## RiceBlock RB0093

# RiceBlock Sweeper Building Block Set

Model: RB0093

Brand: RiceBlock

## 1. Introduction

Thank you for choosing the RiceBlock Sweeper Building Block Set, Model RB0093. This set allows you to construct a detailed replica of a road sweeper vehicle using 899 high-quality building blocks. Designed for enthusiasts aged 15 and up, this model offers an engaging building experience and a functional display piece.

## 2. Safety Information

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age.
- **Age Recommendation:** Recommended for ages 15 years and up due to complexity and small components.
- Keep all packaging materials away from children.
- Always build on a clean, flat, and stable surface to prevent loss of pieces.

## 3. Package Contents

Your RiceBlock Sweeper Building Block Set RB0093 includes:

- 899 assorted building block pieces.
- One detailed instruction manual for assembly.

Please verify all pieces are present before beginning assembly. If any pieces are missing or damaged, please refer to the 'Troubleshooting' section.

## 4. Assembly Instructions

Follow the step-by-step instructions provided in the included printed manual. It is recommended to sort the pieces by color and type before starting to facilitate the building process.

Figure 4.1: The fully assembled RiceBlock Sweeper model. This image shows the complete model from a front-side perspective, highlighting its green and grey color scheme and the front sweeping brushes.

Each step in the manual illustrates the required pieces and their placement. Pay close attention to the orientation of the blocks to ensure correct assembly.

Figure 4.2: Close-up views of various movable components. This image displays four quadrants, each showing a different functional part of the sweeper, such as the adjustable front brushes, the opening engine compartment, and the rear waste container.

The assembly process involves connecting various sub-assemblies. Ensure each connection is firm to maintain the structural integrity of the model.

## 5. Operating Instructions

Once assembled, your RiceBlock Sweeper model features several interactive elements:

- **Movable Sweeper Brushes:** The front brushes are designed to rotate, simulating the sweeping action of a real road sweeper.
- **Opening Doors:** The driver's cabin door can be opened and closed.
- **Opening Trunk/Rear Compartment:** The rear compartment, representing the waste collection area, can be opened.
- **Linkage Function:** Certain parts of the model are designed with a linkage mechanism, allowing for realistic movement when operated.

Figure 5.1: The door of the RiceBlock Sweeper model can be opened. This image focuses on the side of the cabin, with an arrow indicating the opening motion of the door.

Figure 5.2: The linkage function of the model. This image highlights a mechanical connection within the model, showing how different parts move in conjunction.

Figure 5.3: The trunk or rear compartment of the model can be opened. This image shows the back of the sweeper with an arrow indicating the upward opening motion of the rear panel.

Gently operate these features to avoid damage to the block connections.

## 6. Maintenance

- **Cleaning:** To clean the model, gently wipe it with a dry, soft cloth. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or unbuilt pieces in a cool, dry place away from direct sunlight to prevent discoloration and material degradation.
- **Disassembly:** If disassembling, do so carefully to avoid stressing or breaking the block connections.

## 7. Troubleshooting

- **Missing Pieces:** If you find any pieces missing from your set, please double-check all packaging materials. If still missing, contact customer support with the specific part number (if available in the manual) and your

purchase details.

- **Difficulty Connecting Blocks:** Ensure blocks are correctly aligned before applying gentle, even pressure. Avoid forcing pieces together, as this can cause damage.
- **Model Instability:** Review previous assembly steps to ensure all connections are firm and correctly oriented. Loose connections can lead to instability.

## 8. Specifications

| Feature | Detail |
|---|---|
| Model Number | RB0093 |
| Number of Pieces | 899 |
| Assembled Dimensions (L x W x H) | 36.3 x 14.48 x 17.09 cm (approximately 14.3 x 5.7 x 6.7 inches) |
| Weight | 939 g (approximately 2.07 lbs) |
| Material | Plastic |
| Recommended Age | 15 years and up |
| Educational Objective | STEM |
