## FREDEES 91060-40

# FREDEES Rustic Nightstand with Gun Drawer User Manual

Model: 91060-40

## INTRODUCTION

This user manual provides detailed instructions for the assembly, operation, and maintenance of your FREDEES Rustic Nightstand with Gun Drawer. Designed with a farmhouse style, this nightstand features four spacious drawers, including a secure gun storage compartment, a built-in charging station with USB, Type-C, and wireless charging, and an LED light with motion-sensing capabilities. Please read this manual thoroughly before use to ensure proper functionality and safety.

## SAFETY INFORMATION

Refer to the Assembly Guide for safety instructions. Always ensure the nightstand is placed on a stable, level surface. Do not overload drawers. Keep all electrical components away from water. For secure storage, always utilize the locking mechanism of the gun drawer.

## PRODUCT OVERVIEW

### Dimensions and Weight

- **Product Dimensions:** 15.7"D x 17.7"W x 23.62"H
- **Item Weight:** 37.5 Pounds

**Tabletop Weight Capacity: 50 LBS**

**Drawers Weight Capacity: 30 LBS**

## SETUP AND ASSEMBLY

Your FREDEES Rustic Nightstand requires assembly. An Assembly Guide is included with your product. Please follow the step-by-step instructions provided in the guide for proper and safe assembly. All necessary installation tools are included.

**Tools Recommended:** Drill (as per product specifications).

## OPERATING INSTRUCTIONS

### 1. Charging Station

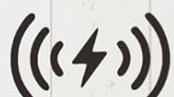

The nightstand is equipped with a versatile charging station on its top surface. This includes:

- **Wireless Charging Pad:** Place your compatible smartphone or device directly on the designated wireless charging area.

- **USB Ports:** Connect your devices using standard USB cables to the 5V/2A USB ports.
- **Type-C Port:** Connect your devices using a Type-C cable to the dedicated Type-C port.

## CONVENIENT CHARGING STATION

**Wireless charging**

**USB port**

**Type-C port**

## 2. LED Light System

The integrated LED light offers customizable illumination for your space.

- **Light Modes:** The light comes in three different colors: White light, Blue light, and Warm light.
- **Brightness Adjustment:** Press and hold the light control button to adjust the brightness from 0% to 100%.
- **Motion-Sensing Function:** The human sensor light automatically turns on when motion is detected within approximately 1 meter, providing convenience in the dark.

## 3 LED LIGHTS MODES

Cater to different occasion

0-100% brightness adjustable (press and hold)

### 3. Gun Drawer Operation

The top drawer is designed for secure storage and features a unique locking mechanism.

- **Unlocking:** To unlock the gun drawer, place the provided magnetic key (shaped like a chess piece) on the designated spot on the tabletop. The drawer will then be accessible.
- **Locking:** To lock the drawer, simply close it. The drawer will automatically secure itself once the magnetic key is removed from the designated spot.

## MAINTENANCE

To ensure the longevity and appearance of your nightstand, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Promptly clean up any spills to prevent staining, especially on the stained wood finish.
- **Drawer Rails:** Periodically check and clean the iron rails of the drawers to ensure smooth operation.
- **Electrical Components:** Ensure the charging station and LED light components remain dry and free from dust.
- **Stability:** Regularly check all screws and fasteners to ensure they are tight. Re-tighten if necessary to maintain

stability.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Gun drawer does not open/close smoothly or does not lock.	Magnetic key not placed correctly; obstruction in rails; mechanism malfunction.	Ensure the magnetic key is precisely on the designated spot. Check for any debris or objects obstructing the drawer rails. If the issue persists, contact customer support.
Charging station not working.	Power not connected; device incompatibility; faulty cable/device.	Verify the nightstand is properly plugged into a power outlet. Ensure your device is compatible with wireless charging. Try a different USB/Type-C cable or device to rule out external issues.
LED light not turning on or flickering.	Power issue; sensor obstruction; light component malfunction.	Check power connection. Ensure the human sensor area is clear of obstructions. If the light still doesn't work, contact customer support.
Nightstand feels wobbly after assembly.	Loose fasteners; uneven floor.	Re-check all assembly screws and tighten them securely. Ensure the nightstand is placed on a flat, even surface.
