

SODI 314

SODI Model 314 Ultra Compact Foldable Laptop Stand User Manual

Model: 314 | Brand: SODI

1. INTRODUCTION

The SODI Model 314 is an ultra-compact, foldable, and portable laptop stand designed to enhance ergonomic comfort and improve laptop cooling. Constructed from high-quality aluminum alloy with silicone anti-slip pads, it offers stability and durability for devices ranging from 10 to 16 inches.

Key features include:

- **Ultra-Compact & Lightweight:** Weighs only 185g and folds to 12.7 x 4.4 x 2 cm for easy portability.
- **Spring-Loaded Adjustment:** Allows for quick and easy alignment of screens to eye level with 6 different height settings.
- **H-Frame Design:** Promotes efficient heat dissipation to prevent laptop overheating.
- **Superior Stability:** Equipped with non-slip silicone pads to secure your device and prevent scratches.
- **Wide Compatibility:** Supports laptops and tablets from 10 to 16 inches.

2. PACKAGE CONTENTS

Verify that all items are present in the package:

- 1 x SODI Model 314 Foldable Laptop Stand
- 1 x Velvet Storage Bag
- 1 x User Manual (this document)

3. SETUP INSTRUCTIONS

Follow these steps to set up your SODI Model 314 laptop stand:

1. **Unfold the Stand:** Gently pull the two main arms of the stand apart. The spring-loaded mechanism will assist in opening the stand to its operational position.

2. **Extend Support Legs:** The support legs will automatically pop up. Ensure they are fully extended and locked into place for stability.
3. **Place on a Flat Surface:** Position the unfolded stand on a stable, flat surface.
4. **Adjust Rubber Foot Pads (if necessary):** The rubber foot pads can be adjusted to fit the thickness of your device, ensuring a secure grip.

Lightweight & Portable

4. OPERATING INSTRUCTIONS

The SODI Model 314 allows for easy adjustment to achieve an ergonomic viewing angle and improved airflow.

1. **Place Your Device:** Carefully place your laptop or tablet (10-16 inches) onto the stand, ensuring it rests securely on the silicone pads.
2. **Adjust Height and Angle:** The stand features 6 adjustable height levels. To change the height, gently lift your device off the stand, then press the spring-loaded buttons on the support legs to adjust to your desired angle. Release the buttons to lock the legs in place.
3. **Ensure Stability:** Before use, gently test the stability of your device on the stand. The silicone pads prevent slipping and scratching.

Wide Compatibility

For 10-16inch device

5. MAINTENANCE

To ensure the longevity and optimal performance of your SODI Model 314 laptop stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the stand with a soft, damp cloth. Avoid abrasive cleaners or solvents that could damage the

aluminum finish or silicone pads.

- **Storage:** When not in use, fold the stand to its compact size and store it in the provided velvet storage bag to protect it from dust and scratches.
- **Inspection:** Periodically check the spring mechanism and silicone pads for any signs of wear or damage.

6. TROUBLESHOOTING

If you encounter any issues with your SODI Model 314 laptop stand, refer to the following common solutions:

Problem	Possible Cause	Solution
Stand feels unstable.	Not fully unfolded or placed on an uneven surface.	Ensure the stand's legs are fully extended and locked. Place the stand on a flat, stable surface.
Laptop slides on the stand.	Silicone pads are dirty or worn; device is too large/small.	Clean the silicone pads. Ensure your device is within the 10-16 inch compatibility range. Adjust rubber foot pads if applicable.
Difficulty adjusting height.	Mechanism might be stiff or obstructed.	Ensure no debris is obstructing the spring mechanism. Apply gentle, even pressure when adjusting. Do not force.

If the issue persists, please contact customer support.

7. SPECIFICATIONS

Feature	Detail
Brand	SODI
Model Name	SODI 314
