2. Safety Information

- **Maximum Weight Capacity:** This chair is designed to support a maximum weight of 300 lbs (136 kg). Do not exceed this limit.
- Always follow assembly instructions carefully to ensure safe and stable use.
- Ensure all screws and bolts are tightened securely before use. Periodically check and re-tighten as necessary.
- Do not stand on the chair or use it as a step stool.
- Avoid placing heavy objects on the chair's backrest or armrests.
- Keep children and pets away from the chair during assembly.
- Use the chair on a flat, stable surface.

3. Assembly Instructions

The COLAMY Ergonomic Mesh Office Chair requires assembly. All necessary hardware is included. The assembly process is designed to be straightforward, typically taking 10-15 minutes.

3.1. Package Contents

Before beginning assembly, verify that all components are present. Refer to the included parts list in the packaging for a complete overview.

3.2. Assembly Steps

Follow the step-by-step instructions provided in the product packaging. Ensure each part is correctly oriented and securely fastened.

For visual guidance on assembly and initial setup, please refer to the following video:

4. Features & Operation

The COLAMY Ergonomic Mesh Office Chair is designed with multiple adjustable features to enhance comfort and support during prolonged use.

4.1. Ergonomic Design & Mesh Material

The chair features imported high-elasticity mesh fabric for superior breathability and durability, conforming to your body's contours for optimal support.

6. Maintenance

- **Cleaning:** Use a soft, damp cloth with mild soap to clean the mesh and plastic surfaces. Avoid harsh chemicals or

abrasive cleaners.

- **Inspection:** Periodically check all bolts, screws, and moving parts to ensure they are secure and functioning correctly. Tighten any loose fasteners.
- **Casters:** Keep casters free of debris (hair, dust, etc.) to ensure smooth rolling.
- **Mesh Care:** Avoid sharp objects that could damage the mesh fabric.

7. Troubleshooting

- **Chair Squeaks:** Check all connections and tighten any loose bolts. A small amount of silicone lubricant can be applied to moving parts if necessary.
- **Chair Does Not Adjust Height:** Ensure the gas lift lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement.
- **Casters Not Rolling Smoothly:** Clean any debris from the casters. If damaged, casters can be replaced.
- **Backrest or Armrests Feel Loose:** Inspect and tighten the screws connecting these components to the main chair frame.

8. Warranty and Support

For warranty information, product support, or to order replacement parts, please contact COLAMY customer service. Refer to the product packaging or the official COLAMY website for contact details.
