3. SETUP

1. **Unpacking:** Carefully remove the stack of cups from the packaging.
2. **Separation:** To separate individual cups, gently twist and pull a cup from the top of the stack. Avoid excessive force to prevent tearing.

4. OPERATING INSTRUCTIONS

1. **Beverage Preparation:** Pour your desired hot or cold beverage into the cup.
2. **Handle Use:** Unfold the integrated handle to provide a secure and comfortable grip, especially when the cup contains hot liquids.
3. **Serving:** The cups are ready for immediate use.

5. MAINTENANCE

These cups are designed for single use. After consumption, dispose of the cup in a designated waste receptacle. Do not attempt to wash or reuse the cups.

6. TROUBLESHOOTING

- **Cups Sticking Together:** If cups are difficult to separate from the stack, gently twist and pull. Avoid excessive force to prevent tearing the cup.
- **Handle Detachment with Hot Liquids:** While designed for hot beverages, prolonged exposure to extreme heat may affect the adhesive holding the handle. For very hot liquids, it is advisable to support the cup from the bottom in addition to using the handle, or minimize prolonged holding by the handle alone.
- **Leakage:** Ensure cups are not visibly damaged before use. If a cup leaks, discontinue use and dispose of it properly.
