MERITLINE HJH-WF304146AAN-0524

MERITLINE Full Size Montessori Floor Bed with House-Shaped Headboard - Natural Full - User Manual

Model: HJH-WF304146AAN-0524

1. Introduction

Thank you for choosing the MERITLINE Full Size Montessori Floor Bed. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed. Please read these instructions carefully before assembly and retain them for future reference.

2. Safety Information

WARNING: Failure to follow these safety instructions could result in serious injury.

- This is a floor bed, which may pose a tripping hazard. Exercise caution when moving around the bed.
- Do not exceed the maximum weight capacity of 400 pounds.
- Children should be supervised at all times when using this bed frame.
- Ensure all screws and fasteners are securely tightened before use and periodically check for looseness.
- Keep small parts away from children during assembly to prevent choking hazards.
- Do not use power tools for assembly unless specifically instructed, as overtightening can damage the wood.
- Place the bed on a flat, level surface.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Bed Frame Components (Pine Wood+MDF)
- Wooden Slats (7 pieces)
- Assembly Hardware (screws, bolts, etc.)
- Assembly Tools (e.g., Allen wrench)
- Installation Manual (this document)

4. Setup (Assembly Instructions)

Assembly is required for this product. It is recommended to have two adults for assembly. Please follow the detailed instructions provided in the separate assembly guide included with your package. A general overview of the steps is provided below.

1. **Prepare the Area:** Clear a spacious, flat area for assembly. Lay out all components and hardware.
2. **Assemble the Base Frame:** Connect the side rails and end rails to form the rectangular base of the bed. Secure with the provided hardware.
3. **Attach the Headboard Frame:** Assemble the house-shaped headboard components and attach them to the base

frame.

4. **Install the Slats:** Place the wooden slats across the bed frame to support the mattress. Ensure they are evenly spaced.
5. **Final Tightening:** Once all parts are assembled, carefully tighten all screws and bolts. Do not overtighten.

5. Operating (Usage)

The MERITLINE Full Size Montessori Floor Bed is designed for use with a standard full-size mattress. No box spring is needed.

- **Mattress Placement:** Place your full-size mattress directly onto the wooden slats. The recommended mattress thickness is 6-8 inches.
- **Weight Capacity:** The bed has a maximum weight capacity of 400 lbs. Do not exceed this limit.
- **Montessori Design:** This floor bed promotes independence by allowing easy access for children. Ensure the surrounding area is clear of obstacles.

6. Maintenance

- **Cleaning:** Wipe the wood frame with a dry, soft cloth. For stubborn marks, use a slightly damp cloth and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically (e.g., every 3-6 months) check all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability.
- **Wood Care:** The bed features a natural pine finish. Avoid prolonged exposure to direct sunlight or extreme humidity to prevent warping or discoloration.
- **Product Care Instructions:** The product specifications state "Dry Clean Only". This typically refers to textile

components, but for the wood frame, follow the cleaning instructions above.

7. Troubleshooting

Problem	Possible Cause	Solution
Bed feels wobbly or unstable	Loose hardware; uneven floor surface.	Check and tighten all screws and bolts. Ensure the bed is on a flat, level surface.
Slats slide out of place	Slats not properly seated or secured.	Ensure slats are correctly positioned within the frame. If they continue to slide, consider adding non-slip pads or securing them with small screws (ensure screws do not protrude).
Missing parts during assembly	Packaging error.	Refer to the package contents list. Contact MERITLINE customer service with your purchase details.

8. Specifications

Brand	MERITLINE
Model Number	HJH-WF304146AAN-0524
Size	Full
Color	Natural
Material	Pine Wood + MDF
Overall Product Dimensions	78"L x 53.9"W x 46.7"H
Full Bed Dimensions	75" x 53.9"
Total Height	46.7"
Recommended Mattress Thickness	6-8"
Bed Weight Capacity	400 lbs
Assembly Required	Yes
Item Weight	28 lbs

UPC	196986003996
