MECCANIXITY QC Passed Stickers User Manual

Model: mea240422ee000959

1. INTRODUCTION

This manual provides instructions for the proper use and care of MECCANIXITY QC Passed Stickers. These transparent, oval-shaped adhesive labels are designed for quality control and inventory management in various settings, including warehouses and manufacturing facilities. They are suitable for marking items that have successfully passed inspection.

2. PRODUCT OVERVIEW

The MECCANIXITY QC Passed Stickers are self-adhesive labels featuring clear "Q.C. PASSED" printing. They are designed for durability and strong adhesion to a variety of surfaces.

- **Quantity:** 12 sheets, with 180 stickers per sheet, totaling 2160 labels.
- **Label Dimensions:** 13mm x 9mm (0.5 x 0.4 inches).
- **Shape:** Oval.
- **Color:** Transparent with black printing.
- **Material:** Self-adhesive, scuff and scratch resistant.

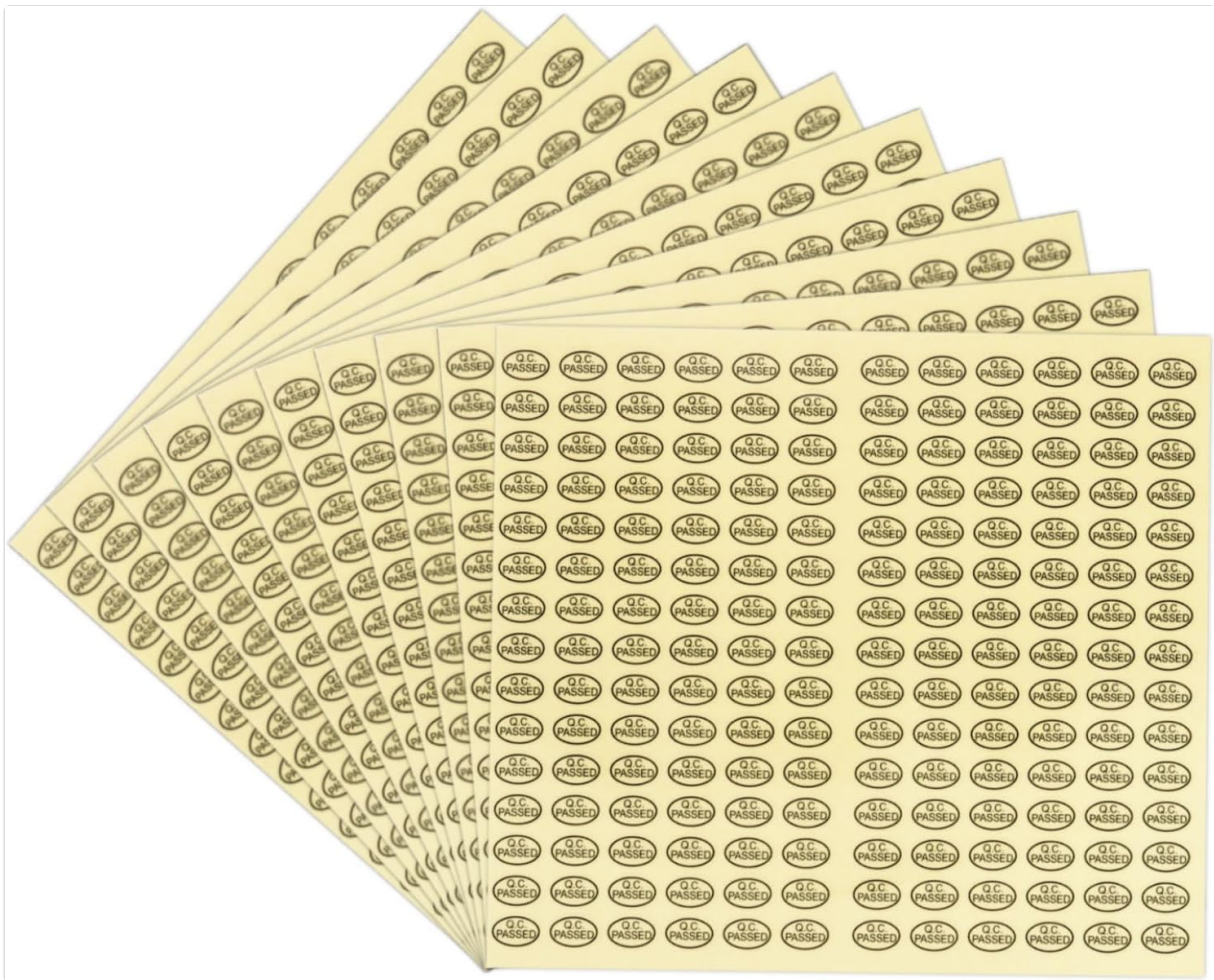

Image: A stack of 12 sheets, each containing numerous transparent oval stickers marked "Q.C. PASSED".

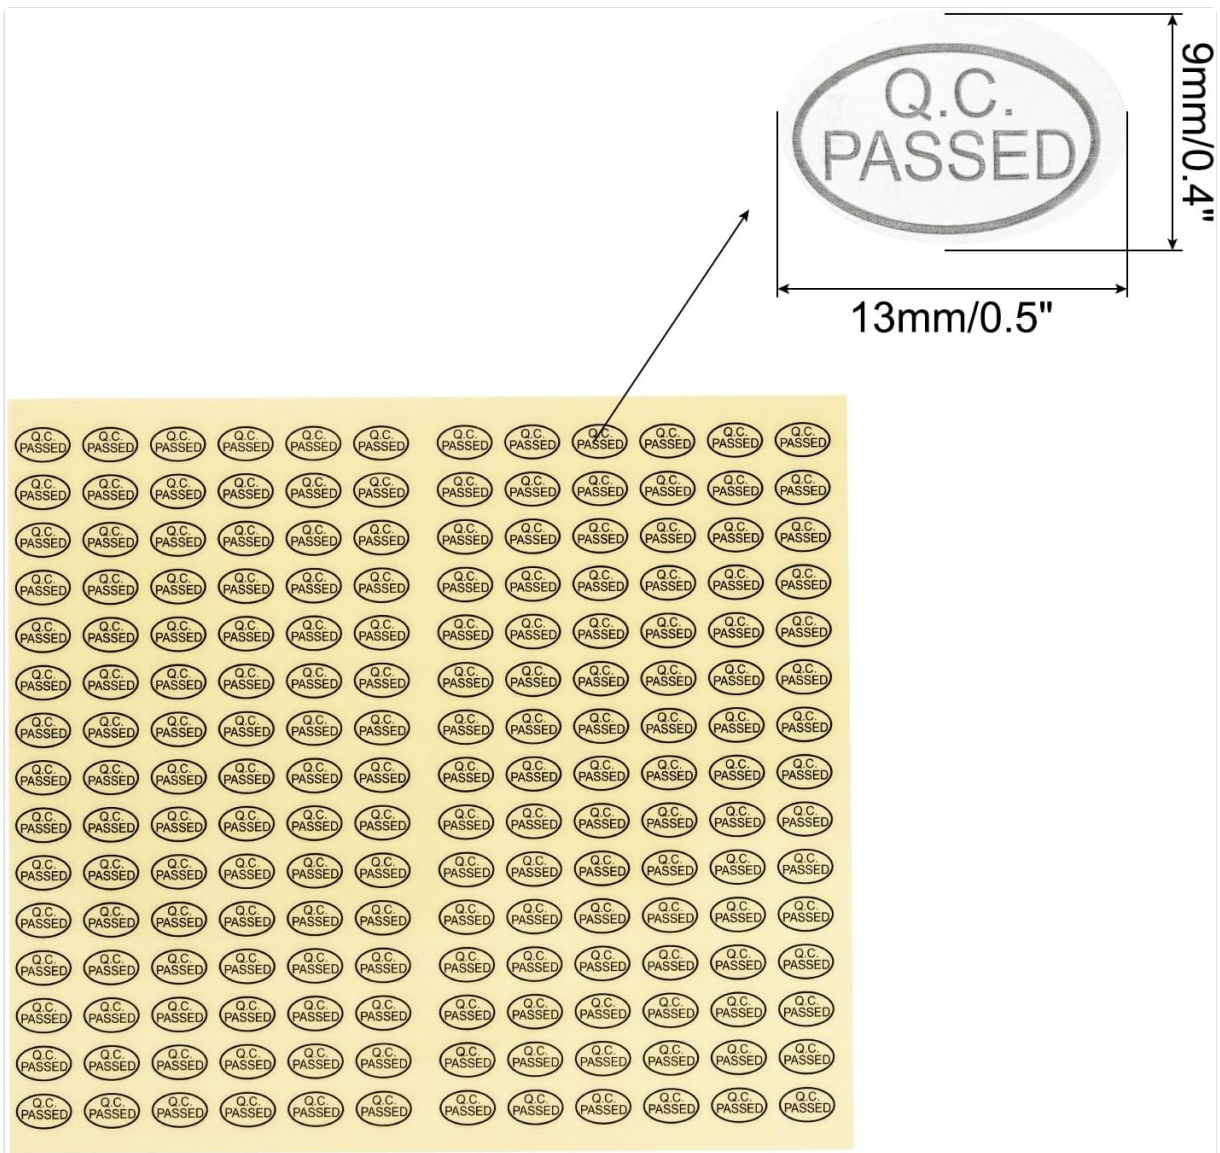

Image: A detailed view of a single oval "Q.C. PASSED" sticker, showing its dimensions of 13mm (0.5 inches) in width and 9mm (0.4 inches) in height.

3. USAGE INSTRUCTIONS

3.1. Preparation

1. Ensure the surface where the sticker will be applied is clean, dry, and free from dust, grease, or other contaminants.
2. Select the desired item for marking.

3.2. Application

1. Carefully peel a single QC Passed sticker from its sheet.
2. Position the sticker on the chosen surface.
3. Press firmly on the sticker, working from the center outwards, to ensure full adhesion and remove any air bubbles.
4. Verify that the sticker is securely attached.

Scuff Scratch Resistant

Self Adhesive Material

Image: A person's finger gently pressing an oval "Q.C. PASSED" sticker onto a surface, demonstrating the application process.

Great for pasting on any surface of package, corrugated cartons, papers, boxes, glass, plastic, shrink wrap, etc

Image: Several cardboard boxes, some held by a person, with green "Q.C. PASSED" stickers clearly visible on their surfaces, indicating successful application.

Corrugated Cartons

Image: A close-up showing a "Q.C. PASSED" sticker applied to a corrugated cardboard carton, illustrating its use on common packaging materials.

4. STORAGE AND CARE

- Store the sticker sheets in a cool, dry place away from direct sunlight and extreme temperatures.
- Keep the sheets flat to prevent curling or damage to the adhesive.
- Avoid exposing the stickers to excessive moisture or humidity.

5. TROUBLESHOOTING

5.1. Sticker Not Adhering Properly

- **Issue:** Sticker peels off or does not stick firmly.
- **Solution:**
 - Ensure the application surface is clean and dry before applying.
 - Apply firm, even pressure across the entire sticker during application.
 - Avoid applying to heavily textured, dusty, or oily surfaces.
 - Check if the sticker's adhesive side has been contaminated by touch or debris.

5.2. Printing Fades or Scratches

- **Issue:** The "Q.C. PASSED" text becomes unclear.
- **Solution:** While the stickers are designed to be scuff and scratch resistant, excessive abrasion or exposure to harsh chemicals can affect the print. Ensure proper storage and avoid rubbing the sticker aggressively after application.

6. SPECIFICATIONS

Feature	Detail
Brand	MECCANIXITY
Model Number	mea240422ee000959
Color	Transparent
Label Dimensions	13mm x 9mm (0.5 x 0.4 inches)
