Wokyo Charger + 2pcs 675 Batteries

Wokyo Hearing Aid Battery Charger and 675 Rechargeable Batteries User Manual

Model: Charger + 2pcs 675 Batteries

1. Product Overview

This manual provides instructions for the Wokyo Hearing Aid Battery Charger, designed for use with 675 rechargeable hearing aid batteries. It includes information on setup, operation, maintenance, and troubleshooting.

Image 1.1: The Wokyo Hearing Aid Battery Charger, open to show the charging slots and two 675 rechargeable batteries.

2. Package Contents

- 1 x Wokyo Hearing Aid Battery Charger
- 2 x 675 Rechargeable Batteries (40mAh each)
- 1 x USB Type-C Charging Cable

3. Setup Instructions

1. **Connect the Charger:** Use the provided USB Type-C charging cable to connect the charger to a compatible USB power source (e.g., wall adapter, computer USB port). The two indicator lights on the front of the charging box will illuminate.
2. **Initial Charge:** For first-time use, ensure the batteries are fully charged.

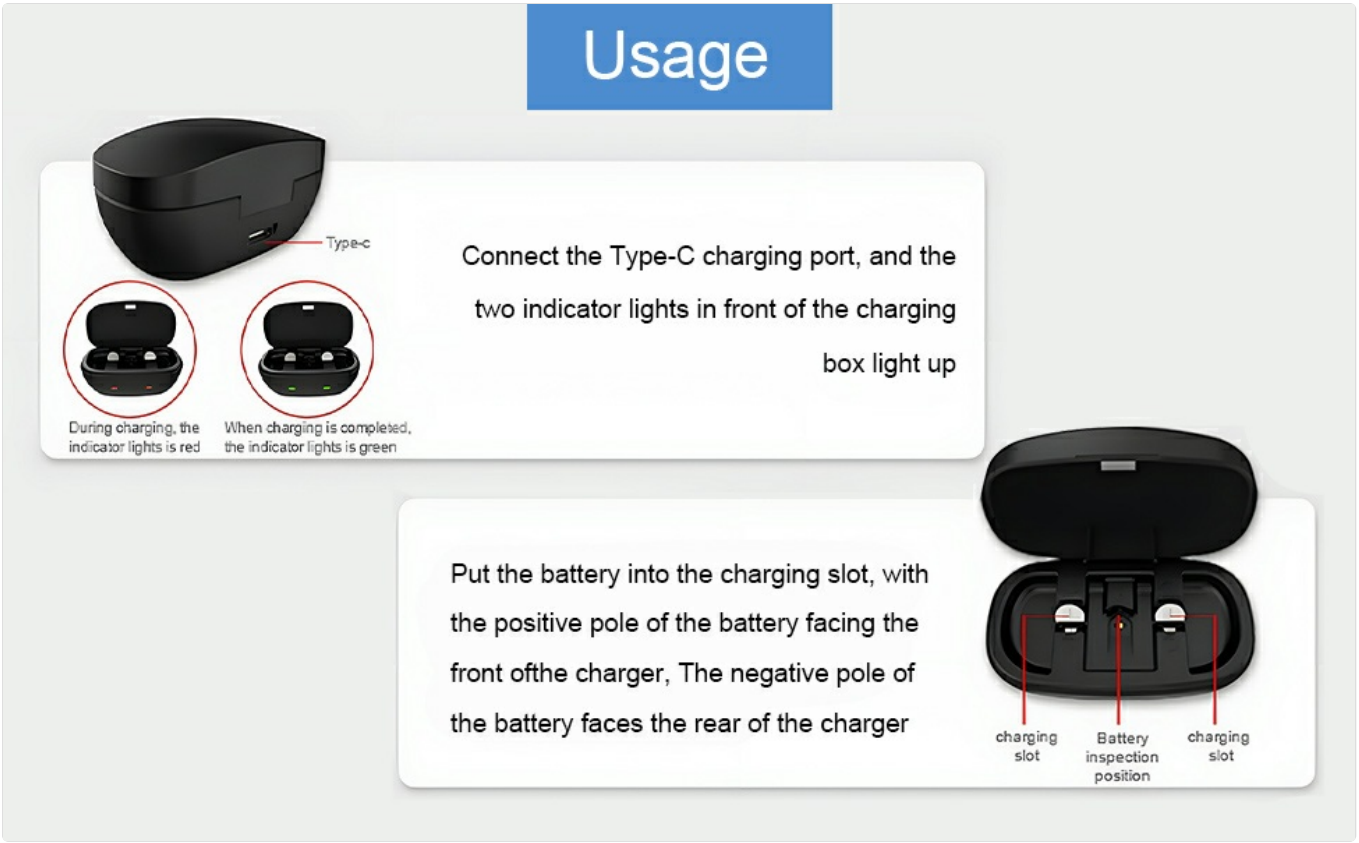

Image 3.1: Illustration of connecting the Type-C charging port and the indicator lights showing charging status (red for charging, green for completed).

4. Operating Instructions

1. **Insert Batteries:** Open the charger lid. Place the 675 rechargeable batteries into the charging slots. Ensure the positive pole of the battery faces the front of the charger and the negative pole faces the rear.
2. **Charging Indication:** When a battery is correctly inserted and charging, its corresponding indicator light will turn red.
3. **Full Charge Indication:** After approximately 8 hours of charging, the indicator light will turn green, signifying a full charge.
4. **Battery Life:** A fully charged battery provides up to 40 hours of use for non-Bluetooth hearing aids and up to 12 hours for Bluetooth hearing aids.

Image 4.1: Detailed view of battery insertion into the charging slots, indicating the correct orientation for positive and negative poles.

5. Maintenance

- **Keep Clean and Dry:** Before charging, ensure the battery surface is clean and dry. Moisture, especially from sweat, can cause corrosion inside the battery and render it unusable.
- **Storage:** Store the charger and batteries in a cool, dry place when not in use.
- **Durability:** The product is constructed from durable ABS material.

6. Troubleshooting

- **Battery Not Charging (Indicator Light Red):** If the indicator light remains red after inserting a battery, it may be due to poor contact between the battery and the charger interface. Gently rotate or adjust the battery until the indicator light turns red, confirming proper contact.
- **Indicator Light Green for Partially Charged Battery:** If the indicator light is green when you insert a partially

charged battery, it suggests that the battery may not be making proper contact with the charging pins. Re-adjust the battery in the slot.

Image 6.1: A reminder regarding potential charging issues due to poor battery contact and how to resolve it by adjusting the battery.

7. Specifications

Image 7.1: Visual representation of the product specifications.

Feature	Detail
Charging Time	8 hours
Battery Last Time per Charge	40H (Non-Bluetooth hearing aids), 12H (Bluetooth hearing aids)
Battery Longevity	>500 times charging-discharging cycles
Input Voltage/Current	5VMA
Battery Capacity	40mAh/pack
Matching Batteries	2 x 675 batteries (included)
Material	ABS & Metal
Product Dimensions	12cm x 10cm x 10cm (4.72in x 3.94in x 3.94in)
Item Weight	2.04 ounces

8. Environmental Impact

Using rechargeable hearing aid batteries significantly reduces environmental waste. One rechargeable battery can replace 300-500 disposable batteries over its lifespan, which is equivalent to 2-3 years of typical disposable battery usage. This can prevent 50-200 discarded disposable batteries from entering landfills annually.

Image 8.1: Visual comparison illustrating the environmental benefits of using rechargeable batteries over disposable ones.

9. Warranty and Support

For product support, technical assistance, or warranty inquiries, please contact Wokyo customer service through the

retailer where the product was purchased. Please retain your proof of purchase for any warranty claims.
