Maintenance

To maintain the appearance and longevity of your VASAGLE LIRY Collection Buffet Cabinet, follow these simple care instructions:

- **Cleaning:** Wipe the surface with a damp cloth to remove dust and spills. Avoid using harsh chemicals or abrasive cleaners.
- **Spill Management:** If any liquid spills on the tabletop, immediately wipe it up with a dry cloth to prevent damage to the finish.
- **Stability:** Regularly check the tightness of all screws and connections to ensure the cabinet remains

robust and stable.

- **Floor Clearance:** The raised legs allow for easy cleaning underneath the cabinet, including robotic vacuum access, simplifying floor maintenance.

Troubleshooting

If you encounter any issues during or after assembly, please refer to the following common troubleshooting tips:

- **Uneven Cabinet:** If the cabinet appears wobbly or uneven, adjust the leveling feet located at the bottom of the unit. Rotate them clockwise or counter-clockwise until the cabinet is stable on the floor.
- **Door Alignment:** If the cabinet doors do not align properly or have gaps, loosen the screws on the back panel slightly. Adjust the doors to achieve proper alignment, then re-tighten the screws.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support with your model number and a description of the issue.
