› PETSITE Multifunctional Cat Litter Box Enclosure (Model PTS10135BNLBEPV) - Instruction Manual

PETSITE PTS10135BNLBEPV

PETSITE Multifunctional Cat Litter Box Enclosure

MODEL: PTS10135BNLBEPV - INSTRUCTION MANUAL

Introduction

Thank you for choosing the PETSITE Multifunctional Cat Litter Box Enclosure. This product is designed to provide a comfortable and private space for your cat while seamlessly integrating into your home decor. It combines a hidden litter box compartment, a cozy cat condo, and sisal scratching posts to cater to your cat's various needs. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

Safety Information

- Keep small parts away from children and pets to prevent choking hazards.
- Ensure all screws and fasteners are securely tightened before use. Regularly check for loose connections.

- Do not climb or stand on the unit. This product is designed for pet use only.
- Place the enclosure on a flat, stable surface to prevent tipping.
- Avoid exposing the product to excessive moisture or direct sunlight for prolonged periods.

Package Contents

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact customer support.

Setup Instructions

Follow the steps below for proper assembly. It is recommended to have a clear, flat workspace and a Phillips head screwdriver (not included).

Assembly Video Guide

Video: A detailed assembly guide for a similar hidden litter box furniture unit. Please refer to the included paper manual for specific steps for Model PTS10135BNLBEPV.

- Step 1: Prepare Components**
Unpack all parts and lay them out on a soft, clean surface. Identify each wooden panel and hardware piece using the provided parts list in your manual.
- Step 2: Assemble Base Structure**
Connect the side panels to the bottom panel using the designated screws and dowels. Ensure all connections are snug.
- Step 3: Install Internal Dividers**
Attach the internal divider panels to create the separate compartments for the litter box, cat condo, and scratching area.
- Step 4: Attach Top Panel**
Secure the top panel to the assembled structure.
- Step 5: Install Legs**
Attach the five metal supporting legs to the bottom of the unit. The center leg is adjustable for stability on uneven floors.
- Step 6: Mount Doors and Hinges**
Install the hinges onto the doors and then attach the doors to the main unit. Ensure smooth opening and closing.
- Step 7: Add Sisal Scratching Posts**
Secure the sisal-covered scratching posts in their designated locations.
- Step 8: Final Checks**
Verify that all screws are tightened and the unit is stable. Place your cat's litter box inside the designated compartment.

Operating Instructions

This multifunctional enclosure offers several features for your cat's comfort and your convenience.

Product Features Overview

Video: A brief overview showcasing the various features and benefits of a cat litter box enclosure with a cat tree tower.

Hidden Litter Box Compartment:

The double-door enclosure provides a private space for your cat's litter box, helping to minimize odors and prevent litter scatter. Cats can access the compartment through the side entrance. The interior size is 23" x 19.5" x 15.5" (L x W x H).

Hidden Cat Washroom

Reduce unpleasant smell

Reduce litter tracking

Offer private space

Side Entrance

Allow cats to seamlessly slip in and out while adding more fun

Sisal Scratching Posts:

Three fully-wrapped sisal scratching posts and two platforms are integrated into the design, allowing your cat to sharpen their claws and climb. This helps protect your furniture and promotes healthy claw maintenance.

Maintenance

Cleaning: Wipe the surfaces of the enclosure with a dry cloth to remove dust and debris. For spills, use a slightly damp cloth and dry immediately. Avoid harsh chemicals that may damage the finish or be harmful to pets.

Litter Box Area: Regularly clean the litter box compartment to maintain hygiene and minimize odors.

Sisal Posts: Inspect the sisal scratching posts periodically for wear and tear. Replace if heavily damaged to ensure continued effectiveness and safety.

Troubleshooting

Unit is Wobbly: Ensure the unit is placed on a level surface. Check and tighten all screws. Adjust the center supporting leg if necessary to stabilize the unit.

Doors Not Closing Properly: Check the alignment of the hinges and ensure they are securely fastened. Adjust if needed.

Cat Not Using Litter Box Compartment: Introduce your cat to the new space gradually. Place a familiar item or a small amount of used litter inside to encourage use. Ensure the litter box itself is clean and appealing to your cat.

Cat Not Using Scratching Posts: Try sprinkling catnip on the sisal posts to attract your cat. Demonstrate scratching by gently guiding your cat's paws (if they tolerate it) or by scratching the post yourself.

Warranty and Support

This PETSITE product comes with a **1-year manufacturer's warranty**. For any questions, concerns, or assistance with your product, please contact PETSITE customer support. Please have your model number (PTS10135BNLBEPV) and purchase information ready when contacting support.

For customer support, please refer to the contact information provided at the point of purchase or on the official PETSITE website.
