› KAI-ROAD 31-inch White Makeup Vanity Desk with Round LED Mirror and Stool Instruction Manual

KAI-ROAD KLVD80W2D-RML

KAI-ROAD 31-inch White Makeup Vanity Desk with Round LED Mirror and Stool

Model: KLVD80W2D-RML

IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Always unplug the vanity before assembly, disassembly, or cleaning.
- Be cautious of sharp edges and pinch points during assembly.
- Keep the vanity and stool away from water to prevent electrical shorts.
- Do not place heavy objects on the mirror to avoid breakage.
- Always supervise children when using the vanity to prevent injuries.
- Ensure all connections are secure before use.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Vanity Desk Frame and Desktop
- Round LED Mirror
- Matching Stool
- Fabric Drawers (2 large, 2 small)
- Built-in Power Outlet Strip (pre-installed)
- Removable Side Pocket
- Removable Hooks (2)
- Assembly Hardware and Tools
- Instruction Manual

ASSEMBLY INSTRUCTIONS

The KAI-ROAD Vanity Desk is designed for easy assembly. Please follow the detailed step-by-step instructions and diagrams provided in the separate assembly guide included with your package. All necessary tools are provided.

General Assembly Steps:

1. Unpack all components and verify against the package contents list.
2. Assemble the desk frame using the provided hardware.
3. Attach the desktop to the assembled frame.
4. Insert the fabric drawers into their designated slots.
5. Attach the removable side pocket and hooks as desired.
6. Place the LED mirror on the desktop and connect its power cable to the built-in outlet.
7. Assemble the matching stool.

Product Dimensions

Figure 1: Product Dimensions Overview

Text Description: This image displays a diagram of the KAI-ROAD vanity desk and stool with key dimensions labeled. The desk measures 31.5 inches wide, 17.7 inches deep, and 30.7 inches high. The round LED mirror has a diameter of 15.7 inches. The stool is 17.7 inches high with a seat height of 11.8 inches. The diagram also highlights features such as the lighted makeup mirror, heavy-duty metal design, and environmental protection.

PRODUCT FEATURES

Round LED Lighted Mirror

The vanity desk includes a round LED mirror with adjustable lighting. This mirror offers three color modes (warm, natural, and cold) and adjustable brightness to suit various lighting needs for makeup application, salon use, or live broadcasts.

Figure 2: 3 Color Lighting Modes

Text Description: This image shows three distinct lighting modes of the LED mirror: 3000K (warm light), 4000K (natural light), and 6000K (cold light). A woman is shown applying makeup in each setting, illustrating how the different light temperatures affect visibility. Instructions for changing color mode and adjusting brightness are also provided.

Ample Storage Space

The vanity desk features two main drawers, a spacious removable side pocket, and two removable hooks. These storage options help keep your beauty essentials organized and easily accessible.

Removable Storage Function

Have Larger Desktop Space

Figure 3: Removable Storage Function

Text Description: This image provides a close-up of the vanity desk's left side, highlighting the removable fabric storage pocket. The pocket is shown holding various items like a laptop and a hair dryer, demonstrating its capacity and utility for keeping the desktop clear. The main drawers are also visible, partially open to show organized makeup items.

Removable Hook

Helps you effortlessly organize bags, headphone, and other items

Figure 4: Removable Hook

Text Description: This image focuses on one of the removable hooks attached to the side of the vanity desk. A handbag is shown hanging from the hook, illustrating its purpose for organizing bags, headphones, or other items, thereby maximizing desktop space.

Built-in Power Outlet

The vanity desk includes a built-in charging station with two standard plug sockets and two USB ports. This feature allows you to conveniently charge your devices and power beauty tools without needing additional wall outlets.

Built-in Power Strip

2 Outlets & 2 USB Ports

125V/12A
[2 AC outlets]

5V/2A
[2 USB Ports]

5.9-FT
[Power Cord]

Figure 5: Built-in Power Strip

Text Description: This image provides a detailed view of the built-in power strip located on the vanity desk's surface. It shows two standard AC outlets and two USB ports, with a phone charging wirelessly on a pad and a USB cable plugged in, demonstrating the convenience of the integrated charging station.

Comfortable Stool

A matching stool with thick-sponged PU padded seating is included for comfortable use. The stool features non-slip and anti-scratch protectors under the legs to protect your floor and reduce noise.

Comfortable & Sturdy Cushioned Stool

Elevate your seating experience

Figure 6: Comfortable & Sturdy Cushioned Stool

Text Description: This image shows a close-up of the white cushioned stool that accompanies the vanity desk. The stool has a thick, padded seat and sturdy white legs, emphasizing its comfort and stability. A power cord is visible on the floor, indicating the vanity's electrical features.

OPERATING INSTRUCTIONS

LED Mirror Operation

- **Power On/Off:** Touch the power icon on the mirror surface to turn the LED lights on or off.
- **Change Color Mode:** Briefly touch the power icon to cycle through the three color modes: warm light (3000K), natural light (4000K), and cold light (6000K).
- **Adjust Brightness:** Long press the power icon to continuously adjust the brightness level within the selected color mode. Release when the desired brightness is reached.

Power Outlet Usage

- Plug the vanity desk's main power cord into a standard wall outlet.

- Use the two standard AC outlets (125V/12A) for beauty tools like hair dryers or curling irons.
- Use the two USB ports (5V/2A) to charge mobile phones, tablets, or other USB-powered devices.
- Ensure devices are compatible with the provided power specifications.

CARE AND MAINTENANCE

- **Cleaning:** Wipe the vanity desk surfaces with a damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Mirror Care:** Clean the mirror surface with a soft, lint-free cloth and a glass cleaner. Do not spray cleaner directly onto the mirror to prevent liquid from entering the electrical components.
- **Fabric Drawers:** Spot clean fabric drawers as needed. Do not machine wash.
- **General:** Periodically check all screws and connections to ensure they remain tight.

TROUBLESHOOTING

If you encounter any issues, please refer to the following common solutions:

Problem	Possible Cause	Solution
Mirror lights not turning on.	Power cord not plugged in; loose connection; power outage.	Ensure the vanity is plugged into a working outlet. Check the mirror's power cable connection.
Power outlets/USB ports not working.	Vanity not plugged in; device not compatible; faulty device.	Verify the main power cord is connected. Test with a different device.
Desk feels wobbly.	Loose screws.	Tighten all assembly screws. Ensure the desk is on a level surface.
