

DICTAC BXF-01L

DICTAC 140x190cm LED Floating Bed Frame Instruction Manual

Model: BXF-01L

This manual provides detailed instructions for the assembly, operation, and maintenance of your DICTAC 140x190cm LED Floating Bed Frame. Please read carefully before beginning assembly and retain for future reference.

1. IMPORTANT SAFETY INFORMATION

- Ensure all components are present and undamaged before assembly. Do not proceed with assembly if any parts are missing or damaged.
- Keep children and pets away from the assembly area to prevent injury.
- Do not overtighten screws during assembly, as this may damage the frame. Tighten all fasteners securely but gently.
- Place the bed frame on a flat, stable surface during assembly.
- The maximum weight recommendation for this bed frame is 400 kg. Do not exceed this limit.
- This bed frame is designed for a mattress size of 140 x 190 cm. Using a different size mattress may compromise stability and safety.
- Regularly check all bolts and screws to ensure they remain tight.

2. PACKAGE CONTENTS

Please verify that all the following components are included in your package:

- Bed Frame Components (various metal parts)
- Metal Slatted Base
- LED Lighting Strip
- Remote Control for LED Lighting
- Power Adapter for LED Lighting
- Simple Assembly Tools (e.g., Allen wrench)
- Installation Manual (this document)

If any parts are missing or damaged, please contact DICTAC customer support immediately.

3. SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for a smooth and secure assembly. All parts are clearly numbered for easy identification.

3.1. Prepare the Area

1. Clear a spacious area for assembly.
2. Unpack all components and lay them out, matching them with the parts list in the separate installation guide.

3.2. Assemble the Main Frame

Connect the main frame components using the provided hardware. The frame features a stable triangular construction and hidden support legs for a floating appearance.

3.3. Install the Slatted Base

Place the metal slatted base onto the assembled frame. Ensure it is securely seated. The robust and durable slatted base provides excellent mattress support without the need for a box spring.

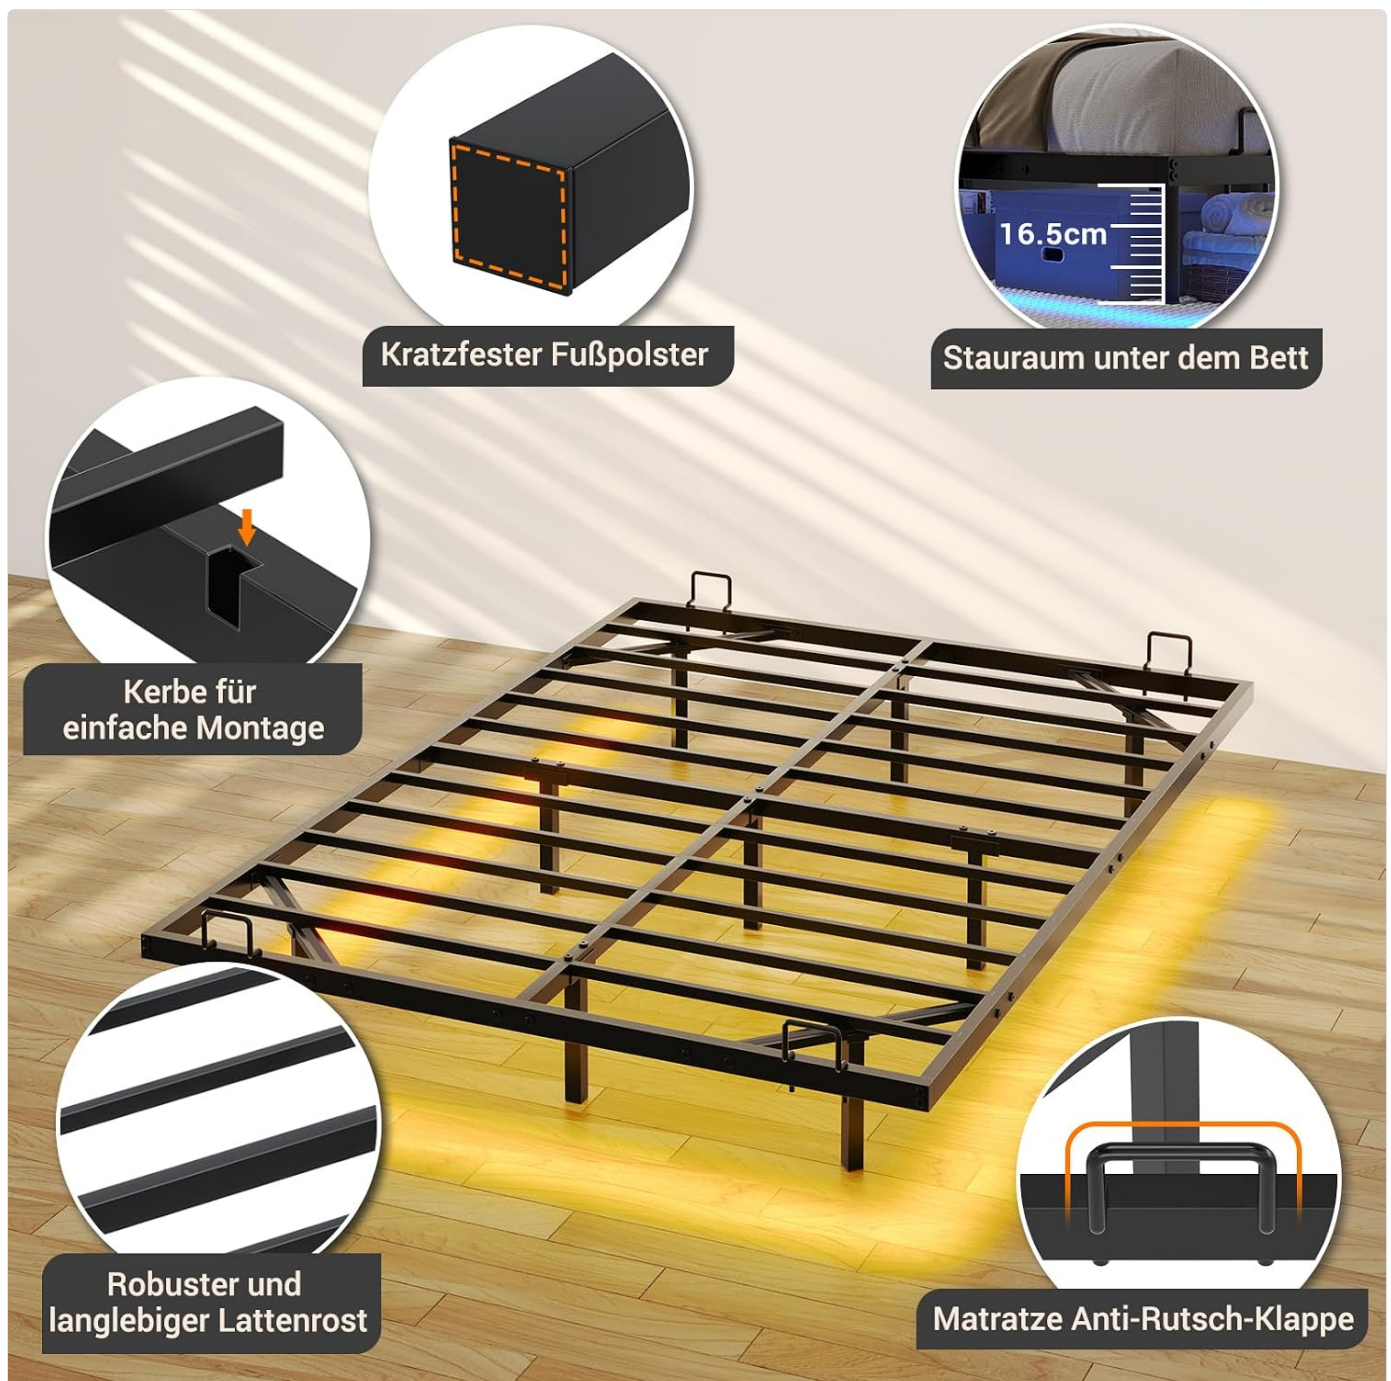

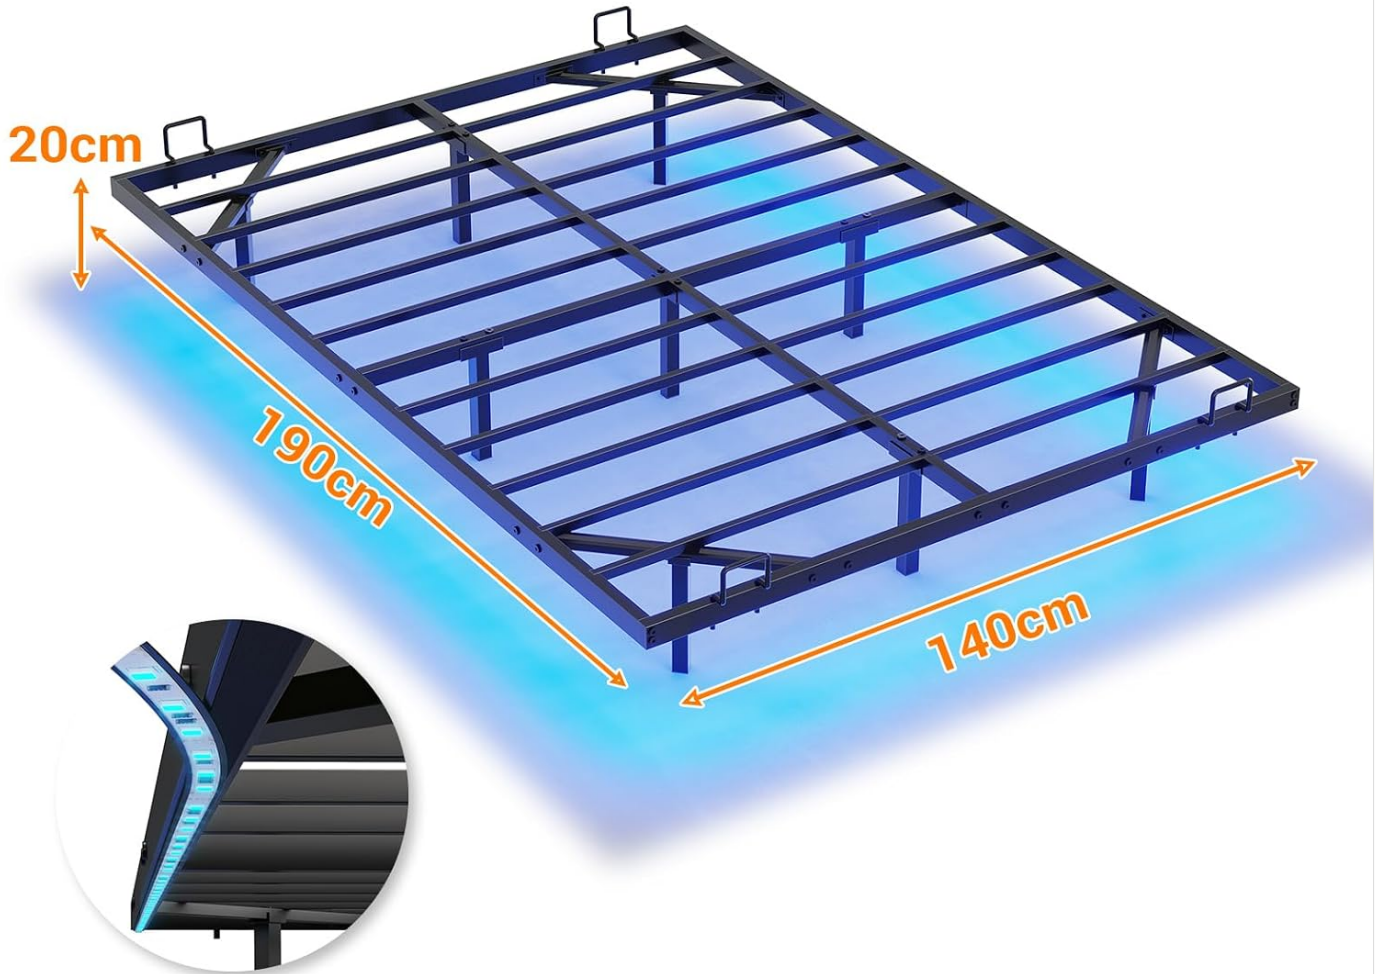

Image: Key features including the robust slatted base and mattress anti-slip flaps.

3.4. Attach LED Lighting

Carefully attach the LED lighting strip to the designated areas under the bed frame. Ensure the strip is firmly secured. Connect the power adapter and controller.

3.5. Place Mattress

Once the frame is fully assembled and stable, place your 140x190 cm mattress directly onto the slatted base. The integrated anti-slip flaps will help keep the mattress in place.

4. OPERATING INSTRUCTIONS (LED LIGHTING)

Your DICTAC bed frame features intelligent RGB LED lighting, controllable via a remote control or a dedicated smartphone application.

4.1. Using the Remote Control

Point the remote control towards the LED receiver. You can adjust:

- **Color:** Select from a wide range of colors.
- **Brightness:** Increase or decrease the light intensity.

- **Mode:** Choose from various dynamic lighting effects (e.g., flash, fade, strobe).
- **Timing Function:** Set a timer for the lights to turn off automatically.

4.2. Using the Smartphone App

Download the compatible app (refer to the LED lighting manual for app name and QR code). Pair your device with the LED lighting system via Bluetooth. The app offers advanced control options, including:

- Precise color selection from a color wheel.
- Customizable lighting scenes.
- Advanced timing and scheduling functions.
- **Music Synchronization:** The LED lights can change colors and patterns in sync with music played through your device's microphone or selected audio files.

5. MAINTENANCE

Proper maintenance will ensure the longevity and performance of your bed frame.

- **Cleaning the Frame:** Wipe the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning LED Strips:** Gently wipe the LED strips with a dry, soft cloth. Ensure the power is disconnected before cleaning.
- **Fastener Check:** Periodically (e.g., every 3-6 months) check all bolts and screws to ensure they are still tight. Retighten if necessary to maintain stability and prevent squeaking.
- **Mattress Rotation:** Rotate your mattress regularly according to its manufacturer's recommendations to ensure even wear and prolong its life.

6. TROUBLESHOOTING

If you encounter any issues with your DICTAC bed frame, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bed frame is unstable or wobbly.	Loose fasteners.	Check and tighten all bolts and screws. Ensure the bed is on a level surface.
Squeaking noises from the bed.	Loose connections or friction between metal parts.	Tighten all fasteners. Ensure foam strips are correctly placed. Apply a small amount of silicone lubricant to contact points if necessary.
LED lights are not turning on.	Power connection issue, faulty remote/app, or damaged LED strip.	Check if the power adapter is securely plugged into the wall outlet and the LED controller. Ensure the remote control has working batteries. Try controlling with the app if the remote fails, or vice-versa. Inspect the LED strip for visible damage.
LED lights are not responding to remote/app.	Interference, remote battery low, or pairing issue.	Ensure there are no obstructions between the remote and receiver. Replace remote batteries. Re-pair the app with the LED controller if necessary (refer to LED lighting manual).

7. SPECIFICATIONS

Feature	Detail
Model Number	BXF-01L
Brand	DICTAC
Size	140 x 190 cm
Material	Metal
Product Dimensions (L x W x H)	74.8" x 55.12" x 7.87" (190 cm x 140 cm x 20 cm)
Ground Clearance	16.5 cm
Item Weight	18.5 kg
Maximum Weight Recommendation	400 kg
Special Features	Floating design, RGB LED lighting, Metal slatted base, No box spring required, Squeak resistant, Easy assembly

Feature	Detail
Color	Black

8. WARRANTY INFORMATION

DICTAC products are manufactured to high-quality standards. For specific warranty details regarding your bed frame, please refer to the warranty card included with your purchase or visit the official DICTAC website. Please retain your proof of purchase for any warranty claims.

9. CUSTOMER SUPPORT

If you have any questions, require assistance with assembly, or need to report missing/damaged parts, please contact DICTAC customer support through the retailer where you purchased the product or via the contact information provided on the official DICTAC website.
