SETUP

1. **Unpack:** Carefully remove all components from the packaging. Inspect each item for any signs of damage.

2. **Initial Cleaning:** Before first use, wash all glass cups, bamboo lids, and stainless steel straws thoroughly with warm soapy water. Rinse completely and allow to air dry, or dry with a soft cloth.
3. **Assemble:** Place the bamboo lid onto the glass cup, ensuring a snug fit. Insert the stainless steel straw through the opening in the lid.

OPERATING INSTRUCTIONS

The Nuogo 3 oz Mini Tumbler Shot Glasses are designed for serving various beverages. They are suitable for both cold and hot drinks.

- **Filling:** Pour your desired beverage into the glass cup. Do not overfill to prevent spills when placing the lid.
- **Sealing:** Securely place the bamboo lid on top of the glass cup. The lid helps to keep your drinks fresh and prevent minor spills.
- **Drinking:** Use the provided stainless steel straw for sipping your beverage.

MAINTENANCE AND CARE

- **Glass Cups:** The glass cups are dishwasher safe. For best results and to maintain the frosted finish, hand washing with a soft sponge and mild detergent is recommended.
- **Bamboo Lids:** Hand wash the bamboo lids only. Do not soak them in water for extended periods. Dry immediately after washing to prevent mold growth and preserve the wood.
- **Stainless Steel Straws:** The stainless steel straws are dishwasher safe. A straw cleaning brush (not included) can be used for thorough cleaning.
- **Storage:** Store cups, lids, and straws in a dry place when not in use.

SUBLIMATION INSTRUCTIONS

These frosted glass cups are suitable for sublimation, allowing you to personalize them with your own

designs. Follow these general steps for sublimation:

1. **Print Design:** Print your desired image using sublimation ink and paper.
2. **Prepare Cup:** Securely attach the printed design to the glass cup.
3. **Sublimate:** Use a sublimation oven or heat press. Set the temperature between 350-380°F (175-193°C) and heat for 5-6 minutes. *(Note: Specific settings may vary based on equipment and design. Always perform a test run.)*
4. **Cool Down:** Carefully remove the cup from the heat source and allow it to cool completely before handling or removing the design paper.

1. Print the picture
2. Use the oven for sublimation, at 350-380F, and time for 5-6mins.
3. Get your pretty tumbler

TROUBLESHOOTING

- **Lid not sealing properly:** Ensure the lid is clean and free from debris. Press down firmly to create a seal.
- **Straw difficult to insert:** Check that the straw opening in the lid is clear. Gently twist the straw as you insert it.

- **Mold on bamboo lids:** This can occur if lids are not dried thoroughly after washing. Always dry bamboo lids immediately and store in a well-ventilated area.

WARRANTY AND SUPPORT

Nuogo products are manufactured with quality and customer satisfaction in mind. For any questions, concerns, or support needs regarding your Nuogo 3 oz Mini Tumbler Shot Glasses, please refer to your purchase documentation or contact the retailer where the product was purchased. Specific warranty details may vary by region and retailer.
