5. MAINTENANCE AND CARE

To ensure the longevity and appearance of your BLDR Hello Kitty's Dream Cafe Building Set, follow these care guidelines:

- **Cleaning:** Clean individual pieces or the assembled set with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these can damage the plastic or printed details.
- **Storage:** Store the set in a cool, dry place away from direct sunlight. Prolonged exposure to sunlight can cause discoloration or warping of plastic components.
- **Handling:** Handle all pieces gently to prevent breakage or loss. When disassembling, apply even pressure rather than forcing connections apart.

6. TROUBLESHOOTING

If you encounter any issues during the assembly or play of your building set, consider the following solutions:

- **Missing Pieces:** Double-check the packaging, work area, and under furniture. If pieces are genuinely missing after a thorough search, refer to the warranty and support section for assistance.
- **Difficulty Connecting Pieces:** Ensure that pieces are correctly oriented and aligned before attempting to

connect them. Apply gentle, even pressure. Avoid forcing pieces together, as this can cause damage.

- **Structural Instability:** If the assembled structure feels unstable, review the relevant steps in the instruction manual to confirm all connections are secure and correctly placed. Small errors in placement can affect overall stability.
