Handle the completed model with care to avoid accidental disassembly. It is not intended for rough play.

5. MAINTENANCE

To maintain the appearance of your Swan Stone Castle model, follow these simple maintenance guidelines:

- **Dusting:** Regularly dust the model with a soft, dry brush or a can of compressed air to remove accumulated dust.
- **Cleaning:** For more thorough cleaning, gently wipe the blocks with a damp cloth and mild soap solution. Avoid harsh chemicals or abrasive materials. Ensure the model is completely dry before returning it to display.
- **Storage:** If disassembling for storage, keep all blocks in a secure container to prevent loss of small pieces. Store in a cool, dry place away from direct sunlight to prevent material degradation or discoloration.

6. TROUBLESHOOTING

Should you encounter any issues during assembly or with the completed model, consider the following:

- **Missing Pieces:** If you find any missing pieces, please contact alltogetho customer support with your product details and the specific pieces required.
- **Difficulty Connecting Blocks:** Ensure that the blocks are correctly aligned and that you are applying even pressure. Refer back to the instruction booklet for the specific step.
- **Model Instability:** Re-examine the base and lower layers of the model to ensure all connections are secure. Loose connections can affect overall stability.
