SHGMEET BRX-Baby Feeding Set Beige

SHGMEET Silicone Baby Feeding Set Instruction Manual

Model: BRX-Baby Feeding Set Beige

Overview Components Safety & Care Setup Usage Cleaning Specifications

1. Product Overview

The SHGMEET Silicone Baby Feeding Set is designed to support infants and toddlers in developing self-feeding skills. This comprehensive set includes essential items made from food-grade silicone, ensuring safety and durability for daily use.

Key features include:

- Food-grade silicone construction, free from BPA, PVC, and phthalates.
- Suction bases on bowls and plates to prevent spills.
- Utensils designed for both assisted feeding and baby-led weaning.
- Easy to clean and store, dishwasher and microwave safe.

2. Components Included

Your SHGMEET Silicone Baby Feeding Set includes the following 11 items:

- 1x Silicone Suction Bowl
- 1x Silicone Suction Plate (with compartmentalized design)
- 1x Silicone Bib with adjustable closure
- 1x Two-Handle Silicone Cup
- 1x Silicone Straw for cup
- 1x Silicone Snack Cup Lid for cup
- 1x First Stage Baby Spoon
- 1x First Stage Baby Fork
- 1x Advanced Long Handle Spoon
- 1x Advanced Long Handle Fork
- 1x Fruit Feeder

3. Safety and Material Information

All components of the SHGMEET Baby Feeding Set are manufactured from high-quality, food-grade silicone. This material is:

- **BPA-Free:** Contains no Bisphenol-A.
- **PVC-Free:** Contains no Polyvinyl Chloride.
- **Phthalate-Free:** Contains no Phthalates.
- **Gentle on Gums:** Soft and flexible, ideal for developing teeth and gums.
- **Temperature Resistant:** Safe for use in microwaves and freezers.

Always inspect products before each use. Discard at the first sign of damage or weakness.

4. Initial Setup and Preparation

Before first use, thoroughly wash all components of the feeding set with warm soapy water or place them in the dishwasher. Rinse thoroughly and allow to air dry completely.

Assembling the Fruit Feeder:

1. Open the fruit feeder by twisting or unlatching the top.
2. Place small, soft pieces of fruit or cooked vegetables into the silicone mesh pouch.
3. Securely close the feeder.
4. Ensure the feeder is clean and free of debris before giving it to your baby.

Image 4.1: Preparing the fruit feeder with fresh fruit.

5. Operating Instructions

5.1. Suction Bowl and Plate

To ensure the bowl and plate remain securely in place:

1. Place the suction base on a clean, dry, and smooth surface (e.g., high chair tray, table).
2. Press down firmly on the center of the bowl or plate to remove any air from underneath the suction cup.
3. To release, lift the small tab on the edge of the suction base.

The plate features a compartmentalized design to separate different food items, and raised edges to assist babies in scooping food independently.

Image 5.1: Baby using the suction plate and bowl, highlighting the non-slip base and easy-scoop design.

5.2. Utensils

The set includes two types of spoons and forks:

- **First Stage Utensils:** Designed with shorter, thicker handles for easy grip, promoting baby-led weaning and fostering independence.
- **Advanced Long Handle Utensils:** Features longer handles for parents to assist with feeding, and for older toddlers to use as they refine their motor skills.

Image 5.2: Different utensil designs for various stages of baby feeding development.

5.3. Adjustable Bib

The silicone bib features an adjustable neck closure and a large pocket to catch dropped food and liquids, minimizing mess during meal times.

- Adjust the bib to fit comfortably around your baby's neck using the reinforced button holes.
- Ensure the pocket is open and positioned to catch spills.

5.4. Two-Handle Cup

This versatile cup can be used in multiple ways:

- **Straw Cup:** Insert the silicone straw into the lid for spill-proof drinking.
- **Open Cup:** Remove the lid and straw for independent open-cup drinking.
- **Snack Cup:** Replace the straw lid with the snack cup lid for easy access to snacks without spills.

6. Cleaning and Maintenance

The SHGMEET Silicone Baby Feeding Set is designed for easy cleaning:

- **Dishwasher Safe:** All components can be safely cleaned on the top rack of your dishwasher.
- **Hand Wash:** For manual cleaning, wash with warm water and mild soap. Rinse thoroughly.
- **Microwave Safe:** The silicone material is safe for heating food in the microwave.
- **Freezer Safe:** Suitable for storing food in the freezer.

Ensure all items are completely dry before storing to prevent mold or mildew.

7. Troubleshooting

- **Suction not holding:** Ensure the surface is clean, dry, and smooth. Press firmly on the center of the bowl/plate to remove air.
- **Stains or odors:** Silicone can sometimes absorb odors or colors from strong foods. To remove, try soaking in a mixture of white vinegar and water, or baking soda paste, then wash as usual.
- **Straw splitting:** If the silicone straw splits or shows signs of wear, discontinue use and replace it.

8. Product Specifications

Brand	SHGMEET
Model Number	BRX-Baby Feeding Set Beige
Material	Food-Grade Silicone
