DREAMEALTHY VS9902

DREAMEALTHY Electric Vacuum Coffee Canister (Model VS9902) - 1.5L Instruction Manual

Brand: DREAMEALTHY | Model: VS9902

1. INTRODUCTION

The DREAMEALTHY Electric Vacuum Coffee Canister is designed to extend the freshness of your dried foods and other perishables. Featuring a patented pump-integrated design, it automatically monitors and removes air to create an optimal storage environment. Made from durable, BPA-free Tritan material, this 1.5L container offers a reliable solution for preserving flavor and reducing food waste.

2. PRODUCT FEATURES

- **Automatic Pressure Monitoring & Vacuum Seal:** The patented pump-integrated design continuously monitors internal pressure and automatically initiates vacuum sealing to remove CO₂, O₂, and H₂O, preserving freshness with a single press.
- **Extended Freshness:** Keeps dried foods like coffee beans, spices, and dried fruits fresh for over a year. Extends the freshness of other foods by more than 5 times compared to standard containers.
- **Durable & Safe Construction:** Constructed from 1.7x thicker Tritan material, ensuring excellent transparency, safety, and durability. It is 100% BPA-free, shatter-resistant, and safe for fridge, freezer, and dishwasher (container only, without the pump).
- **Effortless & Stackable Storage:** Features a one-press vacuum seal and a simple lift-to-open mechanism. The container is moisture-proof, anti-oxidation, crush-resistant, and odor-proof, ideal for various dried goods. Its compact, stackable design saves space.
- **Included Components:** Each set includes one 1.5L vacuum container, one vacuum sealer pump, two reusable glue-free vacuum seal bags, spare parts, and accessories.

- **Environmental Benefits:** Designed for reusability, helping to reduce food waste and the need for single-use plastic bags.

3. SETUP

3.1 Unboxing and Initial Inspection

Upon receiving your DREAMEALTHY Electric Vacuum Coffee Canister, carefully unbox all components. Verify that the following items are included:

- 1.5L Vacuum Container (1)
- Vacuum Sealer Pump (1)
- Reusable Glue-Free Vacuum Seal Bags (2)
- Extra Suction Nozzle (1)
- Spare Pump Rings (2)
- Spare Lid Ring (2)
- Charging Cable (1)

- Zipper Bag Slider (1)

Image 3: Overview of all items included in the DREAMEALTHY vacuum canister set.

3.2 Initial Cleaning

Before first use, wash the Tritan container in the dishwasher or by hand with mild soap and water. The vacuum pump and lid should be wiped clean with a damp cloth; do not submerge them in water.

3.3 Charging the Pump

Connect the provided USB charging cable to the vacuum pump and a suitable power source. Ensure the pump is fully charged before initial use to maximize performance. A full charge typically takes 3.5 hours and provides approximately 140 vacuums.

4. OPERATING INSTRUCTIONS

4.1 Vacuum Sealing the Canister

1. Place your desired food item into the Tritan container. Ensure the container rim is clean and free of debris to allow for a proper seal.
2. Align the vacuum pump with the opening on the lid.
3. Press the lever end of the pump until you hear a click. The pump will automatically start to vacuum.
4. The pump will stop automatically once the desired vacuum level is achieved.

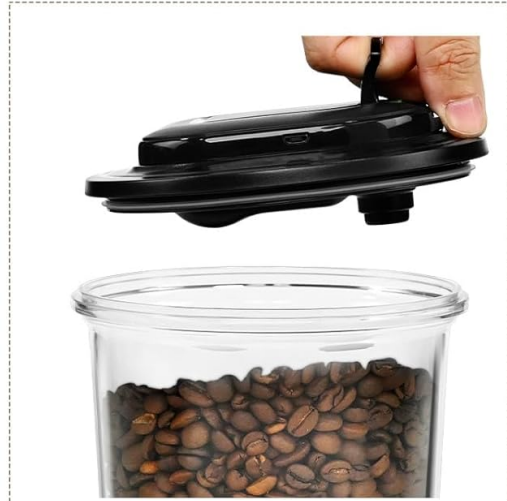

VAC SEAL & GO, EASY TO USE

Seal in **15s** for 1L

**One Press for
Auto Vacuum**

Open in **2s**

**One Pull to
Release & Open**

Per charge
140 vacuums

Full charge Time
3.5 hours

Standby Time
6 months

4.2 Opening the Canister and Releasing Vacuum

1. To release the vacuum, simply pull the ring on the lid upwards. You will hear a hiss as air enters the container.
2. Once the air is released, the lid can be easily lifted off.

Method 1 For Vacuum Canister, Insert and Press

Method 2 For Vacuum Zipper Bags

STEP 1

First, align the straight edge, and insert

STEP 2

Second, press the lever end until you hear a click, and the pump starts to work.

STEP 1

First, insert the extra suction nozzle

STEP 2

Second, Press the green button inward to vacuum

Image 5: Shows how to release the vacuum by pulling the ring on the lid.

4.3 Using with Vacuum Zipper Bags

The included vacuum sealer pump can also be used with the reusable zipper bags:

1. Place food into the vacuum zipper bag and seal the zipper.
2. Attach the extra suction nozzle to the vacuum pump.
3. Place the nozzle over the air valve on the zipper bag and press the green button inward to start vacuuming.
4. The pump will stop automatically when the bag is sealed.

ONE PUMP FOR ALL

Fit Most Vacuum Zipper Bags

Image 6: The vacuum pump is versatile and can be used with vacuum zipper bags for various food items.

4.4 Date Marking

The lid features a date marker to help you keep track of when items were sealed. Rotate the dials on the lid to set the month and day of sealing.

5. MAINTENANCE

5.1 Cleaning the Canister

The Tritan container is dishwasher safe. Remove the lid and any internal components before placing the container in the dishwasher. For manual cleaning, use mild soap and water.

5.2 Cleaning the Lid and Pump

The lid and vacuum pump are not dishwasher safe. Wipe them clean with a damp cloth. Do not submerge the pump or lid in water to prevent damage to electronic components.

5.3 Recharging the Pump

Recharge the vacuum pump every 3 to 4 months, or as needed, to ensure optimal performance and

consistent vacuum sealing. Use the provided USB-C charging cable.

6. TROUBLESHOOTING

- **Canister not holding a seal:** Ensure the rim of the container and the silicone gasket on the lid are completely clean and dry. Even small crumbs or moisture can prevent a proper seal. Check for any visible damage to the gasket.
- **Pump not activating:** Ensure the vacuum pump is fully charged. If the battery is low, it may not operate.
- **Difficulty opening the lid:** If the vacuum is too strong, ensure you have properly released the air by pulling the ring on the lid upwards until the hiss stops.

7. SPECIFICATIONS

Feature	Detail
Brand	DREAMEALTHY
Model Number	VS9902
Capacity	1.5 Liters
Material	Food Grade Tritan Plastic
Material Features	BPA Free, Dishwasher Safe (container), Freezer Safe, Reusable, Shatterproof
Special Features	Automatic Pressure Monitoring & Vacuuming, Leak Resistant, Stackable
Color	Black
Item Weight	1.41 pounds (0.64 Kilograms)
Is Microwaveable	No

8. WARRANTY AND SUPPORT

For warranty information or product support, please refer to the documentation included with your purchase or contact DREAMEALTHY customer service directly. Contact details can typically be found on the product packaging or the official DREAMEALTHY website.
