5. USAGE AND OPERATION

Once installed, the Baby Set 2 provides a secure and comfortable environment for your child. The 5-point harness is designed for easy buckling and unbuckling by adults, while remaining secure for the child.

- To secure your child, place them in the Baby Set and bring the harness straps over their shoulders and between their legs. Connect the buckles at the center until you hear a click.
- Adjust the straps to ensure a snug but comfortable fit. The harness is designed to be easily adjustable.
- To release the harness, press the quick-release button on the central buckle.

The Tripp Trapp Chair with the Baby Set allows your child to sit at the table with the family, fostering interaction and development.
