VERMESS VMS-C-ZDC-31-BK-US

VERMESS Folding Bed with 5-inch Memory Foam Mattress (75" x 31") - Instruction Manual

Model: VMS-C-ZDC-31-BK-US | Brand: VERMESS

1. Product Overview

The VERMESS Folding Bed is a portable and space-saving sleeping solution designed for comfort and convenience. It features a sturdy metal frame, a 5-inch memory foam mattress, and smooth-rolling, lockable wheels for easy mobility and storage. This bed is ideal for guest rooms, small apartments, or office naps.

2. Safety Information

Please read and understand all safety instructions before assembling and using the VERMESS Folding Bed. Failure to follow these instructions may result in injury or product damage.

- Always follow the assembly instructions carefully.
- Lock the wheels when the bed is in use to prevent accidental movement.
- Ensure the mattress is properly secured to the frame before use.

- Do not exceed the maximum weight capacity of the bed.
- Keep children and pets away from the bed during assembly and folding/unfolding operations.
- Avoid placing the bed near open flames or heat sources.

Image 2.1: A reminder to lock the foot brake on the wheels for personal safety before using the bed.

3. Package Contents

Verify that all components are present before beginning assembly:

- Folding Bed Frame (pre-assembled in two halves)
- 5-inch Memory Foam Mattress
- Dust Proof Cover

- Assembly Tools (e.g., wrench, Allen key)
- Screws and Fasteners (with extra pieces)
- User Guide (this manual)

4. Setup and Assembly

Assembly of the VERMESS Folding Bed typically takes approximately 15 minutes. Follow these steps carefully:

1. Unpack all components and lay them out on a clean, flat surface.
2. Identify the two halves of the bed frame.
3. Bolt one half of the bed leg first. Then align the holes in the other half and bolt it in place. Ensure all screws are tightened securely.
4. Once the frame is assembled, carefully unfold it to its full length.
5. Place the 5-inch memory foam mattress onto the bed frame. Secure it using the integrated Velcro straps to prevent sliding.
6. Ensure all wheels are properly attached and functional.

Image 4.2: Illustration of standard hole alignment for simple installation, contrasting with misaligned holes that can cause difficulty.

5. Operating Instructions

5.1 Unfolding the Bed

1. If stored folded, remove the dust-proof cover.
2. Release the metal hook or buckle that secures the folded halves.
3. Gently pull the two halves apart until the bed is fully extended and the legs are locked into place.
4. Ensure all support legs are firmly on the ground.

Video 5.1: Demonstration of unfolding the VERMESS Folding Bed from its compact storage state to a fully extended bed.

5.2 Folding the Bed for Storage

1. Remove any bedding or pillows from the mattress.
2. Unlock the wheels if they were engaged.
3. Locate the folding mechanism (often near the center) and carefully lift one end of the bed, allowing it to fold in half.
4. Secure the folded halves with the metal hook or buckle to prevent accidental unfolding.
5. Place the dust-proof cover over the folded bed for protection during storage.

Image 5.3: The VERMESS Folding Bed in its folded state, protected by the anti-dust cover, demonstrating its space-saving storage capability.

5.3 Moving the Bed

The bed is equipped with 360° movable wheels for easy transport. When moving the bed, ensure it is in its folded state for best maneuverability. Lock the wheels once the bed is in its desired location, whether folded or unfolded for use.

Image 5.4: Detail of the 360° movable and lockable wheels, designed for easy portability and secure placement.

6. Maintenance

- **Cleaning the Frame:** Wipe the metal frame with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners.
- **Mattress Care:** The mattress cover is removable and can be washed according to its care label. The memory foam and base support foam should not be washed. Air out the mattress periodically to maintain freshness.
- **Wheel Maintenance:** Periodically check the wheels for any obstructions or damage. Ensure they roll smoothly and the locking mechanism functions correctly.
- **Fastener Check:** Regularly inspect all bolts and fasteners to ensure they remain tight. Tighten if necessary.

7. Troubleshooting

If you encounter any issues with your VERMESS Folding Bed, please refer to the following common solutions:

- **Bed does not fold/unfold smoothly:** Check for any obstructions in the folding mechanism. Ensure the metal hook/buckle is fully disengaged/engaged.
- **Bed feels unstable:** Verify that all legs are fully extended and locked into position. Ensure all assembly bolts are securely tightened. Lock the wheels when the bed is in use.
- **Mattress slides:** Confirm that the Velcro straps are properly attached to both the mattress and the bed frame.
- **Wheels are difficult to move:** Check for debris caught in the wheels. Ensure the wheel locks are disengaged.

For issues not resolved by these steps, please contact customer support.
