MoKo P840401417287

MoKo Smart Shell Case User Manual

For iPad Air 13 Inch (M3 2025/M2 2024) & iPad Pro 12.9 Inch (6th/5th Gen 2022/2021)

PRODUCT OVERVIEW

The MoKo Slim Smart Shell Case is designed to provide comprehensive protection and enhanced functionality for your compatible iPad model. It features a translucent frosted hard PC back cover, a durable PU leather front cover, and a soft microfiber lining to safeguard your device from scratches, impacts, dust, and fingerprints. The case supports Apple Pencil magnetic attachment and charging, and includes an auto wake/sleep function to conserve battery life. Its tri-fold design allows for versatile viewing and typing angles.

SETUP AND INSTALLATION

1. **Case Installation:** Gently align your iPad with the hard PC back shell of the case. Apply even pressure around the edges until the iPad snaps securely into place. Ensure all corners are fully seated within the case for optimal protection.

2. **Apple Pencil Attachment:** The case features a side opening designed to support the magnetic attachment and

wireless charging of your Apple Pencil Pro, 2nd Generation, or USB-C Pencil. Simply place your Apple Pencil along the designated side edge of the iPad while it is in the case.

Image: Illustration demonstrating the magnetic attachment and wireless charging capability for Apple Pencil on the side of the iPad when enclosed in the case.

3. **Utilizing the Tri-Fold Stand:** The front cover is designed with three folds. To create a stand, fold the cover back into a triangular shape. This allows for two stable standing positions:

   - **Viewing Angle:** A more upright angle suitable for watching videos or video calls.
   - **Typing Angle:** A lower, more ergonomic angle ideal for typing or drawing.
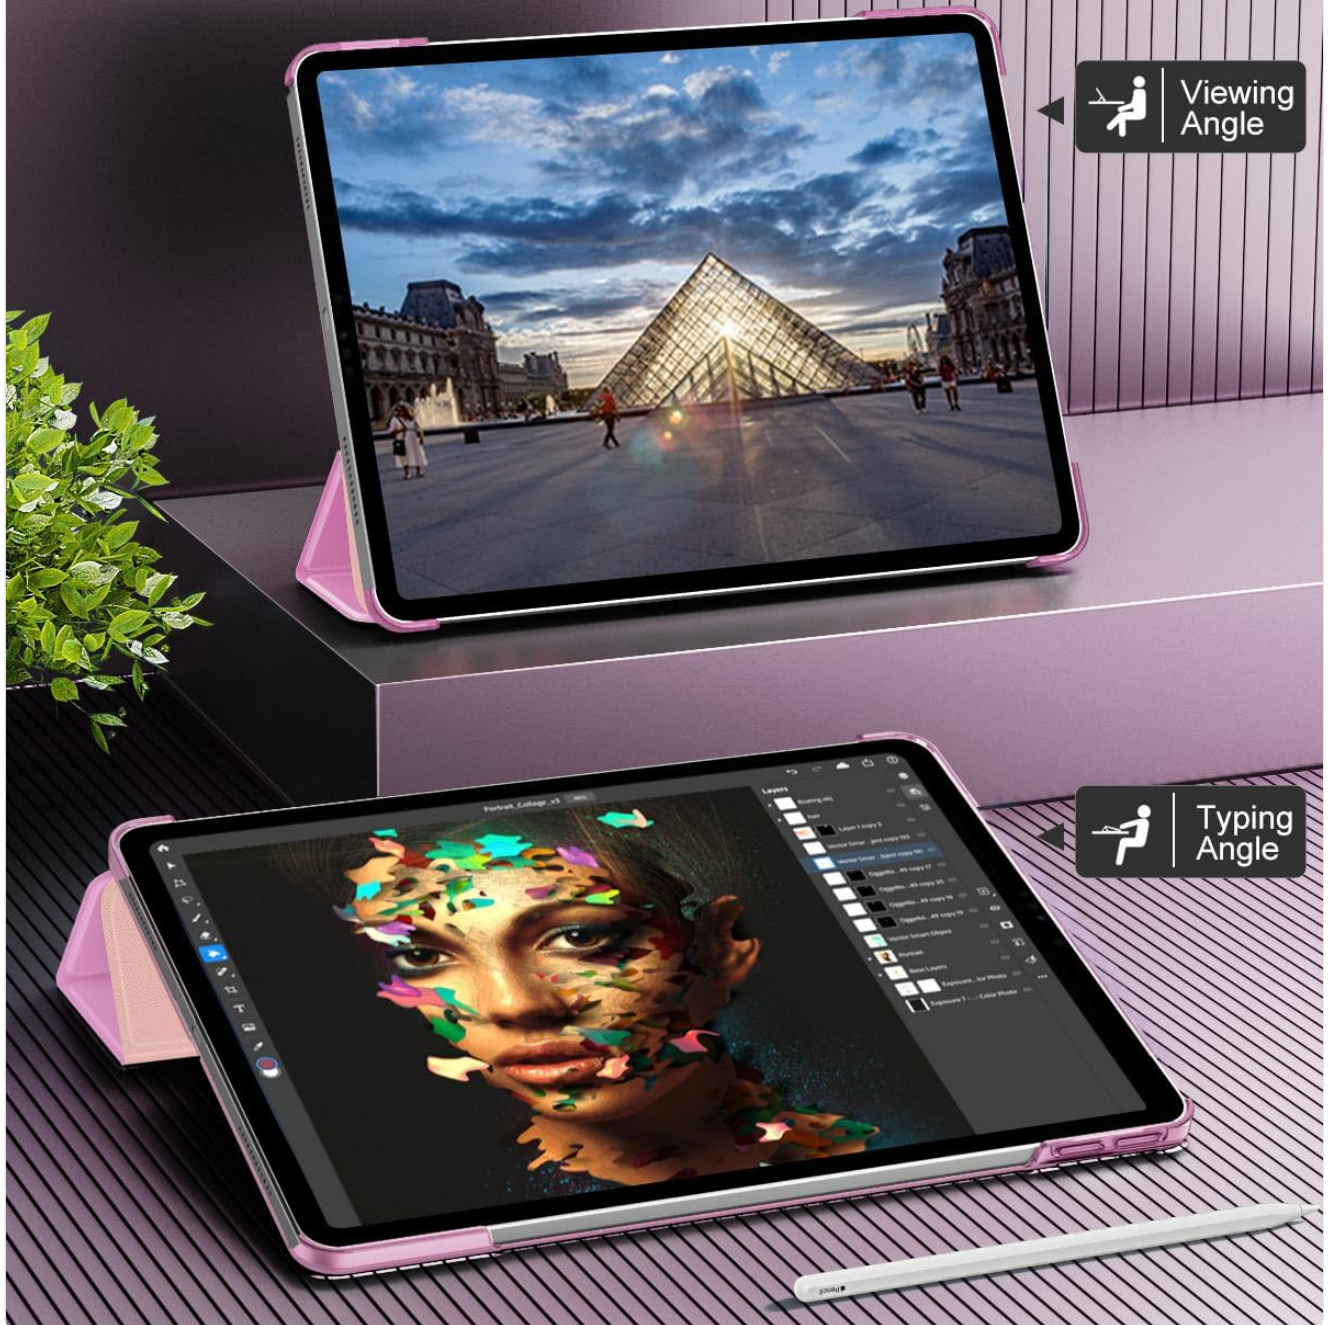

Image: The case's tri-fold design allows for two distinct angles, one optimized for comfortable viewing and another for efficient typing.

OPERATING INSTRUCTIONS

- **Auto Wake/Sleep Function:** The built-in magnetic strip automatically wakes your iPad when the lid is opened and puts it to sleep when the lid is closed. This feature helps to protect and extend your iPad's battery life.

Image: A visual representation of the smart wake/sleep feature, showing how opening the cover wakes the iPad and closing it puts it to sleep, conserving battery.

- **Access to Features:** The case is designed with precise cutouts to ensure full access to all ports, buttons, speakers, and the camera without needing to remove the case.

Image: Detailed views highlighting the precise cutouts for ports, enhanced camera protection, and responsive tactile buttons on the case.

MAINTENANCE AND CARE

To ensure the longevity and appearance of your MoKo Slim Smart Shell Case, follow these care instructions:

- **Cleaning:** Wipe the exterior PU leather cover with a soft, damp cloth. For the translucent frosted PC back shell, use a mild soap solution if necessary, then wipe dry. Avoid harsh chemicals or abrasive cleaners.
- **Dust Removal:** Periodically remove your iPad from the case and gently wipe away any accumulated dust or debris

from both the iPad and the interior microfiber lining of the case.

- **Avoid Extreme Conditions:** Do not expose the case to extreme temperatures, direct sunlight for prolonged periods, or excessive moisture, as this may affect the material integrity and color.
- **Handling:** While the case offers drop protection, avoid intentionally dropping or subjecting it to severe impacts to maintain its protective capabilities.

Image: The case is designed to withstand drops, bumps, and knocks from everyday use, providing robust protection for your device.

TROUBLESHOOTING

Issue	Possible Cause	Solution
Stand is not stable or collapses easily.	The tri-fold cover may not be folded correctly or the surface is uneven.	Ensure the tri-fold cover is firmly folded into a triangular shape. Place the iPad on a flat, stable surface.
Auto Wake/Sleep function is not working.	The iPad's settings may have the Lock/Unlock feature disabled, or the case is not properly aligned.	Check your iPad settings: Go to *Settings > Display & Brightness > Lock/Unlock* and ensure it is enabled. Re-seat the iPad firmly in the case to ensure proper magnetic alignment.
Case feels too tight or loose.	Incorrect case size for your iPad model.	Double-check your iPad's model number against the compatibility list in this manual. Ensure the iPad is fully seated in the case.

SPECIFICATIONS

Brand: MoKo

Model Number: P840401417287

Product Dimensions: 11.22 x 8.35 x 0.43 inches

Item Weight: 10.3 ounces

Color: Flowers Pink (for this specific variant)

Material: Premium PU Leather exterior, Soft Microfiber lining, Translucent Frosted Hard PC back shell

Special Features: Magnetic attach charging for Apple Pencil, Auto wake/sleep with built-in magnetic strip, Adjustable angles for stable landscape viewing stand.
