2. SAFETY INFORMATION

For your safety and to prevent damage to the product, please observe the following:

- This chair is designed for users with a maximum weight of 400 pounds (181 kg). Exceeding this limit may compromise stability and safety.
- Ensure all bolts and screws are securely tightened before initial use and periodically check for tightness.
- Do not stand on the chair.
- Avoid placing heavy objects on the chair's backrest or armrests.
- Keep hands and fingers clear of moving parts during adjustment.
- Use the chair on a flat, stable surface.
- The chair is constructed with a sturdy steel frame and an SGS certified gas lift for stability and durability.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

The VITESSE gaming chair is designed for hassle-free assembly. A detailed instruction manual with diagrams is included in your package. Follow these general steps:

1. **Assemble the Base:** Insert the five casters into the holes on the star base. Place the gas lift cylinder into the center hole of the star base, then cover it with the gas lift cover.
2. **Attach Mechanism to Seat:** Secure the mechanism plate to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism faces the front of the seat.
3. **Attach Armrests:** Fasten the armrests to the seat cushion using the designated screws.
4. **Connect Seat to Base:** Carefully place the assembled seat onto the gas lift cylinder.
5. **Attach Backrest:** Align the backrest with the seat and secure it using the remaining screws.
6. **Install Pillows:** Attach the headrest and lumbar support pillows as desired.

Periodically check all connections to ensure they remain tight.

5. OPERATING INSTRUCTIONS

Your VITESSE gaming chair offers multiple adjustments for personalized comfort.

5.1. Seat Height Adjustment

To adjust the seat height, pull the lever located under the right side of the seat upwards. While seated, lift your weight off the chair to raise the seat. To lower the seat, remain seated and pull the lever upwards.

Adjustable Seat Height

Our gaming chairs back can tilt freely between 90°-155°. You can use the gaming chairs with footrest and reclining function to find a comfortable sleeping position.

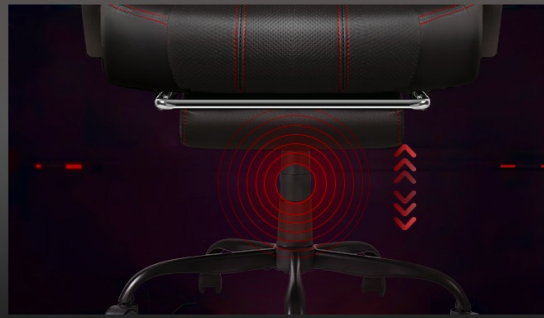

Image 5.1: Illustration of seat height adjustment.

5.2. Backrest Recline

The backrest can recline between 90° and 155°. Pull the recline lever on the right side of the chair upwards and lean back to your desired angle. Release the lever to lock the backrest in position.

Image 5.2: Backrest recline functionality.

155° Reclining Function

Our gaming chairs back can tilt freely between 90°-155°. You can use the gaming chairs with footrest and reclining function to find a comfortable sleeping position.

Image 5.3: Reclining function with footrest extended.

5.3. Retractable Footrest

To extend the footrest, pull it out from underneath the seat. To retract, push it back until it is fully stored.

Image 5.4: Steps for activating the retractable footrest.

5.4. Linkage Armrests

The innovative linkage armrests move in conjunction with the backrest's angle adjustment, ensuring continuous arm support regardless of recline position.

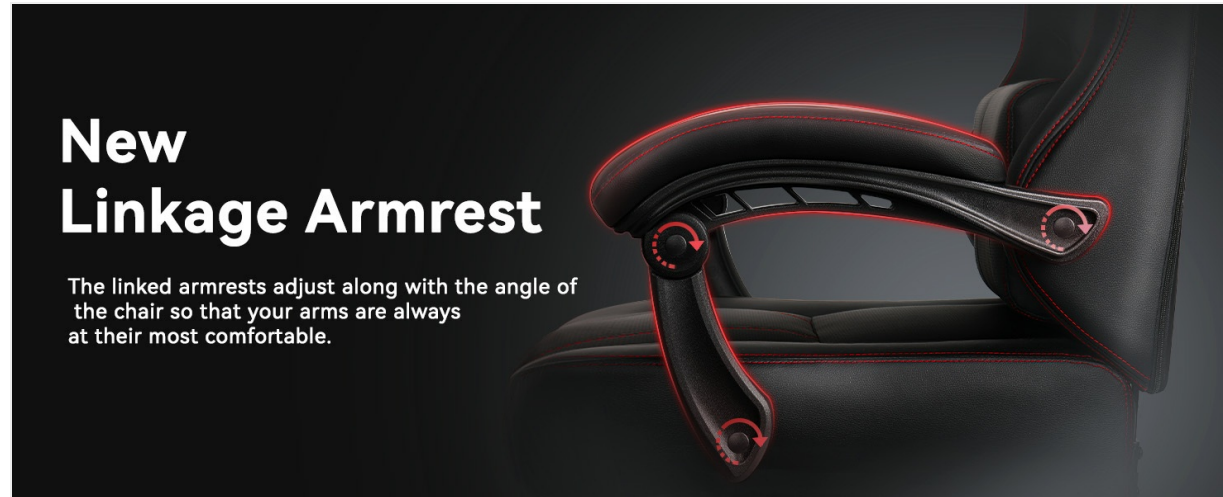

Image 5.5: Detail of the linkage armrest.

5.5. Ergonomic Support (Headrest & Lumbar Pillow)

The oversized memory foam neck and lumbar support pillows are designed to enhance comfort and promote correct posture. Both cushions are easily removable for personalized adjustment.

Image 5.6: Ergonomic head and spinal support features.

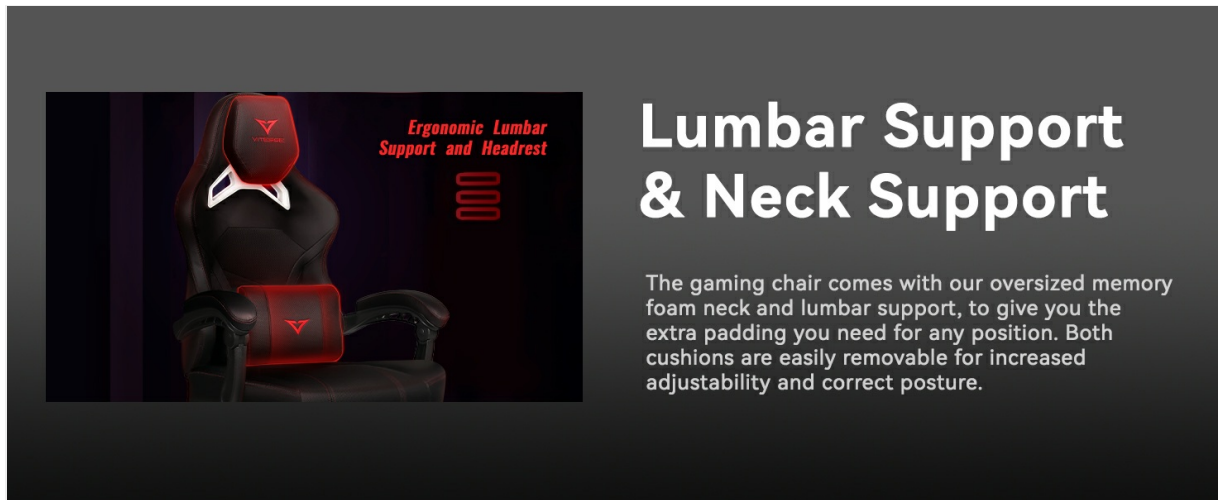

Image 5.7: Lumbar and neck support cushions.

5.6. Wingless Seat Design

The seat cushion features a wingless design, providing a wider seating area for increased freedom of movement and compatibility with various body types. The thicker padding ensures a softer and more durable feel.

Image 5.9: Comparison of wingless cushion vs. flanged cushion.

6. MAINTENANCE

Regular maintenance will prolong the life and appearance of your VITESSE gaming chair.

- **Cleaning:** Wipe the chair's surface with a soft, damp cloth. For stubborn stains, use a mild soap solution and dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically inspect all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Caster Care:** Clean any debris (hair, dust) from the casters to ensure smooth movement.
- **Gas Lift:** The gas lift is maintenance-free. If you experience issues with height adjustment, refer to the troubleshooting section.

7. TROUBLESHOOTING

If you encounter any issues with your chair, refer to the following common problems and solutions:

| Problem | Possible Cause | Solution |
|-----------------------------------|---|---|
| Chair wobbles or feels unstable | Loose screws or bolts. Uneven floor surface. | Check and tighten all assembly screws. Move chair to a level surface. |
| Gas lift not adjusting height | Lever not engaged properly. Gas lift malfunction. | Ensure the height adjustment lever is fully pulled. If issue persists, contact customer support. |
| Casters not rolling smoothly | Debris caught in casters. | Turn the chair over and remove any hair, dust, or debris from the caster wheels. |
| Backrest not reclining or locking | Recline lever not fully engaged. Mechanism obstruction. | Ensure the recline lever is pulled completely. Check for any obstructions in the recline mechanism. |

If these solutions do not resolve the issue, please contact VITESSE customer support.
