HOMCOM Set of 4 Modern Velvet Dining Chairs Instruction Manual

Model: IT83A-127V00GN0631

1. Introduction

Thank you for choosing the HOMCOM Set of 4 Modern Velvet Dining Chairs. This manual provides essential information for the safe assembly, proper use, and maintenance of your new chairs. Please read all instructions carefully before assembly and retain this manual for future reference.
This set includes four elegant dining chairs designed to enhance your home decor and provide comfortable seating. Each chair features soft velvet-effect fabric, a padded seat, and a curved backrest for a relaxing experience. The chairs are constructed with a powder-coated steel frame for durability and include adjustable foot pads for stability on uneven surfaces.

2. Safety Information

Safety Warning: Follow the provided assembly instructions carefully to avoid injury during installation.

- Always assemble the chairs on a soft, clean surface to prevent scratches.
- Ensure all screws and bolts are securely tightened before using the chairs.
- Do not stand on the chairs or use them as a step stool.
- Do not exceed the maximum weight capacity of 120 kg per chair.
- Keep small parts and packaging materials away from children.
- Periodically check all connections to ensure they remain tight.

3. Package Contents

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or

damaged, please contact customer service.

- 4 x Chair Seats (with curved backrest and padding)
- 4 x Sets of Chair Legs (powder-coated steel)
- 1 x Hardware Pack (screws, washers, Allen key, adjustable foot pads)

4. Setup and Assembly

Follow these steps to assemble your HOMCOM dining chairs. It is recommended to have two people for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a soft, clean surface to prevent damage.
2. **Attach Legs to Seat:** Align the leg frame with the pre-drilled holes on the underside of the chair seat. Ensure the legs are oriented correctly (usually with the wider part facing the front of the seat).
3. **Secure Legs:** Insert the provided screws and washers into the holes. Hand-tighten all screws initially. Do not fully tighten until all screws are in place.
4. **Final Tightening:** Once all screws are in place, use the Allen key to fully tighten all screws. Ensure they are snug but do not overtighten, as this can damage the frame.
5. **Adjust Foot Pads:** Turn the chair upright. If the chair wobbles, adjust the foot pads on the bottom of each leg until the chair is stable on an even surface.
6. **Repeat for Remaining Chairs:** Follow the same steps for the other three chairs in the set.

5. Operating Instructions (Usage)

Your HOMCOM dining chairs are designed for comfortable seating in various settings.

- **Intended Use:** These chairs are suitable for dining rooms, kitchens, living rooms, or guest rooms.
- **Seating:** Sit centrally on the chair with your back against the curved backrest for optimal comfort.
- **Weight Limit:** Do not exceed the maximum weight capacity of 120 kg (approximately 265 lbs) per chair.
- **Movement:** When moving the chairs, lift them rather than dragging them to prevent damage to the legs or floor.

6. Maintenance

Proper care will extend the life and appearance of your chairs.

- **Cleaning Fabric:** For general cleaning, gently vacuum the velvet-effect fabric to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for velvet, testing on an inconspicuous area first. Do not rub vigorously.
- **Cleaning Frame:** Wipe the powder-coated steel legs with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Regular Checks:** Periodically (e.g., every 3-6 months) check all screws and connections to ensure they are tight. Re-tighten if necessary to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause the fabric color to fade.

Image 6.1: A detailed view highlighting the soft velvet-effect fabric, the thickness of the padded seat, and the ergonomic curved backrest, all important areas for maintenance.

7. Troubleshooting

If you encounter any issues with your chairs, refer to the following common problems and solutions:

- **Chair Wobbles:**
  Solution: Ensure the chair is on a flat, even surface. Adjust the foot pads on the bottom of each leg by twisting them until the chair is stable. Also, check that all assembly screws are securely tightened.
- **Loose Parts:**
  Solution: If any screws or connections feel loose, re-tighten them using the provided Allen key. Do not overtighten.
- **Squeaking Noise:**
  Solution: Squeaking can sometimes occur from loose connections. Re-tighten all assembly screws. If the issue persists, disassemble and reassemble the affected area, ensuring all parts are correctly aligned.
- **Scratches on Floor:**
  Solution: Ensure the adjustable foot pads are intact and properly positioned. Consider adding felt pads to the bottom of the foot pads for extra floor protection, especially on delicate surfaces.

8. Specifications

Feature	Specification
Model Number	IT83A-127V00GN0631
Overall Dimensions	50L x 52P x 83A cm (Length x Depth x Height)
Seat Dimensions	47 cm (Height from floor), 43 cm (Depth)
Backrest Height	40 cm
Weight Capacity	120 kg (265 lbs) per chair
Material	Velvet-effect fabric, Powder-coated steel frame
Color	Green
Special Features	Ergonomic design, Adjustable foot pads, Padded seat, Curved backrest
Product Weight	22 kg (total for the set)
