RedLemon RL-60IN-L-ESD-AW

RedLemon 60-Inch L-Shaped Electric Standing Desk (Model RL-60IN-L-ESD-AW) Instruction Manual

Brand: RedLemon | Model: RL-60IN-L-ESD-AW

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your RedLemon 60-Inch L-Shaped Electric Standing Desk. Please read all instructions carefully before assembly and operation. Retain this manual for future reference.

2. IMPORTANT SAFETY INFORMATION

- Do not touch moving parts while the desk is in operation.
- Ensure the desk is properly grounded.
- Do not exceed the weight limit of 103 pounds.
- If adjusting the height to the maximum of 46 inches, ensure the desk is stable and anchored to the wall.
- Follow the assembly instructions carefully during setup.

3. PRODUCT FEATURES

The RedLemon L-Shaped Electric Standing Desk is designed for versatility and comfort, offering a range of features to enhance your workspace.

3.1. Adjustable Height Mechanism

This electric standing desk allows you to freely select heights ranging from 28 inches to 46 inches. It includes four height-memorizing features for easy one-button height control.

3.3. Spacious Workspace and Storage

With dimensions of 60 x 60 inches, the L-shaped design provides ample surface area. A monitor shelf offers comfortable viewing height and helps manage eye-to-screen distance. The under-shelf area and two integrated drawers provide storage for office supplies and personal items, helping to maintain an organized workspace.

Ergonomically Designed Desk

3.4. Convenient Integrated Features

The desk includes several thoughtful additions:

- **Built-in Power Outlets:** For easy charging of laptops, smartphones, and other devices.
- **Handy Hooks:** Located on both sides for hanging headphones or other essentials.
- **360-Degree Rotating Cup Holder:** Prevents spills and keeps beverages within reach.
- **Keyboard Tray:** Provides a dedicated space for comfortable typing.

More Features For A Better Experience

• Built-In power strip •

• Multifunctional hook •

• 360° rotatable cup holder •

• Leveling Glides •

4. SETUP AND ASSEMBLY

The RedLemon L-Shaped Electric Standing Desk is designed for straightforward assembly. Clear instructions and labeled parts are provided to facilitate the process. It is recommended that two people assemble the desk for ease and safety. The product is shipped in sturdy boxes with thick foam and wooden protective panels to prevent damage during transit. If any issues arise during assembly, professional assistance is available through customer support.

5. OPERATING INSTRUCTIONS

5.1. Height Adjustment

The desk's height can be adjusted using the digital control panel located on the front edge. Use the up and down arrows to manually adjust the height. Four memory presets (1, 2, 3, 4) allow you to save and recall your preferred sitting and standing heights with a single button press.

6. MAINTENANCE

To maintain the appearance and functionality of your desk, wipe surfaces with a dry cloth as needed. Avoid using harsh chemicals or abrasive cleaners that could damage the finish.

7. TROUBLESHOOTING

If you encounter any issues with your RedLemon Electric Standing Desk, please refer to the following general troubleshooting steps:

- **Power Issues:** Ensure the desk is properly plugged into a grounded outlet. Check all cable connections.
- **Height Adjustment Malfunction:** If the desk is not adjusting smoothly or stops, check for any obstructions under or around the desk. Reset the control panel if necessary (refer to specific instructions in the full manual if available).
- **LED Lights Not Working:** Verify the remote control batteries and ensure the LED strip is securely connected to its power source.

For persistent issues, contact RedLemon Furniture customer support for professional assistance.
