ELOMBR Outdoor Storage Shed

ELOMBR 12x10 FT Outdoor Storage Shed Instruction Manual

Model: Outdoor Storage Shed

Important Safety Information

Caution: Assembly required. Use proper safety equipment when handling metal components. Follow assembly instructions carefully to ensure structural stability. Do not exceed weight capacity of shelving or structure.
Always ensure the shed is anchored securely to the ground to prevent tipping in high winds.

Product Overview

The ELOMBR 12x10 FT Outdoor Storage Shed is designed to provide a spacious and secure solution for your outdoor storage needs. Featuring a gable-styled roof and extra tall 65.8-inch walls, it offers ample headroom and storage capacity for items such as lawnmowers, trash bins, bicycles, power tools, and hoses. Its durable construction with galvanized steel reinforcement ensures rustproof, UV-resistant, and moisture-proof performance, maintaining a neat and tidy appearance for your backyard, basement, or garage.

Specifications

Feature	Detail
Brand	ELOMBR
Color	Brown
Material	Alloy Steel
Product Dimensions (D x W x H)	122.83"D x 122.83"W x 79.53"H
Item Weight	251.26 Pounds
Style	Metal Garden Shed

Water Resistance Level	Waterproof
Door Style	Sliding Doors
UV Protection	Yes
Assembly Required	Yes
Door Width	39.76 Inches
Door Height	62.99 Inches
UPC	786290676308

Provides a clear visual representation of the shed's external dimensions, useful for planning placement and understanding its footprint.

Setup and Assembly

The ELOMBR Outdoor Storage Shed is designed for straightforward assembly. All necessary accessories and instructions are packed in boxes, and all parts are pre-numbered to simplify the process. No prior experience is needed to complete the assembly.

- **Preparation:** Ensure you have adequate space for assembly. It is recommended to have at least two people for the assembly process to ensure safety and efficiency.
- **Tools Required:** An electric screwdriver is highly recommended to expedite the assembly of numerous screws. Gloves should be worn to protect hands when handling metal components.
- **Foundation:** A level and stable foundation is crucial for the shed's stability and longevity. Consider a concrete slab or a treated timber base.
- **Step-by-Step Instructions:** Follow the detailed, pre-numbered instructions provided in the packaging. Pay close attention to the orientation of panels and the secure fastening of all bolts and screws.
- **Anchoring:** Once assembled, securely anchor the shed to the ground using appropriate expansion screws or other anchoring methods suitable for your foundation to prevent movement or tipping in adverse weather conditions.

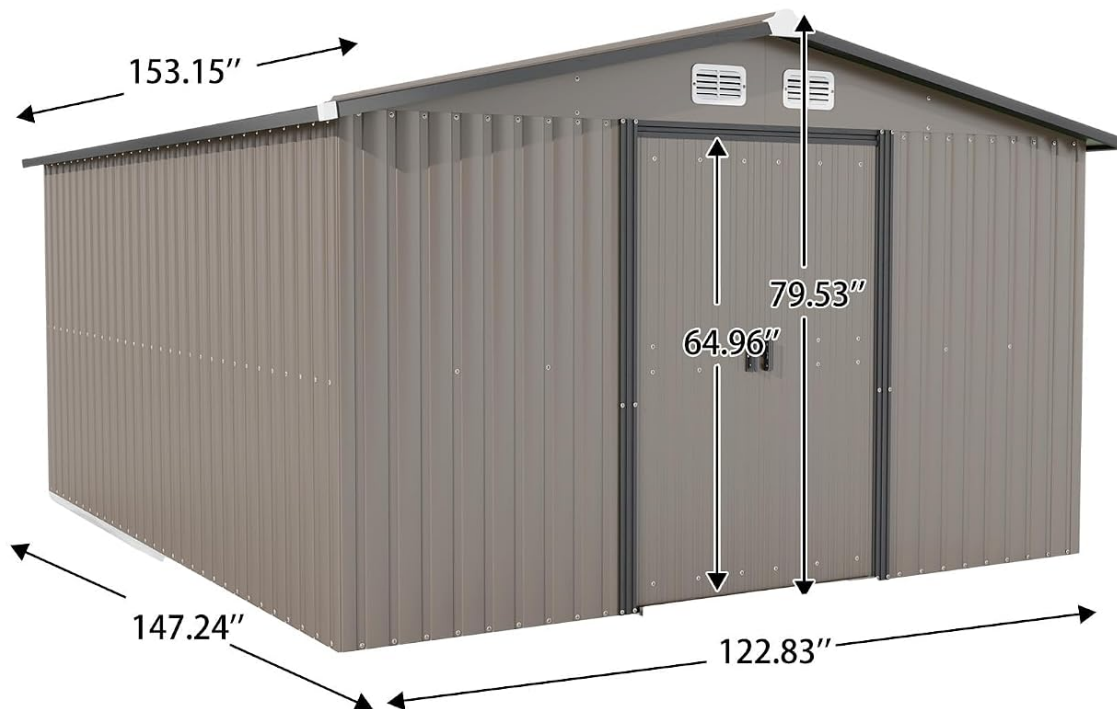

Highlights key recommendations for assembly, such as requiring two people, using an electric screwdriver, and the inclusion of necessary hardware like expansion screws.

Operating Instructions

The ELOMBR Outdoor Storage Shed is designed for ease of use and security.

- **Sliding Doors:** The shed features two smooth-gliding sliding doors for easy access. Ensure the track is kept clear of debris to maintain optimal operation.
- **Lockable Access:** The doors are designed to be lockable, providing concealed and secure storage for your items. A lock is included for immediate use. Always secure the shed when not in use to protect your belongings.
- **Air Vents:** Four strategically placed air vents improve air circulation within the shed, helping to preserve the condition of stored tools and reduce moisture buildup and odors. Ensure these vents remain unobstructed.
- **Weather Protection:** The sloped roof design efficiently prevents water leakage or accumulation from intense rain or snow, directing water away from the structure.

Details the shed's weather-resistant features, including the sloped roof for water runoff, integrated air vents for circulation, and the secure lockable sliding door.

Maintenance

Regular maintenance will extend the life and appearance of your ELOMBR Outdoor Storage Shed.

- **Cleaning:** Periodically clean the exterior of the shed with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the galvanized steel finish. Rinse thoroughly.
- **Rust Prevention:** Although the shed is rustproof, inspect for any signs of rust, especially in areas where the coating might be scratched or damaged. Touch up any affected areas with rust-inhibiting paint if necessary.
- **Ventilation:** Ensure the air vents remain clear of obstructions (e.g., leaves, debris) to maintain proper air circulation and prevent moisture buildup.
- **Door Tracks:** Keep the sliding door tracks clean and free of dirt or debris to ensure smooth operation. Lubricate with a silicone-based spray if needed.
- **Structural Integrity:** Annually check all bolts and screws for tightness and re-tighten if necessary to maintain the shed's structural stability.

Troubleshooting

Here are solutions to common issues you might encounter:

Problem	Possible Cause / Solution
Water accumulation on roof	The sloped roof is designed for efficient water runoff. Ensure the shed is level and that gutters (if installed) are clear.
Doors sticking or difficult to slide	Check door tracks for debris (dirt, leaves, small stones). Clean thoroughly and apply a silicone lubricant if necessary. Ensure the shed is level.
Shed feels unstable or wobbly	Verify that all assembly bolts and screws are securely tightened. Ensure the shed is placed on a firm, level foundation and is properly anchored to the ground.
Moisture or condensation inside	Ensure air vents are clear and unobstructed to allow for proper air circulation. Avoid storing wet items inside. Consider using moisture absorbers if humidity is consistently high.
Damage to walls from stored items	Avoid leaning heavy or sharp objects directly against the shed walls. Utilize shelving units or hooks (like the included storage hook) to organize items and distribute weight.

Warranty and Support

ELOMBR stands behind the quality of its products. This outdoor storage shed comes with a **12-month warranty** from the date of purchase, covering manufacturing defects. Additionally, we offer a **30-day return or replacement policy**. For any questions regarding assembly, missing parts, or product performance, please do not hesitate to contact ELOMBR customer support. We are dedicated to resolving your concerns promptly, typically within 24 hours. Please refer to your purchase documentation or the ELOMBR official website for specific contact information.

Versatile Applications

Beyond its primary function as a garden tool shed, the ELOMBR 12x10 FT Outdoor Storage Shed can be adapted for various uses, enhancing the functionality of your outdoor space.

- **Pet House:** Provides a safer and warmer room for your pets, offering shelter from the elements.
- **Garbage Collection Room:** Keeps unsightly garbage bins out of view, maintaining a tidy backyard.
- **General Storage:** Ideal for organizing any outdoor items, from seasonal decorations to sports equipment.

- **Small Greenhouse:** With proper modifications, it can serve as a protective space for plants.
