## Merax Merax

# Merax Full Size Upholstered Daybed with Storage

Model: Merax | Brand: Merax

### IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Limit:** Do not exceed the maximum weight recommendation of **400 pounds**.
- **Assembly:** Always follow the assembly instructions carefully to ensure the stability and safety of the bed frame. It is recommended that two adults assemble this product.
- **Maintenance:** Regularly check all bolts and screws to ensure they are tight and secure.
- **Mattress:** The recommended mattress thickness is **6 inches**.

### PRODUCT OVERVIEW

The Merax Full Size Upholstered Daybed is designed for versatility and comfort, functioning as both a sofa and a bed. It features a modern U-shaped design with a sturdy backrest and two armrests, making it suitable for various room settings including living rooms, bedrooms, and guest rooms.

### Key Features:

- **Upholstered Design:** Crafted with soft linen fabric for comfort and an elegant aesthetic.
- **Space-Saving:** Its design is ideal for smaller rooms, providing a sleeping solution without requiring a separate bed frame and sofa.
- **Underneath Storage:** Features a large, easily accessible storage compartment beneath the mattress platform, perfect for linens, clothes, or other items.
- **Durable Construction:** Made from high-quality MDF and pine wood, ensuring long-term stability and support. Includes 12 sturdy wood slats, eliminating the need for a box spring.

### PACKAGE CONTENTS

Before beginning assembly, ensure all components are present and undamaged. Refer to the detailed assembly instructions included in your package for a complete list of parts and hardware.

Typically, your package will include:

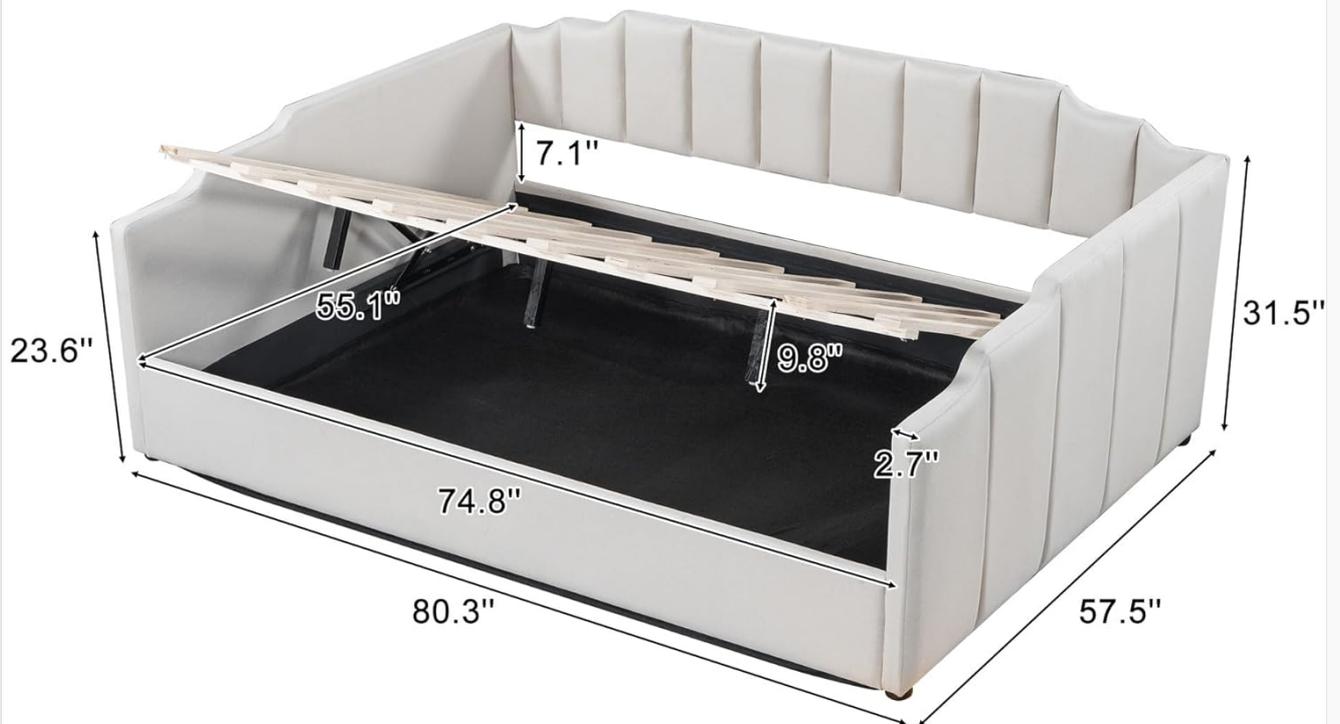

- Upholstered frame components (headboard, armrests, side rails)
- Wood slat set
- Underneath storage mechanism and base
- Hardware pack (screws, bolts, Allen wrench)
- Assembly Instructions manual

## SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the Merax Daybed requires careful attention to detail. It is highly recommended to have two people for assembly to ensure ease and safety, especially when handling larger components and the storage lift mechanism.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface (e.g., a rug or blanket) to prevent scratches. Verify all parts against the included parts list in your manual.
2. **Assemble Frame:** Follow the step-by-step diagrams in your instruction manual to connect the upholstered frame components (headboard, armrests, side rails) using the provided hardware. Ensure all connections are finger-tight initially.
3. **Install Slats:** Secure the wood slats to the frame. The slats provide direct support for your mattress.
4. **Install Storage Mechanism:** This step requires precision. Refer closely to the diagrams for attaching the underneath storage lift mechanism. Ensure it is aligned correctly for smooth operation. *Note: Some users have reported this step can be challenging; take your time and double-check alignment.*
5. **Final Tightening:** Once all components are in place, go back and securely tighten all bolts and screws using the provided Allen wrench. Do not overtighten.

## SIZE:INCH

**Image:** Detailed dimensions of the Merax Full Size Upholstered Daybed. The overall length is 80.3 inches, width is 57.5 inches, and height is 31.5 inches. The internal mattress area is approximately 74.8 inches long and 55.1 inches wide. The storage depth is 7.1 inches.

**Image:** Close-up view of the wood slat support system and a central support leg for the Merax Daybed. This image illustrates how the mattress platform is constructed with individual wooden slats.

**Image:** An overhead view of the Merax Daybed frame showing the installed wooden slats before a mattress is placed. This demonstrates the internal structure that supports the mattress.

## OPERATING INSTRUCTIONS

The Merax Daybed is designed for dual functionality as a comfortable seating area and a full-size bed, with the added benefit of integrated storage.

- **Using as a Sofa:** Simply place cushions and pillows against the backrest and armrests to transform the daybed into a comfortable sofa for lounging or seating.
- **Using as a Bed:** Place a full-size mattress (recommended thickness 6 inches) directly onto the wood slats. No box spring is required.
- **Accessing Underneath Storage:** The mattress platform lifts to reveal a spacious storage area. Gently lift the platform from the front or side. The lift mechanism is designed to hold the platform open for easy access. To close, carefully push the platform down until it latches securely.

**Image:** The Merax Daybed with its mattress platform lifted, revealing the spacious storage compartment underneath. This area is suitable for storing bedding, pillows, or other household items.

## MAINTENANCE

Proper care will extend the life and appearance of your Merax Daybed.

- **Cleaning Fabric:** The linen fabric is easy to clean. For light dust, use a soft brush attachment on a vacuum cleaner. For spills, blot immediately with a clean, dry cloth. For tougher stains, use a mild fabric cleaner following the product instructions, testing on an inconspicuous area first.
- **Frame Care:** Wipe the wood and metal components with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically (e.g., every 3-6 months) check all bolts, screws, and connections to ensure they remain tight. Retighten as necessary to maintain structural integrity.

## TROUBLESHOOTING

If you encounter issues with your Merax Daybed, consider the following common solutions:

Problem	Possible Cause	Solution
Bed frame feels unstable or wobbly.	Loose hardware.	Check and tighten all bolts and screws. Ensure all connections are secure.
Mattress platform sags or does not sit evenly.	Slats are not properly installed or damaged; central support leg is not adjusted.	Verify all slats are correctly seated and secured. Ensure the central support leg is making firm contact with the floor. If parts are damaged, contact customer support.

Problem	Possible Cause	Solution
Storage lift mechanism is difficult to open/close or misaligned.	Incorrect installation of the lift mechanism; parts are not aligned.	Review the assembly instructions specifically for the lift mechanism. Ensure all components are installed in the correct orientation and alignment. If issues persist, contact customer support.
Missing parts or damaged components upon arrival.	Manufacturing or shipping error.	Do not proceed with assembly. Contact Merax customer support immediately with your purchase details and a description of the missing/damaged parts.

## SPECIFICATIONS

**Brand:** Merax

**Model Number:** Merax

**ASIN:** B0D5BCF486

**UPC:** 196986962279

**Size:** Full

**Product Dimensions:** 80.3"L x 57.5"W x 31.5"H

**Item Weight:** 90 pounds

**Color:** White

**Material:** Engineered Wood, Linen, Pine Wood

**Finish Type:** Wood

**Form Factor:** Hybrid Daybed/Sofa Bed Frame

**Special Features:** Armrest, Easy Assembly, Multi-purpose, Underneath Storage Space

**Assembly Required:** Yes

**Compatible Mattress Size:** Full

**Recommended Mattress Thickness:** 6 inches

**Maximum Weight Capacity:** 400 pounds
