to the bamboo.
