Safety Information

Please read all safety warnings and instructions carefully before using this product to prevent injury or damage.

- Consult a doctor before use if you have a medical condition, especially eye-related conditions or if you are pregnant.
- Do not use the device near water or in wet environments.
- Do not operate the device while driving or operating heavy machinery.
- Avoid using the massager at an uncomfortable pressure level. If you experience pain or discomfort, discontinue use immediately.
- Do not disassemble, repair, or modify the device yourself. Contact customer support for assistance.
- Keep out of reach of children.

Package Contents

Your RENPHO Eyeris 3 Rosé Eye Massager package should include the following items:

- RENPHO Eyeris 3 Rosé Eye Massager
- Removable Cooling Gel Mask
- USB-C Charging Cable (Note: 5V 2A adapter not included)
- Storage Bag
- User Manual (this document)

Product Features

Heat and Cooling Therapy

The massager offers three heating levels (104℉/40℃, 108℉, 113℉/45℃) to help relieve eye strain, promote blood circulation, and reduce the appearance of dark circles. A removable cooling gel mask is included to alleviate puffiness and dark circles. For optimal cooling, freeze the gel mask for 35-60 minutes before use.

Massage Modes and Pressure Levels

Enjoy three distinct compression modes, three adjustable pressure levels (Soft, Medium, Strong), and vibration to soothe

your eyes and temples, promoting a deeper state of calm.

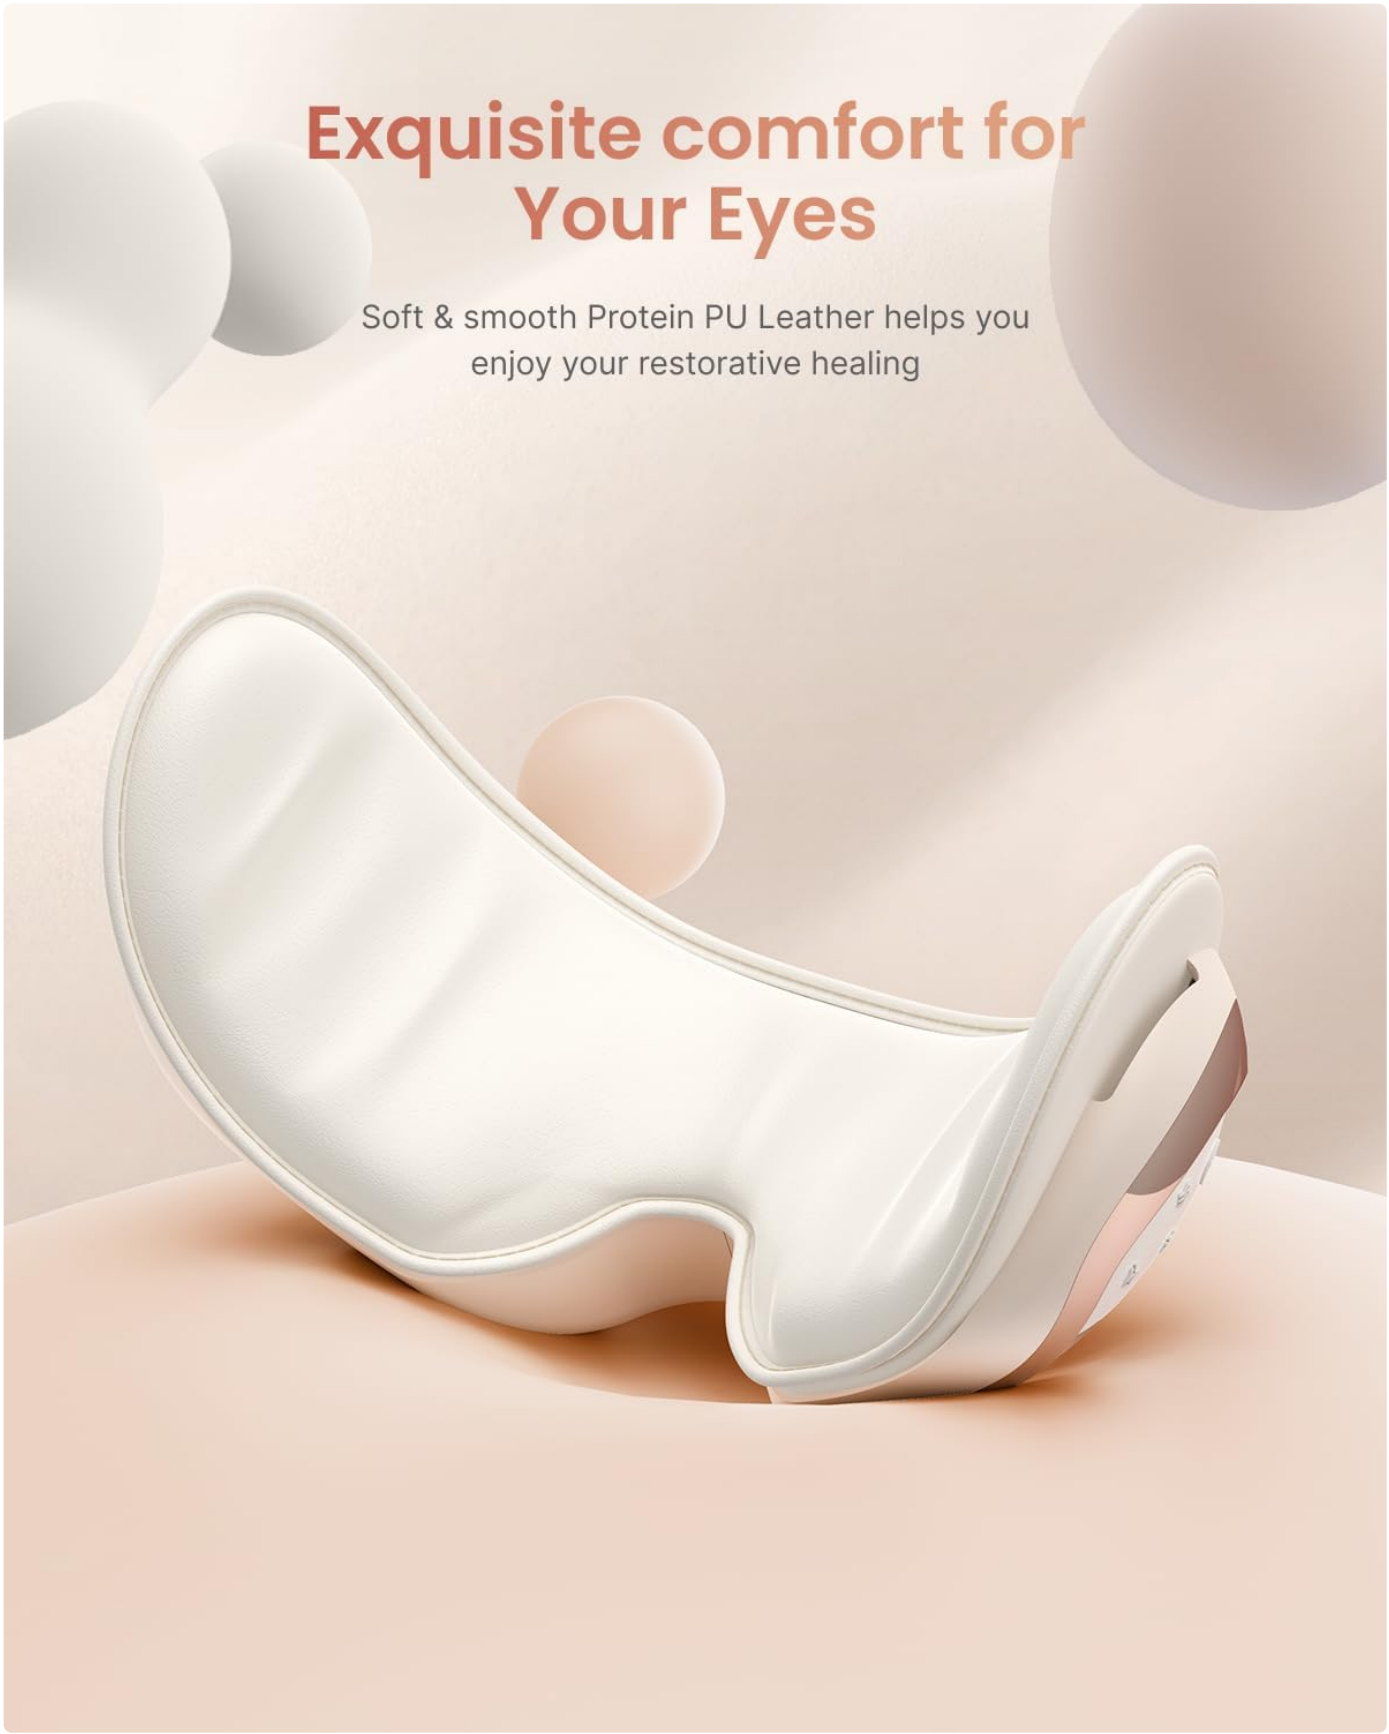

Image: Visual representation of the adjustable pressure levels and built-in sound options.

Bluetooth Connectivity and Music

Connect your phone via Bluetooth to play your favorite music or relax with the device's pre-set music and white noise options, enhancing your relaxation experience.

Fast Charging and Battery Life

The built-in 1500mAh rechargeable battery fully charges in approximately 1.5 hours, providing up to 240 minutes of continuous use on a single charge.

Getting Started

Charging the Device

Before first use, fully charge the eye massager to ensure optimal performance.

1. Connect the USB-C charging cable to the device's charging port.
2. Connect the other end of the cable to a 5V 2A power adapter (not included).
3. The LED charging indicator will flash red during charging and turn solid red when fully charged.

Adjusting the Headband

Adjust the elastic headband to ensure a comfortable and secure fit. The headband is designed to accommodate head circumferences between 18.89 inches (48 cm) and 27.56 inches (70 cm).

Operating Instructions

Power On/Off

To turn the device on or off, press and hold the power button (usually marked with a power symbol) for a few seconds.

Using Voice Control

To activate voice control, simply say "Hi Eyeris". You can then use various commands to control the device:

- "Welcome"
- "Sound Off" / "Silent Mode"
- "Change Time"
- "Ten Minutes" (or other desired time durations)

Refer to the quick start guide included with your product for a comprehensive list of all 18 voice commands.

Manual Button Controls

The device also features physical buttons for direct control:

Button Action	Function
Press and Hold Power Button	Power on/off
Press Power Button	Select timer
Press and Hold Vibration Button (~)	Vibration on/off
Press Vibration Button (~)	Adjust heat level
Press and Hold Mode Button)))	Cycle through massage modes
Press Mode Button)))	Adjust pressure level
Press Volume +/-	Adjust volume
Press and Hold Volume +/-	Switch music
Double Press Volume +/-	Toggle Silent/Voice Mode

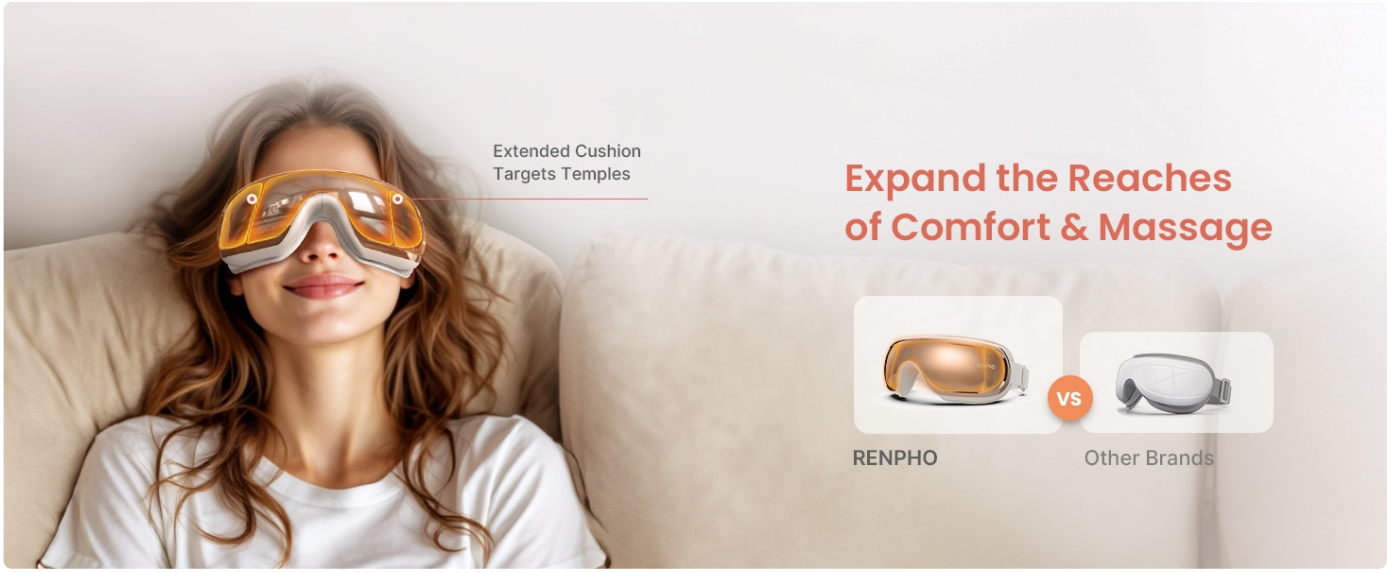

Image: Detailed guide to the manual button controls.

Applying Heat Therapy

Press the vibration button to cycle through the three heat levels: Low (104℉/40℃), Medium (108℉), and High (113℉/45℃). Select the level that provides the most comfortable warmth.

Using the Cooling Gel Mask

For cooling therapy, freeze the removable gel mask for 35-60 minutes before attaching it to the eye massager. Ensure the heating function is deactivated before attaching the gel mask to prevent damage or ineffective cooling.

Selecting Massage Modes

Press the mode button to cycle through the available compression modes. The device offers specific modes targeting:

- **Temples Only** (Regeneration Mode)
- **Eyes Only** (Retinol Protection Mode)
- **Eyes & Temples** (Tension Relief Mode)

Bluetooth Pairing

To pair the eye massager with your smartphone for music playback:

1. Turn on the eye massager.
2. Enable Bluetooth on your smartphone.
3. Search for "R-G010V" in your Bluetooth device list and select it to pair.
4. Once connected, you can play audio through the massager's built-in speakers.

Maintenance

Cleaning

The soft protein PU material is designed for easy cleaning. To clean the surface of the massager, gently wipe it with a soft, damp cloth. Do not use abrasive cleaners, harsh chemicals, or immerse the device in water.

Storage

Store the eye massager in a cool, dry place away from direct sunlight and extreme temperatures. The device is foldable and comes with a dedicated storage bag for convenient travel and protection when not in use.

Troubleshooting

Device not turning on

- Ensure the device is fully charged. Connect it to a power source and check the charging indicator.
- Press and hold the power button for a few seconds to ensure it registers.

No heat or insufficient heat

- Verify that the heating function is activated and set to the desired level using the vibration button.
- If the cooling gel mask is attached, remove it as it will mute the warmth.

Voice control not responding

- Ensure you are speaking clearly and directly towards the device.
- Try double-pressing the volume button to toggle between Silent/Voice Mode.

Bluetooth connection issues

- Make sure Bluetooth is enabled on your phone and the device is discoverable.
- Try unpairing and re-pairing the device from your phone's Bluetooth settings.
- Ensure no other devices are currently connected to the massager.

Massage pressure feels too weak or too strong

- Adjust the pressure level using the manual button controls.
- Ensure the headband is adjusted for a snug but comfortable fit.
