## Yunseity Yunseityenvi5sy9kd

# Yunseity Bluetooth Audio Glasses

**MODEL: YUNSEITYENVI5SY9KD**

User Instruction Manual

## 1. Introduction

The Yunseity Bluetooth Audio Glasses combine eyewear functionality with integrated audio technology. These smart glasses feature blue light filter lenses to reduce eye strain and polarized lenses for glare reduction, making them suitable for various environments. Equipped with a built-in microphone and speakers, they enable hands-free calls and music playback through Bluetooth 5.0 connectivity. The directional sound technology ensures audio is primarily heard by the wearer, minimizing disturbance to others.

## 3. Product Overview

---

Familiarize yourself with the key components and controls of your Yunseity Bluetooth Audio Glasses.

- **Power Button:** Located on the right temple, used for powering on/off and call management.
- **Volume Controls:** Adjacent to the power button, used to adjust audio volume.
- **Integrated Speakers:** Located near the ears on both temples for open-ear audio.
- **Microphone:** Built-in for hands-free communication.
- **Charging Port:** Typically located on one of the temples for connecting the charging cable.

## 4. Setup

---

### 4.1. Charging the Glasses

1. Connect the provided charging cable to the charging port on the glasses.
2. Plug the other end of the charging cable into a USB power adapter (not included) or a computer's USB port.
3. The indicator light on the glasses will illuminate during charging.
4. A full charge typically takes approximately 3 hours. The indicator light will change or turn off once charging is complete.

### 4.2. Bluetooth Pairing

1. Ensure the glasses are fully charged.
2. Press and hold the Power button on the right temple until the indicator light flashes, indicating pairing mode.
3. On your smartphone or Bluetooth-enabled device, go to the Bluetooth settings.

4. Search for available devices and select "Yunseity Audio Glasses" (or similar name) from the list.
5. Once connected, the indicator light on the glasses will stop flashing or change to a steady light.
6. The glasses are now paired and ready for use. They will automatically reconnect to the last paired device when powered on and within range.

## 5. Operating Instructions

---

### 5.1. Power On/Off

- **Power On:** Press and hold the Power button for approximately 3 seconds until you hear a power-on prompt or see the indicator light illuminate.
- **Power Off:** Press and hold the Power button for approximately 5 seconds until you hear a power-off prompt or the indicator light turns off.

### 5.2. Music Playback

- **Play/Pause:** Short press the Power button once.
- **Next Track:** Press and hold the Volume Up button.
- **Previous Track:** Press and hold the Volume Down button.
- **Volume Up:** Short press the Volume Up button.
- **Volume Down:** Short press the Volume Down button.

### 5.3. Call Management

- **Answer Call:** Short press the Power button once when an incoming call is received.
- **End Call:** Short press the Power button once during an active call.
- **Reject Call:** Press and hold the Power button for approximately 2 seconds when an incoming call is received.
- **Redial Last Number:** Double-press the Power button.

### 5.4. Voice Assistant

- **Activate Voice Assistant:** Triple-press the Power button to activate your device's voice assistant (e.g., Siri, Google Assistant).

## 6. Maintenance

---

- **Cleaning:** Use the provided cleaning cloth to gently wipe the lenses and frame. Avoid using harsh chemicals or abrasive materials that could damage the lenses or electronic components.
- **Water Resistance:** The glasses are designed with a waterproof rating. However, avoid prolonged submersion in water or exposure to high-pressure water jets. Dry thoroughly if exposed to moisture.
- **Storage:** When not in use, store the glasses in the provided storage bag to protect them from scratches and dust. Avoid exposing them to extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the glasses regularly, even if not in constant use.

The glasses are designed to be waterproof, offering protection against splashes and light rain.

## 7. Troubleshooting

Problem	Solution
Glasses do not power on.	Ensure the glasses are fully charged. Connect to the charging cable and allow sufficient time for charging.
Cannot pair with a device.	<ul style="list-style-type: none"><li>◦ Ensure the glasses are in pairing mode (indicator light flashing).</li><li>◦ Turn off and on Bluetooth on your device.</li><li>◦ Move the glasses closer to your device.</li><li>◦ Forget the device from your phone's Bluetooth settings and try pairing again.</li></ul>
No sound or low volume.	<ul style="list-style-type: none"><li>◦ Increase the volume on both the glasses and your connected device.</li><li>◦ Ensure the glasses are properly connected via Bluetooth.</li><li>◦ Check if the audio is playing from another output source on your device.</li></ul>
Call quality is poor.	<ul style="list-style-type: none"><li>◦ Ensure the microphone is not obstructed.</li><li>◦ Move to an area with less background noise.</li><li>◦ Check your device's network signal strength.</li></ul>
