

BLW-BT940GD

Generic BLW-BT940GD Flex Around-the-Neck Wireless Earbuds User Manual

Model: BLW-BT940GD | Brand: Generic

INTRODUCTION

This manual provides comprehensive instructions for the setup, operation, maintenance, and troubleshooting of your Generic BLW-BT940GD Flex Around-the-Neck Wireless Earbuds. Please read this manual thoroughly before using the product to ensure proper function and longevity.

Figure 1: Generic BLW-BT940GD Flex Around-the-Neck Wireless Earbuds. These earbuds feature a flexible neckband design with gold accents and in-ear buds.

PACKAGE CONTENTS

- Generic BLW-BT940GD Flex Around-the-Neck Wireless Earbuds
- Ear Cushions (various sizes)
- USB Charging Cable
- User Manual (this document)

SETUP

1. Charging the Earbuds

Before first use, fully charge the earbuds. Connect the provided USB charging cable to the charging port on the neckband and plug the other end into a USB power source (e.g., computer, wall adapter). The LED indicator will show charging status and turn off or change color when fully charged.

2. Powering On/Off

- **Power On:** Press and hold the Power button (usually located on the neckband) for approximately 3-5 seconds until the LED indicator flashes.
- **Power Off:** Press and hold the Power button for approximately 3-5 seconds until the LED indicator turns off.

3. Bluetooth Pairing

1. Ensure the earbuds are powered off.
2. Press and hold the Power button for 5-7 seconds until the LED indicator flashes red and blue alternately, indicating pairing mode.
3. On your device (smartphone, tablet, etc.), enable Bluetooth and search for available devices.
4. Select "BLW-BT940GD" from the list of found devices.
5. Once paired, the LED indicator will flash blue slowly, and you may hear an audible confirmation.

***Note:** The earbuds will automatically attempt to reconnect to the last paired device when powered on.*

OPERATING INSTRUCTIONS

Controls

The control buttons are typically located on one side of the neckband. Refer to the diagram below for button identification (assuming standard layout).

Figure 2: Control buttons on the left side of the neckband. From top to bottom: Volume Up/Next Track, Multi-function Button (Power/Play/Pause/Call), Volume Down/Previous Track.

Earbud Control Functions

Button/Action	Function
Power Button (Multi-function)	Press & Hold (3-5s): Power On/Off Press & Hold (5-7s): Enter Pairing Mode Single Press: Play/Pause music, Answer/End call Double Press: Redial last number
Volume Up (+)	Single Press: Increase Volume Press & Hold: Next Track

Button/Action	Function
Volume Down (-)	Single Press: Decrease Volume Press & Hold: Previous Track

Making and Receiving Calls

The built-in microphone allows for hands-free calling when connected to your smartphone.

- **Answer Call:** Press the Multi-function button once.
- **End Call:** Press the Multi-function button once during a call.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.
- **Redial:** Double-press the Multi-function button to redial the last number.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the earbuds and neckband. Do not use harsh chemicals or abrasive materials.
- **Storage:** Store the earbuds in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds frequently. Charge them regularly, even if not in use for extended periods.
- **Ear Cushions:** Periodically remove and clean the ear cushions with a damp cloth. Ensure they are completely dry before reattaching.

TROUBLESHOOTING

Common Issues and Solutions	
Problem	Solution
Earbuds won't turn on.	Ensure the earbuds are fully charged. Connect to a power source and allow sufficient charging time.
Cannot pair with device.	Ensure earbuds are in pairing mode (flashing red/blue). Make sure Bluetooth is enabled on your device. Move the earbuds closer to your device. Forget "BLW-BT940GD" from your device's Bluetooth list and try pairing again. Restart both the earbuds and your device.
No sound or low volume.	Increase volume on both the earbuds and your connected device. Ensure the earbuds are properly paired and connected. Check if the audio output on your device is set to the earbuds.
Poor sound quality or disconnections.	Move closer to your connected device to reduce interference. Avoid obstacles between the earbuds and your device. Ensure no other Bluetooth devices are causing interference. Re-pair the earbuds with your device.

SPECIFICATIONS

Feature	Detail
