

MEEDEN AFC-6055-YM

MEEDEN AFC-6055-YM Art Supplies Storage Cart User Manual

Model: AFC-6055-YM

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your MEEDEN 5-Tier Solid Beech Wood Utility Rolling Cart. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

SETUP AND ASSEMBLY

The MEEDEN Art Supplies Storage Cart requires assembly. Follow the steps below carefully. While some components may not be explicitly labeled, the assembly process is designed to be intuitive.

Components Overview

- Main Frame (pre-assembled sections)
- 3 Drawers
- 1 Plastic Paint Palette
- 4 Rolling Wheels (casters)
- Hardware (screws, brackets)

Assembly Steps

1. **Attach Side Panels:** Secure the side panels to the base and top sections using the provided hardware. Ensure all connections are firm.
2. **Install Casters:** Attach the four rolling wheels to the bottom of the cart. Ensure they are securely fastened.
3. **Insert Drawers:** Slide the three drawers into their designated slots. Ensure they move smoothly. If a drawer feels tight, check the hex bolt drawer stop for adjustment.
4. **Position Top Tray and Accessories:** Place the removable plastic paint palette onto the top surface. The detachable side tray, which includes a brush holder and a round groove for a brush washer, can be hung on either side of the cart.

OPERATION

Your MEEDEN Art Supplies Storage Cart is designed for convenient organization and mobility of your art materials.

Using the Drawers

The cart features three large-capacity drawers for storing various art supplies. The drawers slide smoothly for easy access. For optimal organization, consider using small bins or dividers within the drawers.

3 Large Capacity Drawers--Enough Space to Store All Your Art Supplies

Top Surface and Detachable Tray

The top surface includes a removable plastic paint palette for mixing colors. The detachable side tray provides a built-in brush holder and a unique round groove designed to securely hold a brush washer, keeping your workspace tidy.

Mobility and Stability

Equipped with four flexible, omnidirectional smooth-gliding casters, the cart can be easily moved between locations. Each caster includes a locking mechanism to secure the cart in place during use, preventing unwanted movement.

MAINTENANCE

Proper care will extend the life and appearance of your MEEDEN Art Supplies Storage Cart.

- **Cleaning:** Wipe the beech wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the varnish coating.
- **Drawer Maintenance:** Periodically check the drawer slides for any debris and clean as needed to ensure smooth operation.
- **Caster Care:** Keep the caster wheels free of dust and hair to maintain smooth movement.
- **Wood Protection:** Avoid prolonged exposure to direct sunlight or extreme humidity to prevent warping or fading of the wood.

TROUBLESHOOTING

If you encounter any issues with your art cart, refer to the following common solutions:

- **Drawers are Sticking or Tight:** Check the drawer slides for any obstructions. The tightness of the drawer slide can be adjusted at the hex bolt drawer stop. Loosen or tighten slightly as needed to achieve smooth movement.
- **Casters Not Rolling Smoothly:** Inspect the wheels for accumulated debris (e.g., hair, lint) and remove it. Ensure the locking mechanism is disengaged if you intend to move the cart.
- **Cart Wobbles:** Verify that all assembly screws and brackets are securely tightened. Ensure the cart is on a flat, even surface.

SPECIFICATIONS

Product Dimensions	17.5"D x 26.98"W x 28"H
Brand	MEEDEN
Material	Beechwood
Color	Wood Natural
Special Feature	Sturdy, Rolling Wheels
Model Number	AFC-6055-YM
