Mirightone Full Size Montessori Floor Bed Instruction Manual

Model: B0D5MP63L7

INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your Mirightone Full Size Montessori Floor Bed. Designed with safety and independence in mind, this bed features a low-to-ground design and high fence railings, making it ideal for children. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and safe operation.

Safety Information

Your safety and the safety of your child are paramount. Please adhere to the following safety guidelines:

- Always use the high fence railings to prevent the risk of falling out of bed, especially for young children.
- Ensure all screws and fasteners are securely tightened before use and periodically check for looseness.
- Do not allow children to jump on the bed frame.
- Keep small parts away from young children during assembly to prevent choking hazards.
- Place the bed on a flat, stable surface.
- Do not use the bed if any parts are missing, damaged, or broken. Contact customer support for replacement parts.

Components and Package Contents

Before beginning assembly, verify that all parts are present and undamaged. Refer to the included parts list in your package. If any parts are missing or damaged, please contact customer support.

- Bed Frame Panels (Headboard, Footboard, Side Rails)
- Fence Railings
- Hardware Pack (screws, nuts, bolts, Allen wrench)
- Installation Manual (this document)

SETUP AND ASSEMBLY

Assembly is required for this product. Each accessory part is numbered for easy installation. It is recommended to have two adults for assembly.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratching.
2. Identify all numbered parts according to the included installation manual.
3. Follow the step-by-step diagrams and instructions provided in the separate installation manual to connect the bed frame panels.
4. Attach the high fence railings securely to the bed frame using the provided hardware.
5. Ensure all connections are tight and stable before placing the mattress.

OPERATING INSTRUCTIONS

The Mirightone Montessori Floor Bed is designed for ease of use and child independence.

Low Height Design

The low-to-ground design allows children to easily get in and out of bed independently, fostering a sense of autonomy and reducing the risk of falls from a traditional height bed.

Low Height to Ground

Extral High Height Secure railings ensure safety

Image: A young child crawling into the low-height Mirightone Montessori Floor Bed, demonstrating the ease of access for toddlers.

High Fence Railings

The 20-inch high guardrails provide enhanced safety, accommodating various mattress thicknesses and preventing children from rolling out of bed. The fence with baffle design also helps prevent hands and feet from getting caught and toys from falling out.

Playhouse Functionality

The bed's design allows it to double as a playhouse, encouraging imaginative play within a safe and familiar space.

Integrated Storage (if applicable)

Some models feature integrated side storage shelves, perfect for books or small toys, keeping essentials within reach.

MAINTENANCE

Proper care will extend the life of your Mirightone Montessori Floor Bed.

- **Cleaning:** The manufacturer recommends dry cleaning only for the bed frame. For general cleaning, wipe down the wood surfaces with a soft, dry cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Inspection:** Periodically inspect all hardware and connections to ensure they remain tight. Re-tighten as necessary.
- **Environment:** Keep the bed in a stable environment, avoiding extreme humidity changes that could lead to wood

cracking.

TROUBLESHOOTING

If you encounter any issues with your bed, please refer to the following common solutions:

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose hardware connections.	Check all screws, bolts, and fasteners. Tighten them securely using the provided tools. Ensure the bed is on a level surface.
Mattress does not fit perfectly.	Variations in mattress dimensions or bed frame manufacturing tolerances.	The bed is designed for a Full size mattress (79.5" x 57" x 20"). Minor gaps may occur. Ensure the mattress is centered.
Missing or damaged parts upon arrival.	Shipping damage or packaging error.	Do not attempt to assemble. Contact Mirightone customer support immediately with your order details for assistance and replacement parts.
