LUMISOL B0D5MFYRL1

LUMISOL Farmhouse Grill Table with Stainless Steel Top Outdoor Rolling Bar Cart & Storage Cabinet

Model: B0D5MFYRL1

INTRODUCTION

This instruction manual provides essential information for the safe assembly, operation, and maintenance of your LUMISOL Farmhouse Grill Table. Please read this manual thoroughly before use and retain it for future reference. Proper use and care will ensure the longevity and optimal performance of your product.

IMPORTANT SAFETY INFORMATION

WARNING:

- Exceeding the tabletop weight capacity of 400 lbs or the open compartment weight capacity of 200 lbs may result in damage or instability.
- Use caution when moving the cart on uneven surfaces to prevent tipping.
- Ensure all wheels are locked when the cart is stationary to prevent unintended movement.
- Keep children and pets away from the cart during assembly and operation.

COMPONENTS OVERVIEW

The LUMISOL Farmhouse Grill Table is designed for outdoor use, featuring a durable construction and versatile storage options. Key components include:

- **Stainless Steel Tabletop:** A robust surface for food preparation.
- **Solid Fir Wood Frame:** Provides structural integrity and a rustic aesthetic.

- **Internal Storage Racks:** Maximizes storage capacity within the cabinet.
- **Spice Rack:** Conveniently located for easy access to seasonings.
- **Paper Towel Rack:** Keeps paper towels within reach.
- **S-Hook Hangers:** For hanging utensils and tools.
- **Bottle Opener:** Integrated for convenience.
- **Lockable Wheels:** Four wheels for secure mobility and stability.
- **Gas Line Exit Hole:** For safe setup of gas cylinders within the cabinet.

SETUP AND ASSEMBLY

Assembly of the LUMISOL Farmhouse Grill Table requires careful attention to detail. Please follow the separate assembly instructions provided in the product packaging. Ensure all components are present and undamaged before beginning assembly.

General Assembly Guidelines:

- 1. Unpack all parts and lay them out on a clean, soft surface to prevent scratches.
- 2. Identify all hardware and components using the parts list in your assembly guide.
- 3. Follow the step-by-step diagrams in the assembly guide. Do not overtighten screws until instructed.
- 4. Ensure all connections are secure before moving or using the table.
- 5. Attach the four lockable wheels to the base of the cart, ensuring they are securely fastened.

OPERATING INSTRUCTIONS

Using the Work Surface:

The 1.2-inch thick 201 stainless steel tabletop provides a durable and easy-to-clean surface for food preparation, grilling, or serving. Ensure the surface is clean before placing food items directly on it.

Storage and Organization:

- **Internal Cabinet:** The full cabinet can store a gas cylinder, wood fire charcoal, or wood pellets. Utilize the integrated exit hole at the back for safe gas line setup if using a gas appliance.
- **Internal Storage Racks:** The tiered racks inside the cabinet doors and main compartment are designed to maximize storage for various items like plates, bottles, or small appliances.
- **Spice Rack:** Located on the left side, this rack provides convenient access to spices and condiments.
- **Paper Towel Rack:** Mount paper towel rolls on the designated rack for quick cleanup.
- **S-Hook Hangers:** Use the four S-hook hangers to keep grilling tools, towels, or other accessories within easy reach.
- **Bottle Opener:** The integrated bottle opener is ready for use.

Mobility:

The cart is equipped with four 360-degree smooth lockable wheels. To move the cart, unlock all four wheels. To secure the cart in place, press down on the locking mechanism on each wheel until it clicks into position.

MAINTENANCE

Cleaning:

- **Wood Surfaces:** Wipe with a dry cloth. Avoid harsh chemicals or abrasive cleaners that may damage the wood finish.
- **Stainless Steel Top:** Wipe with a damp cloth and mild detergent, then dry thoroughly. For stubborn stains, use a stainless steel cleaner.
- Regularly clean all surfaces to prevent dirt and grime buildup.

General Care:

- Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- Store the cart in a covered area during prolonged periods of non-use or extreme weather conditions to protect the wood and metal components.

TROUBLESHOOTING

Cart Instability:

- **Issue:** The cart wobbles or feels unstable.
- **Solution:** Ensure all assembly screws are tightened. Verify that the cart is placed on a level surface. If moving, ensure all four wheels are unlocked. If stationary, ensure all four wheels are locked.

Difficulty Moving Cart:

- **Issue:** The cart is difficult to roll.
- **Solution:** Check that all four wheels are unlocked. Clear any debris from the wheels.

Cabinet Doors Not Closing Properly:

- **Issue:** Cabinet doors do not align or close securely.
- **Solution:** Check hinges for proper installation and tightness. Ensure the magnetic suction latches are correctly aligned and functioning.
