## Crestlive Products CL-TB005BLK

# Crestlive Products Outdoor Bar Table Instruction Manual

Model: CL-TB005BLK | Brand: Crestlive Products

## 1. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Retain this manual for future reference.

- Assembly requires careful attention to avoid injury.
- Ensure the umbrella pole diameter fits the table's umbrella hole (1.77 inches) before assembly.
- Be cautious of pinch points during assembly.
- Do not overload the table. The maximum weight recommendation is 17 pounds.
- Place the table on a flat, stable surface to prevent tipping.

## 2. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Table Top (Tempered Glass)
- Table Legs (Aluminum Frame)
- Hardware Pack (bolts, washers, nuts, umbrella hole lid)
- Assembly Tool (Screw Driver)

### 3. SETUP AND ASSEMBLY INSTRUCTIONS

---

#### Tools Required:

- Screw Driver (included)

#### Assembly Steps:

1. Carefully unbox all components and place them on a soft, clean surface to prevent scratches.
2. Attach the table legs to the underside of the table top using the provided hardware. Ensure all bolts are finger-tightened initially.
3. Once all legs are in place, gradually tighten all bolts with the included screwdriver. Do not overtighten.
4. Ensure the table is stable and level. Adjust as necessary.
5. If using an umbrella, insert it into the central umbrella hole. If not, use the provided lid to cover the hole.

#### 4. OPERATING INSTRUCTIONS

---

The Crestlive Products Outdoor Bar Table is designed for outdoor use as a dining or bistro table. Its central hole accommodates most market umbrellas.

- **Umbrella Usage:** Insert an umbrella with a pole diameter of 1.77 inches or less into the designated hole. Ensure the umbrella is securely seated, especially in windy conditions.
- **Umbrella Hole Lid:** When an umbrella is not in use, cover the hole with the provided lid to maintain a flat table surface and prevent debris from entering.
- **Placement:** Position the table on a level outdoor surface such as a patio, garden, yard, or poolside area.

## 5. MAINTENANCE AND CARE

Proper maintenance will extend the life and appearance of your outdoor bar table.

- **Cleaning:** The tempered glass top can be cleaned with a damp cloth and mild glass cleaner. The aluminum frame can be wiped with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals.
- **Weather Resistance:** The aluminum frame is rust-free and water-resistant. However, prolonged exposure to extreme weather conditions may affect its longevity. Consider covering the table during heavy rain, snow, or strong winds.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Storage:** During off-season or extended periods of non-use, store the table in a dry, protected area to prevent potential damage.

## 6. TROUBLESHOOTING

Refer to this section for common issues and their solutions.

Problem	Possible Cause	Solution
Table is wobbly.	Uneven surface; loose bolts.	Move table to a level surface. Check and tighten all assembly bolts.
Umbrella does not fit the hole.	Umbrella pole diameter is too large.	Ensure your umbrella pole diameter is 1.77 inches or less.

Problem	Possible Cause	Solution
Glass top appears scratched.	Abrasive cleaning materials used; impact damage.	Use only soft cloths and non-abrasive cleaners. Avoid placing sharp objects directly on the glass.
