Introduction

This manual provides detailed instructions for the assembly, operation, and maintenance of your RALGEND Kitchen Island with Drop Leaf and Power Outlet. Please read all instructions carefully before assembly and use to ensure safe and efficient operation of the product.

Safety Information

- Keep the product away from water, high-temperature, and fire environments.
- Always lock the wheels when not in use to prevent accidental movement.
- Ensure all connections to the power outlet are secure and within the specified electrical limits (120V 12A, Max. Power 1875 Watts).
- Do not overload the power strip.
- Maximum weight recommendation for the island is 220 pounds. Do not exceed this limit.

Package Contents

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 1 x Kitchen Island Unit
- 1 x Charging Station (pre-installed or to be installed)
- 1 x Hardware Kit (screws, bolts, tools)
- 1 x Instruction Manual (this document)

Setup and Assembly

Assembly is required for this product. Detailed instructions are included in the hardware kit. Please follow the step-by-step diagrams carefully. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Key Assembly Steps:

1. Unpack all components and verify against the parts list.

2. Attach the industrial swivel casters to the base of the island. Ensure the two lockable casters are placed on the front side for easy access.
3. Assemble the main frame and cabinet structures according to the diagrams.
4. Install the drawers, adjustable shelves, barn doors, spice rack, and towel rack.
5. Secure the drop-leaf countertop mechanism.
6. Connect the power cord to the built-in charging station.

Operating Instructions

Drop-Leaf Countertop

The kitchen island features an extending drop-leaf top. To expand, lift the leaf and secure it with the support brackets underneath. This provides additional counter space or seating for 2-3 people. To fold, release the support brackets and gently lower the leaf.

Can easily expand for extra dining spots or prep space when needed.

Rolling Functionality

The five industrial swivel casters allow for 360° smooth rotation, enabling easy movement of the island. Two of these casters are lockable. To secure the island in place, press down on the locking mechanism on the two designated wheels. To unlock, lift the mechanism.

Storage Features

The island offers various storage options:

- **Drawers:** Three top drawers are provided for cutlery, utensils, or other small items.
- **Cabinets:** Two double-door cabinets feature 3-height adjustable shelves. Adjust the shelf height by repositioning the shelf pegs to accommodate items of varying sizes.
- **Spice Rack:** A side-mounted spice rack with a fence keeps condiment bottles organized and easily accessible.
- **Towel Rack:** A towel rack on the opposite side serves as both a towel holder and a convenient handle for moving

the island.

Maintenance

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.

- **Spills:** Clean up spills immediately to prevent staining or damage to the particleboard.
- **Hardware:** Periodically check all screws and bolts to ensure they are tight. Retighten as necessary.
- **Casters:** Keep casters free of debris to ensure smooth rolling.

Troubleshooting

- **Island does not roll smoothly:** Check casters for debris or ensure they are not locked.
- **Drawers stick:** Ensure drawers are properly aligned on their glides. Check for any obstructions.
- **Drop-leaf does not stay up:** Verify that the support brackets are fully extended and engaged.
- **Power outlets not working:** Ensure the island's power cord is securely plugged into a functional wall outlet. Check if the wall outlet itself is working. Do not exceed the maximum power rating.
