WHAT'S INCLUDED

- 1 x Bright Starts Tropical Twirl Ball Play Toy
- 5 x Colorful Play Balls
- 3 x AAA Demo Batteries (pre-installed)

SETUP INSTRUCTIONS

1. **Unpack:** Carefully remove all components from the packaging.
2. **Battery Installation:** The toy comes with 3 AAA demo batteries. If replacement is needed, locate the battery compartment on the base of the toy, open it with a screwdriver, insert new batteries observing polarity, and secure the cover.
3. **Adjust Height:** The toy features 2 height positions to grow with your child. Adjust the height by gently pulling or pushing the top section of the palm tree until it clicks into the desired position.

OPERATING INSTRUCTIONS

The Tropical Twirl Ball Play Toy offers four primary ways to engage your child:

4 Ways to Play™

1. Press for music & lights

2. Drop the balls down the trunk

3. Roll the balls down spiraling vine

4. Turn base to store or release balls for more fun!

1. **Drop Balls Down the Trunk:** Place one of the included balls into the central canopy hole. Observe as it travels down the tree trunk and emerges from the base. This action activates lights and sounds.
2. **Spiral Around the Vine:** Guide a ball onto the spiraling vine ramp. Watch it roll down and land in the base.
3. **Activate Lights & Music:** Press the monkey and toucan buttons located on the canopy to activate over 50 melodies, jungle sounds, and engaging lights. These are also triggered when balls are dropped.
4. **Ball Release Mode:** The yellow base can function as a holding tray or a ball release mechanism. Twist the base to release the balls, encouraging your baby to crawl and chase them.

CARE AND MAINTENANCE

- **Cleaning:** Wipe the toy clean with a damp cloth and mild soap. Do not immerse in water.
- **Storage:** Store the toy in a dry place away from direct sunlight when not in use. The base can be used to store the included balls.
- **Battery Care:** Remove batteries if the toy will not be used for an extended period to prevent leakage.

TROUBLESHOOTING

Problem	Solution
---------	----------

Problem	Solution
Toy does not turn on or lights/sounds are intermittent.	Check battery installation. Ensure batteries are correctly oriented (+/-). Replace with fresh AAA batteries if needed.
Balls do not roll smoothly.	Ensure the toy is placed on a flat, stable surface. Check for any obstructions in the ball pathways or on the spiraling vine.
