

PARTPHONER PAWL178AB2

PARTPHONER Outdoor Light Fixture Wall Light Instruction Manual

Model: [PAWL178AB2](#) | Brand: [PARTPHONER](#)

1. INTRODUCTION

Thank you for choosing the PARTPHONER Outdoor Light Fixture. This manual provides detailed instructions for the safe and efficient installation, operation, and maintenance of your new outdoor wall lights. Please read this manual thoroughly before installation and retain it for future reference.

2. PRODUCT FEATURES

- **Dusk to Dawn Sensor:** Equipped with a built-in IC light sensor, these outdoor wall lights automatically detect ambient brightness. They turn on at night and switch off during the daytime, contributing to energy savings and convenience.
- **Energy Efficient Integrated LED:** Features a long-lasting 13-watt integrated LED, providing 1300 lumens of 3000K warm white light with a CRI of 90. Designed for over 20,000 hours of life, eliminating the need for bulb replacements.
- **Weather Resistant Construction:** Crafted from anti-rust die-cast aluminum and solid bubble crystal, ensuring durability and resistance to rust or corrosion for years. Rated IP65 waterproof, suitable for wet locations.

- **Versatile Application:** Ideal for various outdoor spaces including front porches, garages, courtyards, hallways, entryways, doorways, foyers, corridors, balconies, patios, and street-facing areas.
- **Elegant Design:** The unique water ripple glass provides a beautiful and upscale lighting effect when illuminated.

3. WHAT'S IN THE BOX

Your PARTPHONER Outdoor Light Fixture package includes the following components:

- 2 x Outdoor Light Fixtures (with integrated LED)
- Mounting Hardware (screws, mounting plate)
- Wire Nuts
- Instruction Manual

4. SETUP AND INSTALLATION

Installation of the PARTPHONER Outdoor Light Fixture is designed to be straightforward. Basic electrical knowledge is recommended. Always ensure power is turned off at the circuit breaker before beginning any electrical work.

Installation Steps:

1. **Prepare the Area:** Turn off the power to the existing light fixture at the main circuit breaker. Ensure the power is completely off before proceeding.
2. **Remove Old Fixture (if applicable):** Carefully disconnect and remove any existing light fixture from the electrical box.
3. **Install Mounting Plate:** Attach the provided mounting plate to your electrical box using the supplied screws. Ensure it is securely fastened.
4. **Wire Connections:** Connect the wires from the light fixture to your household wiring. Typically, this involves connecting:
 - Black (Live) wire from fixture to Black (Live) wire from wall.
 - White (Neutral) wire from fixture to White (Neutral) wire from wall.
 - Green or Bare Copper (Ground) wire from fixture to Green or Bare Copper (Ground) wire from wall.

Use the provided wire nuts to secure all connections. Ensure connections are tight and insulated.

5. **Mount the Fixture:** Carefully tuck the connected wires into the electrical box. Align the light fixture with the mounting plate and secure it using the provided screws.
6. **Restore Power:** Once the fixture is securely mounted, turn the power back on at the circuit breaker.

Safety Note: If you are unsure about any part of the installation process, please consult a qualified electrician.

5. OPERATING INSTRUCTIONS

The PARTPHONER Outdoor Light Fixture is designed for automatic operation thanks to its integrated dusk-to-dawn sensor.

- **Automatic On/Off:** The built-in IC light sensor will detect the ambient light levels. The light will automatically turn on when it gets dark (dusk) and turn off when it becomes bright (dawn).
- **Manual Override (if applicable):** While the primary function is automatic, if your light fixture is connected to a wall switch, you can use the switch to manually turn the light on or off at any time, overriding the sensor.

6. MAINTENANCE

To ensure the longevity and optimal performance of your PARTPHONER Outdoor Light Fixture, follow these simple maintenance guidelines:

- **Cleaning:** Periodically clean the fixture with a soft, damp cloth. Avoid using abrasive cleaners or solvents, as they may damage the finish or glass.
- **Inspection:** Annually inspect the wiring and connections for any signs of wear, corrosion, or damage. Ensure all screws and mounting hardware remain tight.
- **Integrated LED:** The LED is integrated and designed for long life, so no bulb replacement is necessary.

7. TROUBLESHOOTING

If you encounter any issues with your light fixture, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Light does not turn on at night.	- Power is off at the switch or breaker. - Sensor is obstructed or receiving too much light. - Loose wiring connection.	- Check the wall switch and circuit breaker. - Ensure the sensor is not blocked and is not exposed to other light sources (e.g., streetlights, other fixtures). - Turn off power and check all wire connections.
Light stays on during the day.	- Sensor is obstructed or not receiving enough light. - Sensor malfunction.	- Ensure the sensor is not blocked and is exposed to natural daylight. - Contact customer support if the issue persists.
Light flickers or dims.	- Loose wiring connection. - Voltage fluctuations.	- Turn off power and check all wire connections. - Consult an electrician to check household voltage.

8. SPECIFICATIONS

Attribute	Detail
Brand	PARTPHONER
Model Name	PAWL178AB2
Color	Black
Material	Glass, Metal (Die-cast Aluminum, Bubble Crystal)
Style	Modern
Light Fixture Form	Sconce
Product Dimensions	3"L x 4.99"W x 3"H
Specific Uses	Garage, Garden, Porch, Patio, Doorway
Indoor/Outdoor Usage	Outdoor (Wet Location rated)
Power Source	Corded Electric
Installation Type	Surface Mount
Special Feature	Dusk to Dawn Sensor
Light Source Type	Integrated LED
Wattage	13 Watts
Lumen Output	1300 Lumens

Attribute	Detail
Color Temperature	3000K (Warm White)
CRI	90
Lifespan	Over 20,000 hours
Voltage	120 Volts
Water Resistance Level	IP65 Waterproof
Number of Items	2 (Pack)

9. WARRANTY & SUPPORT

PARTPHONER is committed to providing high-quality products and excellent customer service. If your wall light fixture experiences any quality problems during use, please do not hesitate to contact us.

- **Warranty:** The product comes with an Extended Warranty. Please refer to your purchase documentation for specific terms and conditions.
- **Customer Service:** We offer 24-hour after-sales service to assist you with troubleshooting and provide effective solutions.
- **Contact Information:** For support, please visit the PARTPHONER store on Amazon or refer to the contact details provided with your product packaging.
