2. SAFETY INFORMATION

This product is designed for users aged 6 years and up. It contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly and play, especially for younger children.

- Keep all packaging materials away from children.
- Do not ingest any parts of the building blocks.
- Ensure all connections are secure to prevent parts from detaching during play.
- Store the set in a dry place away from direct sunlight and extreme temperatures.

3. WHAT'S IN THE BOX

Upon opening the package, verify that all components are present:

- 675 Building Block Pieces (various shapes and sizes)
- 1 x Instruction Manual

If any pieces are missing or damaged, please refer to the "Support" section for assistance.

4. ASSEMBLY INSTRUCTIONS

The Bibilock Island Storm Building Blocks Set is designed for intuitive assembly. Follow the detailed, step-by-step instructions provided in the included instruction manual. Organize your pieces by color and shape before beginning to facilitate the building process.

4.1. Preparation

- Clear a spacious, flat, and well-lit work area.
- Open all bags containing building blocks and sort them.
- Familiarize yourself with the instruction manual's symbols and piece identification.

4.2. Building the Island House and Ship

Proceed through the instruction manual page by page, carefully following the visual diagrams. Each step will guide you in connecting the blocks to form the Medieval Pirate's Island House and the accompanying Pirate Ship. Pay close attention to the orientation of pieces and the number of studs required for each connection.

5. OPERATION AND PLAY

Once assembled, the Bibilock Island Storm set provides a rich environment for imaginative play. The Pirate's Island

House and Ship can be used together to recreate pirate adventures, explore hidden treasures, or defend the island from invaders.

- Encourage storytelling and role-playing with the assembled models.
- The set is designed for display as well as play, making it a decorative piece for any room.
- The modular nature of building blocks allows for creative modifications and expansions if desired.

6. MAINTENANCE

Proper care will ensure the longevity of your building block set.

- **Cleaning:** To clean the blocks, wipe them gently with a damp cloth. For deeper cleaning, blocks can be hand-washed in lukewarm water with a mild soap. Rinse thoroughly and air dry completely before reassembling or storing. Do not use hot water, harsh chemicals, or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled blocks in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration.

- **Handling:** Handle the assembled model with care, especially when moving it, to prevent parts from detaching.

7. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Missing Pieces:** If you discover any missing pieces during assembly, double-check the packaging and all bags. If a piece is genuinely missing, please contact Bibilock customer support with details of the missing part (as identified in the instruction manual).
- **Difficulty Connecting Blocks:** Ensure that the blocks are correctly aligned and that you are applying even pressure. Some new blocks may require a bit more force initially.
- **Model Instability:** Review the assembly steps to ensure all connections are firm and correctly placed. Incorrectly oriented or loosely connected blocks can lead to instability.
- **Damaged Pieces:** If any pieces are damaged upon arrival, do not attempt to force them. Contact customer support for replacements.
