## JOSTART Air Ionizers

# JOSTART Air Ionizers for Home (3 Pack) - Instruction Manual

## INTRODUCTION

---

Thank you for choosing JOSTART Air Ionizers. This manual provides important information regarding the safe and effective use of your new negative ion air purifiers. These devices are designed to improve indoor air quality by emitting negative ions, which help to reduce airborne particles, odors, smoke, and dust without the need for filters. Please read this manual thoroughly before operating the product and retain it for future reference.

## IMPORTANT SAFETY INFORMATION

---

- Read all instructions before use.
- Do not disassemble or attempt to repair the device yourself. Contact qualified service personnel for repairs.
- Keep the device away from water or other liquids. Do not operate in wet environments.
- Ensure the power outlet matches the voltage requirements of the device.
- Do not block the air vents of the device.
- Unplug the device from the outlet before cleaning or when not in use for extended periods.
- Keep out of reach of children and pets.

## PRODUCT FEATURES

---

- **Small, Lightweight, and Quiet:** Designed for discreet and silent operation, ensuring no disturbance.
- **Plug-and-Play:** Easy to use with no complex installation required.
- **Negative Ion Generation:** Emits a large number of negative ions to purify the air.
- **Filterless Design:** An eco-friendly option that eliminates the need for filter replacements, reducing waste.

- **Odor Elimination:** Effectively adsorbs and neutralizes tiny impurities, odors, smoke, dust, and pet dander.
- **Low Power Consumption:** Energy-efficient for continuous operation.
- **Versatile Placement:** Suitable for various rooms including bedrooms, offices, kitchens, bathrooms, dining rooms, and living rooms.

## PACKAGE CONTENTS

---

- 3 x JOSTART Air Ionizers
- 1 x Instruction Manual

## SETUP

---

The JOSTART Air Ionizer is designed for effortless setup. Simply plug the device directly into a standard wall outlet in the desired location.

*The JOSTART Air Ionizer is designed for simple plug-and-play operation, fitting discreetly into standard wall outlets.*  
For optimal results, it is recommended to place at least one unit in each bedroom, bathroom, dining room,

living room, and kitchen. The device will begin purifying the air immediately upon being plugged in.

*This video provides a visual guide on how to easily set up the JOSTART Air Ionizer by simply plugging it into any standard wall outlet.*

## OPERATING INSTRUCTIONS

### How it Works

The JOSTART Air Ionizer functions by releasing a high concentration of negative ions into the air. These negative ions attach to airborne particles such as dust, pollen, smoke, and pet dander, making them heavier and causing them to fall out of the air. This process effectively cleanses the air, reducing allergens and odors.

*This image illustrates the core benefits of the JOSTART Air Ionizer, emphasizing its ease of use, quiet performance, and advanced negative ion technology for improved air quality.*

### Quiet Operation

The device operates at a very low noise level (below 20dB), ensuring it does not disrupt your sleep or daily activities. The blue indicator light confirms the unit is active.

**Work quietly without interruption (< 20dB)**

*Designed for silent operation, the air ionizer ensures a peaceful environment, making it ideal for bedrooms and other quiet spaces.*

### **Filterless Design and Odor Removal**

This air ionizer is designed to be filterless, eliminating the need for costly and frequent filter replacements. Its negative ion technology continuously works to remove odors and improve air freshness.

# Negative Ion Air Purifier

Simple operation, easy to start purification

Negative Ion Purification

Decompose formaldehyde

Second-hand smoke

Long-lasting freshness

Odour

*The air ionizer actively purifies the air by releasing negative ions, which bind to and neutralize airborne impurities and odors, creating a fresher indoor environment.*

## Negative ion purification removes odour

Delivering good air to you 24 hours a day,  
creating a healthy circle of protection indoors.

*The negative ion technology effectively removes odors, including those from pets, contributing to a cleaner and fresher home atmosphere.*

## Negative ion purification removes odour

Delivering good air to you 24 hours a day,  
creating a healthy circle of protection indoors.

*By continuously releasing negative ions, the device helps maintain a healthy and clean air quality for the entire family.*

# Applicable Scenarios

Meet the needs of bathroom, kitchen, bedroom, office and other scenes to remove formaldehyde and fresh air.

The compact and versatile design allows the air ionizer to be effectively used in various locations such as bathrooms, kitchens, bedrooms, and offices to improve air quality.

## MAINTENANCE

### Cleaning

The JOSTART Air Ionizer is a filterless device, which means there are no filters to replace. However, for optimal performance, it is recommended to regularly clean the negative ion emitter (often small brushes or pins) every 10-15 days. To clean, simply unplug the device and gently wipe away any accumulated dust or debris with a dry cloth or soft brush. Ensure the device is completely dry before plugging it back in.

## TROUBLESHOOTING

- **Device not turning on:** Ensure the unit is firmly plugged into a working electrical outlet. Check if the outlet has power by plugging in another device.
- **No noticeable air purification:** Allow the device sufficient time to operate. Air purification effects may become more noticeable over time, especially in larger spaces. Ensure the device is placed in an open area and not obstructed.
- **Buzzing sound:** A very faint buzzing sound is normal for some ionizers as they generate negative

ions. If the sound is unusually loud or disruptive, ensure the device is clean and properly plugged in. If the issue persists, contact customer support.

## SPECIFICATIONS

---

Feature	Detail
Product Dimensions	1.75 x 4 x 2.5 inches
Item Model Number	Air Ionizers
Manufacturer	JOSTART
ASIN	B0D54RSQLS
Color	White
Power Source	AC
Item Weight	8.16 ounces

## WARRANTY AND SUPPORT

---
