SOFTSEA Twin Size Tent-Shaped Floor Bed Instruction Manual

Model: 34648

INTRODUCTION

Thank you for choosing the SOFTSEA Twin Size Tent-Shaped Floor Bed. This manual provides essential information for the safe assembly, proper use, and effective maintenance of your new bed. Please read all instructions carefully before assembly and retain this manual for future reference.

SAFETY INFORMATION

- Always follow assembly instructions precisely. Incorrect assembly can lead to instability and injury.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as needed.
- Do not exceed the maximum weight capacity of 200 pounds.
- Keep small parts away from children during assembly to prevent choking hazards.
- Place the bed on a flat, level surface to prevent tipping.
- Do not allow children to climb on the tent-shaped frame or guardrails, as this is not intended for climbing.
- Use a mattress with a thickness of 6 inches or less to ensure the guardrails provide adequate safety.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- 1 Twin Tent-Shaped Floor Bed Frame
- Guardrails
- Support Slats (7 pcs)
- All necessary hardware (screws, bolts, etc.)
- Assembly Manual

SETUP AND ASSEMBLY

Assembly is required for this product. It is recommended to have two adults for assembly. Please follow the step-by-step instructions provided in the included assembly manual. Ensure all parts are correctly oriented before tightening screws.

Key Assembly Points:

1. **Frame Construction:** Begin by assembling the main bed frame components. Ensure the side rails and end panels are securely connected.
2. **Guardrail Attachment:** Attach the guardrails to the bed frame. Note the designated entrance for easy access.
3. **Teepee Structure Assembly:** Construct the tent-shaped frame by connecting the roof beams to the main bed frame.
4. **Slat Installation:** Place the support slats evenly across the bed frame. Secure them according to the manual to

ensure mattress support.

OPERATING AND USAGE

The SOFTSEA Tent-Shaped Floor Bed is designed for children, offering a low-profile sleeping solution with integrated safety features.

- **Mattress Placement:** Place a standard twin-size mattress (maximum 6 inches thick) directly onto the support slats. No spring box is needed.
- **Guardrail Access:** The bed features an opening in the guardrail for easy entry and exit.
- **Decorative Use:** The tent-shaped frame can be decorated with light fabrics or string lights (ensure they are safely secured and do not pose a fire hazard) to create a personalized space.

MAINTENANCE

Proper care will extend the life and appearance of your bed.

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Fastener Checks:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Environmental Conditions:** Avoid placing the bed in direct sunlight or near heat sources, which can cause wood to dry out or warp. Maintain a stable room temperature and humidity.

TROUBLESHOOTING

If you encounter any issues with your bed, refer to the following common solutions:

- **Squeaking Noises:** Squeaking often indicates loose fasteners. Re-tighten all screws and bolts on the frame and slats. Ensure the bed is on a level surface.
- **Instability/Wobbling:** Check that all connections are fully tightened. Verify that the bed is assembled correctly according to the manual. Ensure the floor surface is even.
- **Missing Parts:** If you discover missing parts during assembly, do not proceed. Contact customer support immediately for assistance.

SPECIFICATIONS

Product Type	Tent-shaped HB Bed with Fence
Size	Twin
