Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building process.

2. Safety Information

WARNING: CHOKING HAZARD - Small Parts. Not for children under 3 years.
This building kit contains many small components. Keep all parts out of reach of young children and pets to prevent accidental ingestion. Adult supervision is recommended for builders under 18 years of age.

3. Package Contents

Upon opening the box, verify that all components are present. Your BrickTribe Dark Mirage Pirate Ship Building Kit should include:

- Approximately 2900 building blocks

- LED lighting components
- Instruction Guide
- Display Stand components

If any parts are missing or damaged, please contact customer support (refer to Section 9).

4. Assembly Instructions

The assembly of the Dark Mirage Pirate Ship is a detailed process. Follow the included Instruction Guide step-by-step for optimal results.

1. **Preparation:** Clear a large, well-lit workspace. Organize the building blocks by color and type as suggested in the instruction guide.
2. **Follow the Guide:** The included Instruction Guide provides visual and textual steps for each stage of construction. Pay close attention to the diagrams.
3. **LED Light Integration:** The LED lighting components are integrated during specific assembly steps. Ensure wires are routed correctly and connections are secure as indicated in the manual.
4. **Structural Integrity:** Ensure each piece is firmly connected to maintain the model's stability.
5. **Display Stand:** Assemble the display stand as per the instructions to securely showcase your completed pirate ship.

The instruction guide is designed to be clear and concise, ensuring a smooth building experience.

5. Operating LED Lights

Once the pirate ship is fully assembled and the LED components are correctly installed, you can activate the lighting feature.

- **Power Source:** The LED lights typically require a small battery pack (not always included, check packaging for details). Insert the required batteries into the designated battery compartment.
- **Activation:** Locate the power switch for the LED lights, usually positioned discreetly on the ship's hull or base. Flip the switch to the "ON" position to illuminate the ship.
- **Deactivation:** To turn off the lights, flip the switch to the "OFF" position.

The LED lighting adds a dynamic and detailed touch to the completed model.

6. Maintenance

To keep your BrickTribe Dark Mirage Pirate Ship in excellent condition:

- **Cleaning:** Gently dust the model regularly with a soft brush or cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the model in a stable, dry environment away from direct sunlight and extreme temperatures to prevent discoloration or warping of plastic parts.
- **Handling:** Handle the model carefully, especially delicate parts like masts and rigging, to avoid breakage.

7. Troubleshooting

If you encounter issues during assembly or operation, consider the following:

- **Missing Pieces:** Double-check all packaging and sorting trays. If a piece is genuinely missing, contact BrickTribe customer support with details of the missing part (refer to the instruction guide for part numbers).
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and apply firm, even pressure. Avoid forcing pieces, which can cause damage.
- **LED Lights Not Working:**
    - Check battery installation and ensure batteries are fresh.
    - Verify all wiring connections are secure as per the instruction guide.
    - Ensure the power switch is in the "ON" position.

- **Structural Instability:** Review previous steps in the instruction guide to ensure all connections are secure and no steps were missed.
