5. Usage Guidelines

This bunk bed is designed for safe and comfortable use by children. Please adhere to the following guidelines:

- **Upper Bunk Access:** Always use the integrated storage stairs to access the upper bunk. Do not climb on the bed frame or guardrails.
- **Slide Usage:** The slide is intended for single-person use at a time. Ensure the area around the slide exit is clear before use.
- **Storage Stairs:** The two compartments within the stairs provide convenient storage. Do not overload these compartments.
- **Lower Bunk:** The low-profile design of the lower bunk is ideal for younger children. There are no slats for the bottom bed, allowing for direct mattress placement on the floor or creating a play space underneath the upper bunk.
