

WamGra BQ12

WamGra BQ12 5-in-1 Cell Phone Stand User Manual

This manual provides comprehensive instructions for the setup, operation, maintenance, and troubleshooting of your WamGra BQ12 5-in-1 Cell Phone Stand.

1. PRODUCT OVERVIEW

The WamGra BQ12 is a versatile device designed to integrate multiple functionalities into a single, compact unit. It serves as a stable phone stand, delivers audio through its Bluetooth speaker, charges compatible devices wirelessly, and includes a digital clock with an alarm function.

The WamGra BQ12 device in its upright position, holding a smartphone horizontally while displaying a video. Musical notes emanate from the speaker, and the digital clock shows the time.

2. WHAT'S IN THE BOX

- Portable Bluetooth speaker cell phone stand x 1
- USB-C Cable x 1
- User Manual x 1
- Lifetime Customer Support (information)

3. SETUP

3.1 Power Connection

Connect the provided USB-C cable to the device's charging port located at the back. Plug the other end into a compatible USB power adapter (not included). The device will power on, and the digital display will activate.

Mini Size & Portable

You can take them anywhere

A close-up of the WamGra BQ12 device with the USB-C charging cable inserted into its port.

3.2 Adjusting the Stand

The phone stand features multiple adjustable hinges, allowing you to customize the viewing angle and height for optimal comfort. Gently pivot the stand components to achieve your desired position.

The WamGra BQ12 phone stand is shown in different configurations, demonstrating its adjustable arm and phone holder for various viewing angles.

3.3 Bluetooth Pairing

To connect your audio device via Bluetooth:

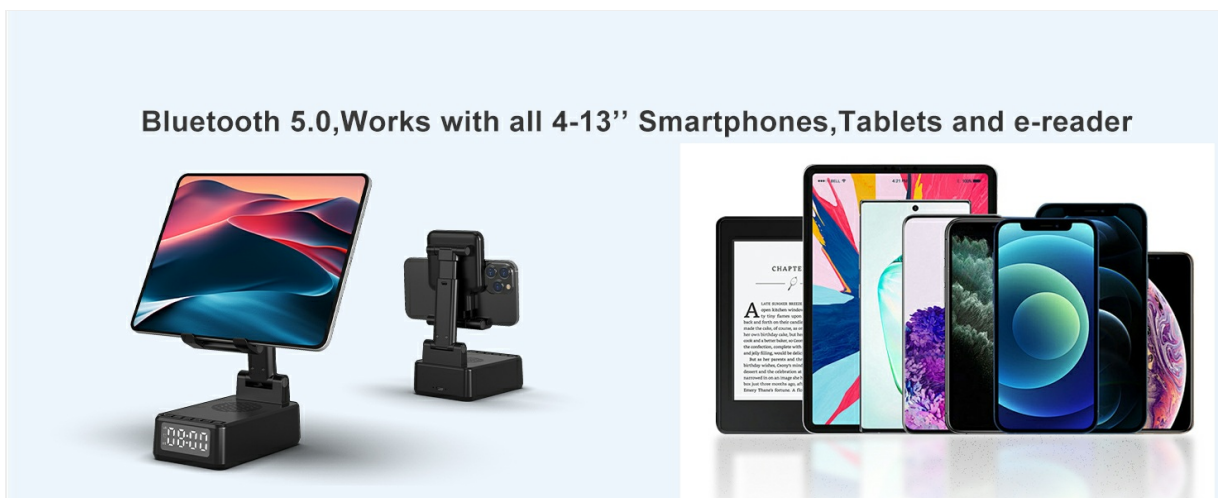

1. Press the power button (**U**) on the device to enter Bluetooth mode. The display will show "BT".
2. On your smartphone or tablet, navigate to Bluetooth settings.
3. Locate "BQ12" in the list of available devices and select it to pair.
4. A confirmation sound will indicate successful pairing.

This video tutorial illustrates the steps to pair a mobile device with the WamGra BQ12's Bluetooth speaker function, showing the device's display and phone settings.

4. OPERATING INSTRUCTIONS

4.1 Wireless Charging

Ensure the device is connected to power. Place your wireless charging-compatible smartphone directly onto the charging pad on the stand. The charging indicator on your phone will activate. The stand supports both vertical and horizontal phone placement for charging.

An image illustrating a smartphone being charged wirelessly on the WamGra BQ12 stand, demonstrating both vertical and horizontal orientations.

This video provides instructions on how to properly use the wireless charging feature of the WamGra BQ12, including placement and compatibility tips.

4.2 Bluetooth Speaker Function

Once paired via Bluetooth, audio from your connected device will play through the WamGra BQ12 speaker. Use the volume buttons (- and +) on the device or your connected phone to adjust the sound level.

A smartphone is shown positioned on the WamGra BQ12 stand, playing music through its integrated Bluetooth speaker, with musical notes visually representing the sound.

4.3 Setting the Clock

To set the time on the digital display:

1. Press the "TIME" button. The hour digits will begin to flash.
2. Use the "+" and "-" buttons to adjust the hour.

3. Press "TIME" again to move to minute adjustment.
4. Use the "+" and "-" buttons to adjust the minutes.
5. Press "TIME" a third time to confirm the setting.
6. To switch between 12-hour and 24-hour formats, long-press the "TIME" button.

This video demonstrates how to set the current time and switch between 12-hour and 24-hour display formats on the WamGra BQ12's integrated digital clock.

4.4 Setting the Alarm

To set an alarm:

1. Press the "SET" button. The alarm hour digits will flash.
2. Use the "+" and "-" buttons to adjust the alarm hour.
3. Press "SET" again to move to alarm minute adjustment.
4. Use the "+" and "-" buttons to adjust the alarm minutes.
5. Press "SET" a third time to confirm the alarm setting. An alarm icon will appear on the display.
6. To temporarily snooze the alarm, press any button except "SET" when the alarm sounds.
7. To turn off the alarm completely, long-press the "SET" button until the alarm icon disappears.

This video guide explains how to set and manage the alarm function on the WamGra BQ12 device, including setting the time, snoozing, and turning off the alarm.

5. MAINTENANCE

To maintain your WamGra BQ12, regularly wipe the device with a soft, dry cloth. Avoid using abrasive cleaners or solvents. Ensure the charging port and speaker grille are free from dust and debris. Do not immerse the device in water.

6. TROUBLESHOOTING

6.1 Wireless Charging Issues

- **Device not charging:** Ensure your phone is wireless charging compatible. Verify the WamGra BQ12 is connected to a power source. Remove any thick phone cases or metal objects that may interfere with charging. Ensure proper alignment of the phone on the charging pad.

This image provides a visual checklist for resolving common wireless charging problems, including

6.2 Bluetooth Connection Issues

- **Unable to pair:** Ensure the WamGra BQ12 is in Bluetooth pairing mode ("BT" displayed). Check that Bluetooth is enabled on your audio device. Move your device closer to the speaker.

6.3 Alarm/Clock Issues

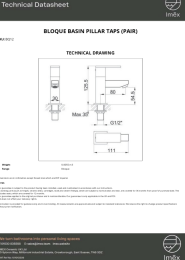

- **Clock not displaying correctly:** Re-set the time using the "TIME" button. Check for power interruptions.
- **Alarm not sounding:** Ensure the alarm is set and the alarm icon is visible on the display. Check the volume level.
