# RiceBlock RB0088 Shark Building Blocks Set Instruction Manual

Model: RB0088

## Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your RiceBlock RB0088 Shark Building Blocks Set. This set allows you to construct a detailed mechanical shark model with multi-joint movements and integrated fluorescent lights. Please read this manual thoroughly before beginning assembly to ensure a smooth and enjoyable building experience.

## Safety Information

This product contains small parts and is recommended for ages 12 years and up. Adult supervision is advised for younger builders. Keep small parts away from children under 3 years of age to prevent choking hazards. No specific safety warnings are provided beyond general toy safety practices.

## Package Contents

Your RiceBlock RB0088 Shark Building Blocks Set includes the following:

- 685 Building Block Pieces
- Display Stand Components
- Fluorescent Light Components
- Detailed Paper Instruction Manual

## Setup and Assembly

The assembly process for the RiceBlock RB0088 Shark Building Blocks Set is designed to be an engaging STEM activity. Follow the step-by-step instructions provided in the included paper manual. Organize your pieces before starting to facilitate easier identification and assembly.

1. **Unpack Components:** Carefully open the packaging and lay out all the building block bags.
2. **Sort Pieces:** It is highly recommended to sort the 685 pieces by color, shape, or size as indicated in the instruction manual. This will significantly aid in the assembly process.
3. **Follow Manual:** Refer to the detailed paper instruction manual for step-by-step guidance. Each step illustrates the required pieces and their placement.
4. **Assemble Display Stand:** Construct the display stand first, as it will support the shark model during and after assembly.
5. **Integrate Mechanical Parts:** Pay close attention to the assembly of the mechanical components and fluorescent lights as instructed. Ensure all gears and linkages are correctly aligned for proper function.
6. **Secure Connections:** Press pieces firmly together to ensure secure connections, preventing the model from becoming unstable.

The assembly process helps develop building skills and creative thinking. Take your time and enjoy the construction.

## Operating Instructions

Once fully assembled, your RiceBlock RB0088 Shark Building Blocks Set features interactive mechanical elements:

- **Multi-Joint Movement:** The shark model is designed with multi-joint linkages that allow for lifelike swimming motions. Gently turn the hand crank located on the display stand to activate these movements.
- **Fluorescent Lights:** The model includes fluorescent light components. Activate these lights as per the assembly instructions to illuminate internal mechanisms and create a vivid ocean scene.
- **Mechanical Design:** Observe the intricate mechanical gears and components within the shark's body as they operate during movement.

## Maintenance

To ensure the longevity and proper function of your RiceBlock RB0088 Shark Building Blocks Set, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, which can damage the plastic.
- **Storage:** Store the assembled model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic pieces.
- **Handling:** Handle the model with care, especially when operating the mechanical features, to avoid accidental detachment of pieces.
- **Light Components:** If the fluorescent lights dim or stop working, check the power source or replace batteries if applicable (refer to assembly manual for battery type and replacement instructions).

## Troubleshooting

If you encounter any issues during assembly or operation, please refer to the following common solutions:

- **Missing Pieces:** If you find any missing pieces during the installation process, please contact RiceBlock customer support for assistance.
- **Difficulty with Assembly:** Double-check the paper instruction manual for the specific step you are on. Ensure all pieces are oriented correctly and pressed firmly into place.
- **Mechanical Movement Issues:** If the multi-joint movement is stiff or not functioning, verify that all gear components and linkages are correctly assembled and free from obstruction. Ensure pieces are not too tightly or loosely connected.
- **Lights Not Working:** Confirm that the fluorescent light components are correctly installed and connected as per the manual. Check for any battery requirements or power connections.

## Specifications

| Feature | Detail |
|---|---|
| Model Number | RB0088 |
| Number of Pieces | 685 |
| Assembled Dimensions (L x W x H) | 9.4 inches (24 cm) x 4.7 inches (12 cm) x 9 inches (23 cm) |
| Item Weight | 1.25 pounds |
| Recommended Age | 12 years and up |
