

KAI-ROAD 31.5"

KAI-ROAD Small Vanity Desk with LED Mirror and Stool
Instruction Manual

Model: 31.5 inch Gold
Brand: KAI-ROAD

1. INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your KAI-ROAD Small Vanity Desk with LED Mirror and Stool. Please read all instructions carefully before beginning assembly or use to ensure proper function and longevity of the product. Keep this manual for future reference.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions may result in injury or damage to the product.

- Assembly may require careful handling of small parts. Keep all components out of reach of small children until assembly is complete.
- Keep electrical components, including the LED mirror and power outlet, away from water and moisture to prevent electric shock.
- Do not touch the mirror surface while the LED lights are on for extended periods, as it may become warm.
- Always unplug the charging station from the wall outlet when not in use or during cleaning to prevent electrical hazards.
- Ensure the vanity desk is placed on a stable, level surface to prevent tipping.
- Do not overload the desk or storage compartments.

3. PRODUCT FEATURES

- **Round LED Lighted Mirror:** Features 3 adjustable color modes (warm, natural, cold) and adjustable brightness. Control with a touch switch.
- **Compact Desk Design:** Includes a spacious side pocket and two hooks for organization, maximizing desktop space.
- **Built-in Power Station:** Equipped with 2 standard plug sockets and 2 USB ports for convenient charging of devices and powering beauty tools.

- **Comfortable Stool:** Comes with a thick-sponged PU padded seat for enhanced comfort. Features non-slip and anti-scratch protectors on legs.
- **Durable Construction:** Crafted from engineered wood and metal for stability and longevity.

4. SETUP AND ASSEMBLY

The KAI-ROAD Small Vanity Desk requires assembly. All necessary tools and clear instructions are included in the package. No additional tools are required.

4.1 Unpacking

- Carefully remove all components from the packaging.
- Verify that all parts listed in the assembly instructions are present and undamaged.
- Keep packaging materials until assembly is complete to ensure no small parts are discarded.

4.2 Assembly Steps

Refer to the detailed assembly instruction booklet provided with your product for step-by-step guidance. Follow the diagrams and written instructions precisely.

Product Dimensions

**Lighted
Makeup Mirror**

**Heavy Duty
Metal Design**

**Environment
All Protection**

Figure 1: Product Dimensions and Key Features. This diagram illustrates the overall dimensions of the vanity desk, mirror, and stool, along with features like the lighted makeup mirror, heavy-duty metal design, and environmental protection considerations.

- Begin by assembling the desk frame, ensuring all screws are tightened securely.
- Attach the desktop to the frame.
- Assemble the stool according to the instructions, ensuring the padded seat is correctly attached.
- Place the LED mirror on the desktop and connect its power cable to the built-in power station.
- Install the side storage pocket and hooks as indicated in the manual.

5. OPERATING INSTRUCTIONS

5.1 LED Mirror Operation

The round LED mirror features a touch-sensitive control for lighting adjustments.

3 COLOR LIGHTING MODES

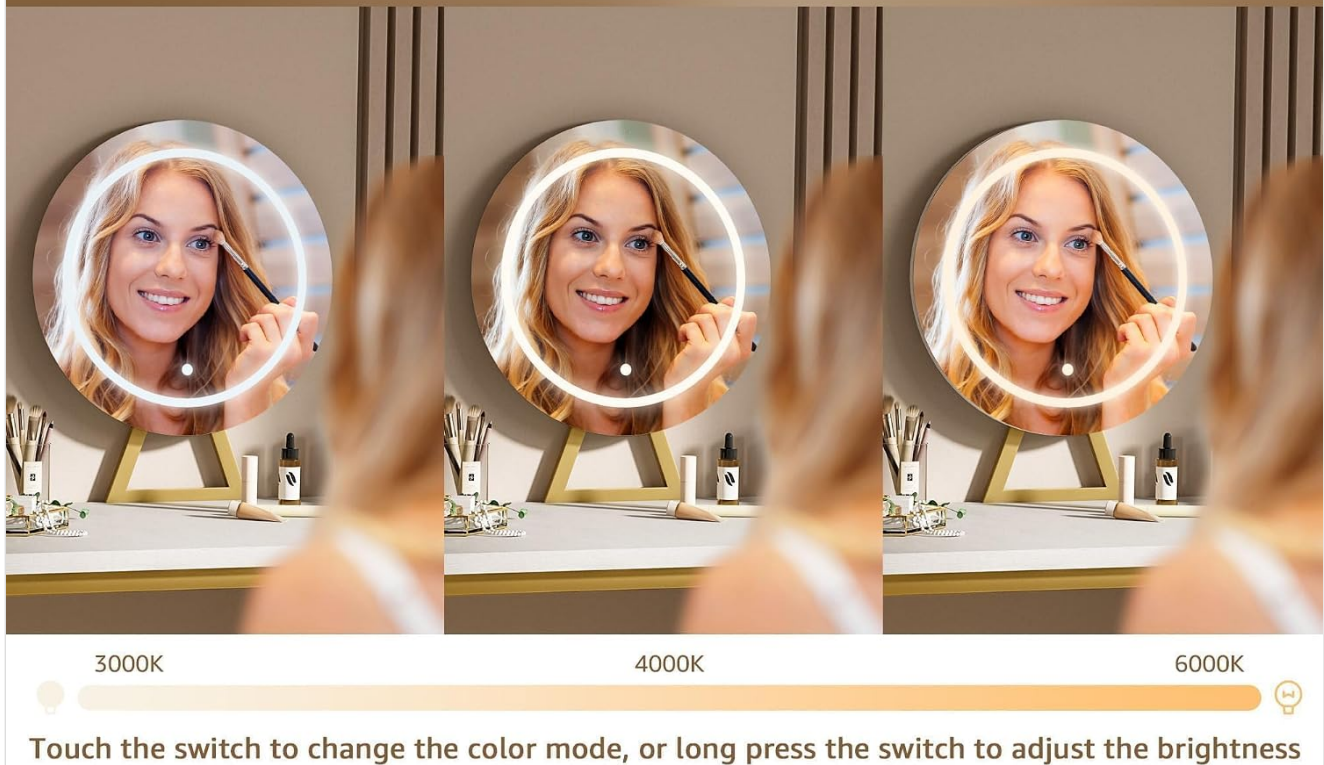

Figure 2: 3-Color Lighting Modes. This image demonstrates the three distinct color temperatures available on the LED mirror, ranging from warm to cold light, suitable for various makeup and lighting needs.

- **Power On/Off:** Lightly touch the power symbol on the mirror surface to turn the lights on or off.
- **Change Color Mode:** With the lights on, touch the power symbol repeatedly to cycle through the three color modes: warm (3000K), natural (4000K), and cold (6000K).
- **Adjust Brightness:** Long press the power symbol to smoothly adjust the brightness level within the selected color mode. Release when the desired brightness is achieved.

5.2 Power Outlet Usage

The built-in power station provides convenient access to electrical outlets and USB charging ports.

Figure 3: Built-in Power Strip. This image highlights the integrated power strip, featuring two 125V/12A AC outlets and two 5V/2A USB ports, with a 5.9-foot power cord.

- Plug the vanity desk's main power cord into a standard wall outlet.
- Use the 2 standard AC outlets (125V/12A) for beauty tools such as hair dryers or curling irons.
- Use the 2 USB ports (5V/2A) to charge mobile phones, tablets, or other USB-powered devices.
- Always ensure devices are compatible with the provided voltage and current.

5.3 Storage Features

Utilize the integrated storage solutions to keep your essentials organized.

Comfortable & Sturdy Cushioned Stool

Elevate your seating experience

Figure 4: Removable Storage and Hooks. This image illustrates the removable side storage bin and the integrated hooks, designed to help organize various items such as bags, headphones, or other accessories, enhancing desktop space.

- The removable side storage pocket can hold magazines, notebooks, or other larger items.
- The two integrated hooks are suitable for hanging bags, headphones, or small accessories.

6. MAINTENANCE

Proper care and maintenance will extend the life of your vanity desk.

- **Cleaning:** Wipe the desk and stool surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Mirror Care:** Clean the mirror with a soft, lint-free cloth and a glass cleaner. Do not spray cleaner directly onto the mirror, especially near electrical components.
- **Electrical Components:** Ensure the power station is unplugged before cleaning. Do not immerse any electrical parts in water.
- **Tightening:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Stool Care:** The faux leather seat can be wiped clean with a damp cloth. Avoid sharp objects that could puncture the

material.

7. TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common solutions.

- **LED Mirror Lights Not Working:**
 - Ensure the vanity desk's main power cord is securely plugged into a functional wall outlet.
 - Check if the mirror's power cable is properly connected to the built-in power station.
 - Lightly touch the power symbol on the mirror to ensure it is not simply off.
- **Power Outlets/USB Ports Not Working:**
 - Verify the main power cord is plugged in and the wall outlet is active.
 - Test with a different device to rule out a faulty device.
 - Avoid overloading the power strip; ensure total wattage does not exceed its capacity.
- **Desk or Stool Instability:**
 - Check all assembly screws and bolts. Tighten any loose fasteners.
 - Ensure the desk and stool are placed on a flat, even surface.

If problems persist after attempting these solutions, please contact KAI-ROAD customer service for assistance.
